ABSTRACT

Tamil Nadu Health Systems Project – Eye Donation from the deceased – Utilization of 108 telephone number for harvesting cornea from the deceased – Orders – Issued.

HEALTH AND FAMILY WELFARE (EAPI-1) DEPARTMENT

G.O (Ms) No.4

Dated:09.01.2014
Thiruvalluvar Aandu – 2044
Vijaya Margazhi – 25

Read:

From the Project Director, Tamil Nadu Health Systems Project, Letter R.No.3999/HSP/TN-EMRI/2011 dated: 06.11.2012.

ORDER:

In the letter read above, the Project Director, Tamil Nadu Health Systems Project has stated that a Trust based at Bangalore, namely, 'Nayanjothi Trust' has submitted a proposal to Government about their services on creating awareness and enhancing eye donation with request for permission to utilize the 108 telephone number. The main objectives of the trust are

- i. To build data base of Eye donation by creating awareness among the public
- ii. To work with State Government to make use of existing emergency telephone number 108 facilitate speedy collection of eyes.
- iii. To ensure cornea blind poor patients are supported by equitable and fair distribution of collected corneas.

2. The Project Director, Tamil Nadu Health Systems Project has obtained the remarks of Chief Operating Officer, Tamil Nadu- Emergency Management Research Institute and he has stated that the request of the Trust for utilizing the 108 telephone number for providing information to the eye bank for collecting cornea from the deceased, may be incorporated into the emergency response system of Tamil Nadu- Emergency Management Research Institute. Also he has stated that their process would be that the calls received at ERC will be assigned to an appropriate and nearest eye bank or collection centre. But 108 ambulances will not be used for this purpose and no other support would be extended other than handing and forwarding the calls. However, he has also submitted a detailed proposal for 108 ERC to be used for handing eye donation.

3. The Project Director, Tamil Nadu Health Systems Project has proposed to consider the remarks of Nayanjothi Trust & Tamil Nadu- Emergency Management Research Institute and has proposed to utilize the toll free telephone number 108 for

providing information to the eye banks whenever the requests are received from the relatives of the deceased relatives. The roles and responsibilities of each stakeholder would be as follows:

Roles and Responsibility of the Emergency Management Research Institute

- To receive calls from prospective donors and assign these calls to the nearest Government or private eye Bank/ eye collection center to harvest the corneas.
- To follow up with eye bank to ensure timely response to such requests and keep record of all callers and eye banks
- Calls will be assigned first come first service basis to the nearest eye bank
- If one eye bank denies a call, then the same will be assigned to the next nearest bank
- To create awareness about this service to the community.
- To be transparent and generate reports from time to time as decided by the management.
- 108 ambulances will not be used for this purpose and only calls will be handled and no other additional support would be provided.

Roles and Responsibility of the Government of Tamil Nadu

- The Director, State Blindness Control Society, Egmore will be the Nodal Officer for implementing this service and will sign the agreement between the trust and Emergency Management Research Institute on behalf of Government of Tamil Nadu.
- To help in gathering updated list of eye banks / collection centers across the state regularly
- Help in networking with Government eye banks
- To sensitize Government eye care providers / to avail this service along with protocol
- To review the performance

Roles and Responsibility of the Trust

- Responsible for networking with concerned officials involved in this initiative and support
- Creating awareness about this service among community
- To participate in the review meetings of this project with Government and 108 ERS.

Budget : The Chief Operating Officer, Tamil Nadu- Emergency Management Research Institute has stated that the Tata Consultancy Services (TCS) has developed a software called "Nethra Net" and agreed to furnish at free of cost for the

utilization at Emergency Response Centre. A comprehensive list of Eye banks and collection centres has been collected from Eye bank Association and uploaded in the soft ware developed by Tata Consultancy Services.

The Tamil Nadu- Emergency Management Research Institute had agreed to utilize the telephone number 108 for providing information to the nearest eye bank and generate reports time to time which would be the routine assigning of the calls for the ERC. The Nayanjothi trust has agreed in their proposal for the Development of IEC awareness among public and to publicize this facility. Hence there will not be any additional expenditure to the Government for this purpose.

