Read :

From the Project Director, Tamil Nadu Health Systems Project, Chennai,
letter No. 0629/TNHSP/TNEMS/2021-22, dated 26.10.2021.

ORDER:

The Project Director, Tamil Nadu Health Systems Project has stated that the Government of Tamil Nadu has been one of the pioneers in initiating the Emergency Management Services in the country by initiating the same through a Toll Free Number 108 in the State of Tamil Nadu through PPP (Public Private Partnership mode) with GVK Emergency Management and Research Institute (GVK EMRI) since 15th September 2008.

At present Tamil Nadu have 1044 BLS (Basic Life Support) Ambulances 124 ALS (Advanced Life Support) Ambulances, 65 NLS (Neo Natal Life Support) ambulances and four VVIP Convoy ambulances comprising of a total number of 1237 ambulances across Tamil Nadu.

Tamil Nadu is considered as one of the best performing states in extending the health & medical care by making significant progress towards the goal of "Health for All" under its various health and medical care programmes which is regarded as one of the most extensive health systems in India, with Directorate of Health Services (DHS) by playing an important role in extending and administration of health services especially to raise the quality, to extend accountability and to deliver the services fairly, effectively and courteously.

2. The Project Director, Tamil Nadu Health Systems Project has stated that the World Bank has conducted Sixth Implementation Support Mission of the Tamil Nadu Health System Reform Program from Jan 4th to 11th 2021. In the Aide Memoire "under next step agreed action" subcategory "Summary of agreed action point 19" the World Bank mentioned proposal on separate IFT fleet for DMS and DME Institutions.

3. The Project Director, Tamil Nadu Health Systems Project has requested the Government to issue the necessary orders for the following:-

- a. Setting up a dedicated IFT fleet with 293 ambulances from among the current ambulance strength without any increased financial implications, since it can be met from within approved budget only.
- b. To approve the distribution of IFT Ambulances for Government Medical College Hospitals and Government Hospitals as mentioned below which is arrived based on current IFT caseloads and operational needs. The list of Government Hospital and Government Medical College Hospitals for is Distribution of IFT ambulance.

S. No	Type of Facilities	Dedicated IFT Ambulances
1.	Government Hospitals	257
2.	Medical College Hospitals and attached institutions	36
Total		293

- c. The Project Director, Tamil Nadu Health Systems Project is empowered to reallocate IFT ambulances among the institutions based on the demands and needs within the approved budget without any additional extra expenditure to Government.

4. The Government after careful consideration of the proposal of the Project Director, Tamil Nadu Health System Reform Program have decided to accept the same and accordingly issue the following orders:-

- a. The Project Director, Tamil Nadu Health System Reform Program is permitted to set up a dedicated IFT fleet with 293 ambulances from among the current ambulance strength without any increased financial implications, since it can be met from within approved budget only.
- b. The distribution of IFT Ambulances for Government Medical College Hospitals and Government Hospitals as mentioned below which is arrived based on current IFT caseloads and operational needs is approved. The list of Government Hospital and Government Medical College Hospitals for is Distribution of IFT ambulance is annexed to this G.O.

S. No	Type of Facilities	Dedicated IFT Ambulances
1.	Government Hospitals	257
2.	Medical College Hospitals and attached institutions	36
Total		293

- c. The Project Director, Tamil Nadu Health Systems Project is empowered to reallocate IFT ambulances among the institutions based on the demands and needs within the approved budget without any additional extra expenditure to Government.

(BY ORDER OF THE GOVERNOR)