Monitoring and Evaluation:

The Project Director, State Blindness Control Society, Egmore, Chennai, will be the Nodal Officer for implementing this service. To monitor the utilization of the 108 telephone number for providing information to the eye bank and the utilization of the harvested corneas, the Nodal Officer shall be the overall in charge of the programme in terms of planning, coordinating with various eye banks, eye hospitals, EMRI and the Nayanjothi trust. ABSTRACT

National Rural Health Mission -State Health Society -Tamil Nadu – Human Resources – Sanction of manpower to implement certain schemes approved in the PIP and supplementary PIP 2013-14 – Orders – Issued.

HEALTH AND FAMILY WELFARE (EAP II-2) DEPARTMENT

G.O. (Ms.) No.32

Dated: 04.02.2014

Thiruvalluvar Aandu – 2044
Vijaya, Thai-22Read:

From the Mission Director, State Health Society, letter No. 5945/P/SHS/13,
Dated 14.07.2013 and 21.10.2013.

ORDER:

Hon'ble Chief Minister has made the following announcements, among others, in the Tamil Nadu Legislative Assembly on 08.05.2013 under Rule 110 of the Tamil Nadu Legislative Assembly Rules:

- i) District Headquarter Hospitals in 15 non-medical college districts will be strengthened on par with medical college hospitals at a cost of Rs.18.51 crore.
- ii) Obstetric Intensive Care Units will be established in 55 Comprehensive Emergency Obstetric and Newborn Care (CEmONC) hospitals at a cost of Rs.12.28 crore.

Hon'ble Minister for Health has also announced in the Assembly while moving the Demand of Health and Family Welfare Department, among others, that "laboratory facilities will be established in 13 hospitals with the creation of 13 posts of Laboratory Technicians".

2. The Mission Director, State Health Society in his letters read above has stated that he has included necessary proposals in the PIP 2013-14 to implement the above announcements and got approved by the National Project Coordination Committee (NPCC), Government of India in the main PIP 2013-14 and supplementary PIP 2013-14. Government of India has also given approval to implement certain schemes viz. i) provision of Staff Nurses for the buildings constructed with NRHM funding. ii) provision of Emergency Obstetric Care (EmOC) trained Medical Officers to the Maternity Wings of all the Government Medical Colleges. iii) additional manpower for the Reproductive and Child Health (RCH) Centre of Excellence at Institute of Obstetric and Gynecology, Chennai, Kasturba Gandhi Hospital, Chennai and Government Medical College Hospitals at Madurai and Salem, and iv) provision of Radiographer to Government

Hospitals where there is no sanctioned post of Radiographer in the above PIPs for the year 2013-14.

3. The Mission Director, State Health Society has sent proposals to the Government for sanction of Human Resources as approved by the Government of India for the implementation of the above announcements and schemes. He has sent separate proposals for sanction of funds from Government for undertaking construction activities wherever approved for implementing the above schemes following the guidelines issued by Government in G.O. Ms. No.116 Health and Family Welfare Department, dated 25.03.2011.

4. The Mission Director, State Health Society has requested sanction of manpower for implementing the following schemes as indicated below:

i) Strengthening of District Head Quarters Hospitals in Non-Medical College Districts on par with Medical Colleges.

At present, the medicare is provided through a network of 19 Medical College Hospitals (Tertiary Care Facilities) and attached institutions, 270 secondary care hospitals consisting of District Headquarters hospitals, Taluk & Non-taluk hospitals and 1634 Primary Health Centres. Diagnostic services and speciality services are available in almost all the Secondary and tertiary facilities. The Health care facilities in each of the districts are dependent on either the Medical College Hospital or the District Head Quarters Hospital of the district which is the major hospital in the district for the health care needs 17 districts are having Medical College Hospitals and 14 districts are devoid of them and the District Head Quarters Hospital is the highest Government referral facility for these 14 districts. The Medical College Hospitals are able to provide Comprehensive Health Care Services to the public without resorting the referral to other institutions and it is not in the case of the District Headquarters Hospitals which are not provided with Super-Speciality departments from where the patients need to be referred to the Medical College Hospitals of the nearby districts for speciality care. It is proposed to strengthen the district headquarters hospitals of the 14 non-medical college districts and Kancheepuram District Head Quarters Hospital as addition to the level of Medical College Hospitals for provision of high end services. These facilities need to be strengthened with additional Human Resources as indicated below:

a) Medical Officers, Specialists and Super-Specialists

The Government of India approved the above 443 Staff Nurses. The existing entry level salary for the Staff Nurses has been enhanced by 10% in G.O.(Ms) No. 312, Health and Family Welfare Department, dated 26.12.2013 as approved by Government of India in the supplementary ROP. Hence the contractual staff Nurses may be given an entry level contractual salary of Rs.7700 / month with an annual increase of Rs. 500 every year till they are regularized in the case of staff nurses placed through Director of Medical and Rural Health Services or Medical Recruitment Board or till they move out for better opportunities in the case of Staff Nurses placed through outsourcing.

c) Lab Technicians and Radiographers

The requirement of the Lab Technician and Radiographer for strengthening of these 15 District Headquarters Hospitals is indicated below:

Sl. No	Support Service	I shift	II shift	III shift	Minimum Req
1	Lab. Technician	4	1	1	6
2	Radiographer	2	1	1	4

Based on the above requirements, Government of India approved additional manpower as indicated below:

S. No	Category	No. Proposed	No. Approved	Approved Contractual salary in Rs/month
1	Lab Technician	14	14	10000
2	Radiographer	18	18	10000

Apart from these, the Intensive Care Unit (ICU), Intensive Medical Care Unit (IMCU), Poison Treatment Centres, Accident and Emergency services and all important services will be available round the clock in the hospital.

ii) *Establishment of Obstetric ICUs and strengthening of the existing maternity OTs in 55 CEmONC centres.*

With financial and technical inputs from Tamil Nadu Health System Project, 105 Comprehensive Emergency Obstetric and Newborn Care (CEmONC) Centres functioning in the Government Hospitals have been provided with additional buildings, specialist Doctors, Nurses and Equipments. As round the clock OG specialist, Anaesthetist and Paediatric Physician are made available in these centres, more and more complicated maternal admissions are handled in these CEmONC centres and large number of caesarean operations are performed in these hospitals. These centres serve as referral institutions for the nearby public and private facilities of the districts and sometimes to nearby district also. When complicated maternal admissions are made, they have to be admitted either along with general AN cases or admitted in the general IMCU of the hospital which causes much inconvenience to the patients and the doctors for providing focused specialized care to such patients. Hence, it is proposed to establish

one unique "Obstetric Intensive Care Unit" in 55 CEmONC centres functioning in the Secondary Care Government Hospitals across the State to provide intensive care to the complicated maternal cases. It is proposed to place 4 Staff Nurses on contractual basis in each of the 55 CEmONC ICUs for round the clock duty. The Duty Obstetrician of the CEmONC centre shall be vested with the management of the AN/ IN/ PN cases in the Obstetric Intensive Care Unit in co-ordination with the other specialists of the facility as the case warrants. These personnel will be provided necessary special training to man the obstetric Intensive Care Units. The Contractual staff nurses shall be placed through the existing procedure by Director of Medical and Rural Health Services or outsourced through outsourcing agencies. In these 55 CEmONC centres, it is proposed to place 4 additional contractual staff nurses and 4 OT technicians. To make the Operation theatres function round the clock without interfering with the normal staffing of the operation theatres, Government of India have approved 220 Staff Nurses at the rate of 4 Staff Nurses for the Obstetrics Intensive Care Units and 220 Staff Nurses at the rate of 4 Staff Nurses for the Operation Theatres of each of the 55 CEmONC centres. The contractual Staff Nurses proposed to be appointed in the 55 CEmONC centres may be given an entry level contractual salary of Rs.7700 per month with an annual increase of Rs. 500 every year till they are regularized in the case of staff nurses placed through Director of Medical and Rural Health Services or till they move out for better opportunities in the case of staff nurses placed through outsourcing.

iii) Provision of Staff Nurses for the Buildings constructed with NRHM funds.

During the years 2009-2010 & 2010-2011, additional buildings have been constructed in the secondary care facilities with financial support from NRHM. Civil works have been completed and the buildings have been put into use. Due to the additional buildings provided, there is an increase in the bed strength in the 56 facilities indicated in the Annexure-IV to this order and no additional staff has been sanctioned for the increased bed strength. If 163 additional staff nurses are provided to these facilities, better use of these facilities would be possible. The Government of India has approved for 167 contractual Staff Nurses at the enhanced contractual pay of Rs.7,700 per month with annual increase of Rs.500 per month to these 56 facilities.

iv) Provision of EmOC trained Medical Officers / Medical Officers in the Maternity wings of the Medical Colleges

Maternity wings of the Medical colleges, being the tertiary referral centres for the Districts, are overloaded with complicated maternity admissions and most of the cases require intensive monitoring in the High Dependency Units / ICUs of the facilities. To monitor the high risk cases, 2 EmOC trained Medical Officers were provided to each of the 18 maternity wings of the 17 Medical Colleges as per the orders issued in G.O. (Ms). No.108, Health and Family Welfare (EAP-II/2) Department, dated 13.05.2013. In order to provide adequate number of Medical officers to do rotation duty at the obstetric HDU/ICUs (exclusively) and to manage the cases in the Obstetric Casualty, it is proposed to extend the scheme with four more Medical Officers to each of the facilities and also to extend the scheme to the new medical colleges at Tiruvannamalai and Sivaganga. Necessary proposals in this regard for provision of 84 Medical Officers / EmOC trained Medical Officers in addition to the already approved 36 posts have been included in PIP 2013-14 and the Government of India approved the proposals at the

consolidated pay of Rs.40,000 per month for Medical Officer. These Medical Officers shall be given 24 weeks EmOC training and retained in the facility for a minimum period of two years.

v) *Additional Manpower for the RCH-Centre of Excellence at IOG, Madurai and Salem Medical College Hospitals.*

RCH-Centre of Excellence is being established at the maternity wings of the Madras Medical College namely IOG Hospital Chennai and ISO&KGH for women and children, Chennai and its attached Training Institutions based on the approval of Government of India at a total cost of Rs.100 crores approved in PIP 2007-08 and administrative sanction in G.O. Ms. No. 283/Health and Family Welfare Department, dated 01.09.2008. The civil works are nearing completion and procurement of equipments is ongoing. The Centre of Excellence has added a bed strength of about 400 to IOG and the bed strength of ISO& KGH remains the same. To strengthen the maternity wings of the medical colleges in a phased manner similar to the above, it was proposed to strengthen the maternity wings of Madurai and Salem Medical College Hospitals into RCH-Centre of Excellence at a cost of Rs.50 Crores each and necessary proposals were approved by the Government of India in PIP 2012-13. Strengthening of the Maternity wings of Madurai and Salem Medical College Hospitals into RCH-Centre of Excellence have been approved in G.O.(Ms) No. 312, Health and Family Welfare Department, dated 26.12.2013 and G.O.(Ms) No.172, Health and Family Welfare Department, dated 19.07.2013 as announced by the Honourable Chief Minister in the floor of Legislative Assembly (110 announcements). As per the finalized civil work plans for RCH - Centre of Excellence at Madurai and Salem Medical College maternity wings, there will be an addition of about 500 beds for Salem MCH and about 480 beds for Madurai MCH. Considering the increase in the number of beds in the IOG, Chennai and Maternity wings of Madurai and Salem Medical Colleges, a proposal for provision of additional specialists and Staff Nurses has been included in PIP 2013-14 and got approved by the Government of India. The institution wise approvals of Government of India are given below:

S. No.	Category	IOG, Chennai	Maternity wing of		Approved pay per month
			Madurai MCH	Salem MCH	
1	Assistant Surgeon -OG	7	8	12	70000
2	Assistant Surgeon - Anaesthetist	2	2	4	70000
3	Assistant Surgeon -Paed	2	4	6	70000
4	Assistant Surgeon - Biochemistry	1	-	-	70000
5	Assistant Surgeon - Micro biology	1	-	-	70000
6	Staff Nurses-Contractual	60	20	30	7700 with annual increase of Rs.500 per month

- vi) Provision of Lab Technician to Government Hospitals where there is no post of Lab Technician

Availability of Laboratory services in the health care facilities is essential for MCH care and also other healthcare services. There are 13 Government Hospitals where there are no sanctioned post of Lab Technician. Hence a proposal for appointment of Lab Technician to these 13 facilities indicated in the Annexure-VII to the order has been included in PIP 2013-14 and the same has been approved by Government of India in Main ROP 2013-14 at the consolidated pay of Rs.10,000 per month. This has been announced by the Honourable Minister for Health & Family Welfare in the Legislative Assembly.

- vii) *Provision of Radiographer to Government Hospitals where there is no post of Radiographer*

The Government is committed to provide quality health care for the public approaching the government facilities and ensures that round the clock management, investigations and drugs are available in the Hospitals. There are 98 Government Hospitals in the State indicated in the Annexure-VIII to the order which have not been provided with the post of radiographer. Hence a proposal to provide a radiographer to these 98 facilities at contractual salary of Rs.10,000 per month was included in PIP 2013-14 and approved by Government of India. The Radiographer will be placed contractually or placed through outsourcing among the Radiographers who are having CRA qualification. They will be paid a contract payment of Rs. 10,000/- per month and the services of these radiographers placed on contract may be regularized as and when vacancy arises in the regular post of radiographers.

5. The Mission Director, State Health Society has stated that the proposals approved by the Government of India towards Human Resources for certain schemes in the main PIP and supplementary PIP for 2013-14 were placed before the 24th Executive Committee (EC) meeting held on 08.10.2013 and EC of the State Health Society has approved the proposals. He has requested the Government to issue orders sanctioning Human Resources to implement the above schemes. He has stated that the post of Specialists and Medical Officers may be sanctioned in time scale of pay from State funds under treasury mode and he may be permitted to remit the salary component of doctors

as approved by the Government of India to State Government receipt account. He has also suggested that the services of Staff Nurses, Lab. Technicians and Radiographers appointed on contract basis through DM&RHS may be regularized and absorbed in time scale of pay as and when vacancy arises in regular post.

6. The Government have carefully examined the above proposals of the Mission Director, State Health Society and decided to accept the proposals. They accordingly issue the following orders:-

- i) Sanction is accorded for the creation of 105 posts of Super Specialists, 183 Specialist Medical Officers, 60 Medical Officers and 3 Dentists in time scale of pay of Rs.15,600-39,100 + GP Rs.5400 and also for appointment of 443

- v) Sanction is accorded for the creation of 49 posts of Specialist Medical Officers in time scale of pay of Rs.15,600-39,100 + GP Rs.5400 and 110 contract Staff Nurses at the contractual salary of Rs.7700 per month with an annual increase of Rs.500 per month for the RCH Centre of Excellence at Institute of Obstetrics and Gynaecology and Government Hospital for Women and Children, Egmore, Chennai-8 and Government Medical College Hospitals at Salem and Madurai as indicated in the Annexure VI to this Government order.
- vi) Sanction is accorded for the appointment of 13 contract Lab Technicians at the consolidated pay of Rs.10,000 per month to the 13 Government Hospitals indicated in the Annexure VII to this order.
- vii) Sanction is accorded for the appointment of 98 contract Radiographers at the consolidated pay of Rs.10,000 per month to the 98 Government Hospitals indicated in the Annexure VIII to the Government order.
- viii) The Mission Director, State Health Society is permitted to fill up the above newly sanctioned posts of Super Specialists, Specialists, Medical Officers and Dentists in time scale of pay by transfer from the existing Assistant Surgeons / Senior Assistant Surgeons / Civil Surgeons in Tamil Nadu Medical Service or by direct recruitment through the Medical Services Recruitment Board.
- ix) The Mission Director, State Health Society is permitted to appoint the contract Staff Nurses through Director of Medical and Rural Health Services as per the seniority list maintained by him or through outsourcing if Director of Medical and Rural Health Services could not appoint contract Staff Nurses.

- x) The Director of Medical and Rural Health Services is permitted to appoint the contract Lab Technicians and Radiographers through the Medical Services Recruitment Board or outsourcing. If contract Lab Technicians and Radiographers are recruited and appointed through the Medical Services Recruitment Board, they shall be absorbed in time scale of pay as and when vacancy arises in the respective regular posts.
- xi) The Mission Director, State Health Society is permitted to revise the salary of the above contract personnel as and when the salary is revised by the Government of India.
- xii) The Mission Director, State Health Society is permitted to rationalize the number of personnel sanctioned to the facilities under Director of Medical and Rural Health Services and Director of Medical Education based on the actual number of the specialists available out of regular posts and physical performance of the facilities. If Director of Medical and Rural Health Services is not able to fill the above posts, the Mission Director is authorized to fill up the posts by outsourcing through agency or by placing retired personnel contractually following the rules in force.
- xiii) The Mission Director, State Health Society is permitted to remit the salary of all the Specialists and Medical Officers appointed in time scale of pay from State funds through treasury to the State Government receipt account at the rate approved by the Government of India.
- xiv) The Mission Director, State Health Society is permitted to incur the expenditure towards the above human resources from National Rural Health Mission funds.
- xv) The Mission Director, State Health Society is permitted to train the Medical Officers placed for observation of High Risk Mothers in the maternity wings of the Medical College in 24 weeks EmOC and to retain them in the facilities for a minimum period of 3 years.

7. The expenditure towards the Medical Officer posts including Super Specialists and Specialists sanctioned in para 6(iv) and 6(v) above shall be debited to the respective Institutions head of account under the control of Director of Medical Education shown in Annexure-IX to the Government Order.

ABSTRACT

Tamil Nadu Health Systems Project – Creation of 125 Comprehensive Emergency Obstetric and New Born Care Services Hospitals – Review and Supervision by the Directorate of Family Welfare at the State Level and Deputy Director of Medical and Rural Health Services at the District Level – Orders – Issued.

HEALTH AND FAMILY WELFARE (EAPI-1) DEPARTMENT

G.O (2D) No.12

Dated: 06.02.2014
Thiruvalluvar Aandu – 2044
Vijaya Thai – 24

Read:

From the Project Director, Tamil Nadu Health Systems Project, Letter No.10151/CEmONC/ TNHSP/2008, Dated: 22.11.2013.

ORDER:

The Government with strong commitment created Comprehensive Emergency Obstetric and New Born Care Services (CEmONC) in 125 Government Hospitals in the State to ensure maternal survival thereby to reduce Maternal morbidity and maternal deaths including new born deaths in the State. Out of these 125 Comprehensive Emergency Obstetric and New Born Care Services Hospitals, 20 tertiary care hospitals are under the control of the Director of Medical Education and the remaining 105 Comprehensive Emergency Obstetric and New Born Care Services Hospitals are under the control of the Director of Medical and Rural Health Services.

2. In the letter read above, the Project Director, Tamil Nadu Health Systems Project has stated that after creation of the 125 Comprehensive Emergency Obstetric and New Born Care Services Hospitals, performances like maternal admissions, complicated admissions, Deliveries, Caesarean deliveries, Night Caesarean are continuously increasing in the Comprehensive Emergency Obstetric and New Born Care Services Hospitals. After creation of Comprehensive Emergency Obstetric and New Born Care Services Centres, Maternal deaths, referral out of mothers for further management and still births are also decreasing. But intra uterine deaths and neonatal deaths are in the same proportion till now. The creation of NICU Centres in the State will supplement the Comprehensive Emergency Obstetric and New Born Care Services programme in reducing new born deaths. These Comprehensive Emergency Obstetric and New Born Care Services Hospitals are provided with Buildings, Operation Theatres, Man power, training, equipments and other necessary infrastructures required for maintenance of the Comprehensive Emergency Obstetric and New Born Care Services Hospitals by the Tamil Nadu Health Systems Project and by the National Rural Health Mission. These Hospitals are regularly monitored and supervised by the Director of Medical and Rural Health

Services, Project Director, Tamil Nadu Health Systems Project and the Director of Medical Education and all Programme Officers of these three Directorates.

3. The Project Director has further stated that the Tamil Nadu Health Systems Project which is functioning from 2004-05 is coming to a close during September 2014. In the circumstances stated above, there should be appropriate officer to supervise and monitor the activities of the Comprehensive Emergency Obstetric and New Born Care Services hospitals in the absence of the Tamil Nadu Health Systems Project, other than the Director of Medical and Rural Health Services and the Director of Medical Education. The Director of Family Welfare who is looking after Family Welfare Programmes and who is also connected with delivery performance is the appropriate officer to look after the Comprehensive Emergency Obstetric and New Born Care Services Hospital's performance and this will further increase the performance and the functioning of the Comprehensive Emergency Obstetric and New Born Care Services programme.

4. The Project Director, Tamil Nadu Health Systems Project, has therefore requested to issue necessary Government Orders to supervise the Comprehensive Emergency Obstetric and New Born Care Services Hospitals by the Director of Family Welfare at the State level and the Deputy Directors of Medical and Rural Health Services at the District level and submit their reports to the Project Director, Tamil Nadu Health Systems Project and Mission Director, National Rural Health Mission. After the end of Project period of Tamil Nadu Health Systems Project, the Mission Director, National Rural Health Mission will be the responsible officer to have full control and monitoring of all Comprehensive Emergency Obstetric and New Born Care Services Centres through the Director of Family Welfare.

5. The Government, after careful consideration of the above proposal have decided to accept the proposal of the Project Director, Tamil Nadu Health Systems Project. Accordingly the Government direct that the Director of Family Welfare at the State level and the Director of Medical and Rural Health Services at the District level will supervise the Comprehensive Emergency Obstetric and New Born Care Services Hospitals and submit their reports to the Project Director, Tamil Nadu Health Systems Project and Mission Director, National Rural Health Mission. After the end of Project period of Tamil Nadu Health Systems Project, the Mission Director, National Rural Health Mission will be the responsible officer to have full control and monitoring of all Comprehensive Emergency Obstetric and New Born Care Services Centres through the Director of Family Welfare.

6. This order issues with the concurrence of Finance Department vide its UO.No.71900/H-II/2013, dated: 19.12.2013.

ABSTRACT

Tamil Nadu Health Systems Project – Prevention, Screening, Treatment, and follow up of Non Communicable Diseases – Procurement of Mammography Units with Computed Radiography System – Additional funds – Sanctioned - Orders – Issued.

HEALTH AND FAMILY WELFARE (EAPI-1) DEPARTMENT

G.O (2D) No.19

Dated:28.02.2014
Thiruvalluvar Aandu – 2045
Vijaya Maasi – 16

Read:

- 1) G.O.(2D) No.08, Health and Family Welfare (EAPI/1) Department dated: 04.01.2011

Read also

- 2) From the Project Director, Tamil Nadu Health Systems Project, Letter No.9542 /E1/HSP/2013 dated: 23.10.2013.

ORDER:

In the G.O. first read above the Government have sanctioned Rs. 480.00 lakh towards procurement of 32 Mammography Units at the rate of Rs.15.00 lakh per Unit for supply to Government Medical College Hospitals and District Head Quarters Hospitals in districts where there is no Government Medical College Hospitals. However, the Project Director, Tamil Nadu Health Systems Project was permitted to initially procure 18 Mammography Units in Phase I and the rest under Phase II of the Programme.

2. The Project Director, Tamil Nadu Health Systems Project has stated that based on the opinion of technical experts, it has been decided to procure Mammography Unit with Computed Radiography System instead of conventional Mammography Unit and also to supply 30 numbers of Mammography Units with Computed Radiography System, which includes, 22 Government Secondary Care Hospitals and 8 Medical College Hospitals and 13 Computed Radiography Systems only for 13 Mammography Units at 13 Medical College Hospitals. He has also stated that the market cost of a Mammography Unit is approximately Rs.45.00 lakh that the cost of a Computed Radiography System is approximately Rs.20.00 lakh for Unit and that the estimated cost of procurement of the Mammography Units with Computed Radiography System will be Rs.1610.00 lakh. Taking in to account the amount of Rs.480.00 lakh already sanctioned in the G.O read above, the Project Director has proposed to sanction an additional amount of Rs.1130.00 lakh.

3. Accordingly, in view of urgency, the Project Director, Tamil Nadu Health Systems Project had circulated a proposal to the State Empowered Committee for sanction of an additional amount of Rs.1130.00 lakh towards supply of Mammography Unit with Computed Radiography System. The State Empowered Committee had approved the proposal. The Project Director has requested the Government to issue orders in the matter.

4. This activity has been approved by the World Bank and comes under Component II and Sub - Component B. The expenditure is eligible for reimbursement from the World Bank.

5. The Government, after careful consideration, accord sanction for incurring an additional expenditure of Rs.1130.00 lakh (Rupees Eleven Crore and Thirty Lakh only), over and above the expenditure of Rs.480.00 lakh already sanctioned in the G.O first read above, towards procurement of 30 numbers of Mammography Units with Computed Radiography System, which includes 22 Government Secondary Care Hospitals and 8 Medical College Hospitals and 13 Computed Radiography Systems only for 13 Mammography Units at 13 Medical College Hospitals.

6. The Project Director, Tamil Nadu Health Systems Project is permitted to procure the Mammography Units through the Tamil Nadu Medical Services Corporation by following the World Bank procurement procedures.

7. The expenditure sanctioned in para 5 above shall be debited to the following head of account:

"2210 - Medical and Public Health - 06. Public Health- 101 - Prevention and Control of Diseases - Scheme in the Twelfth Five Year Plan -II. State Plan - PA Pilot Testing of Non-Communicable Diseases under Health Systems Project - 19. Machinery and Equipments - 01. Purchase (DPC: 2210 06 101 PA 1917)".

8. The Project Director, Tamil Nadu Health Systems Project is permitted to transfer the amount of Rs.1130.00 lakh towards procurement of Mammography Units, to the Tamil Nadu Medical Services Corporation Limited by Cheque and credit it to the Public Deposit account of Tamil Nadu Medical Services Corporation Limited under the following head of account. "K. Deposits and Advances (b) - Deposits not bearing interest - 8443.00 Civil Deposits - 800. Other Deposits of Tamil Nadu Medical Services Corporation Limited (D.P. Code:8443 00 800 CE 000H (Receipts)".

9. The Managing Director, Tamil Nadu Medical Services Corporation Limited is permitted to procure the Units by calling for tenders by following World Bank Procurement procedure. The Managing Director, Tamil Nadu Medical Services Corporation is requested to supply the Mammography Units to the concerned Government Hospitals as per the list to be given by the Project Director, Tamil Nadu Health Systems Project and to settle the account with the Project Director, Tamil Nadu Health Systems Project after completing the work.

10. The expenditure sanctioned in para 5 above shall constitute an item of "New Instrument of Service" and the approval of legislature will be obtained in the course. Pending approval of legislature the expenditure will be initially met by an advance from the contingency fund. Order for sanction of advance from the contingency fund will be issued by the Finance (BG-I) Department. The Tamil Nadu Health Systems Project shall apply for sanction of advance from contingency fund for the amount required immediately in the prescribed format along with a copy of the orders to Finance (BG-I) Department.

11. The Project Director, Tamil Nadu Health Systems Project is permitted to increase / decrease the number of Units to be purchased and increase / decrease the number of Hospitals or change the Hospitals to be provided with these facilities based on need and requirement within the overall amount sanctioned.

12. This order issues with the concurrence of the State Empowered Committee constituted in G.O. (Ms) No.28, Health and Family Welfare Department, dated: 28.02.2005 and Finance Department, vide its U.O.No.10201/Health-II/2014, dated: 27.02.2014 and Additional Sanction Ledger No.62 (Sixty two).

ABSTRACT

Public Health and Preventive Medicine - Condemnation of disposable cold chain related items in the Primary Health Centres, Government Hospitals, Municipal Hospitals / Health Posts, Medical College Hospitals and in the Office of the Director of Public Health and Preventive Medicine – Orders -Issued.

HEALTH AND FAMILY WELFARE (EAPI-1) DEPARTMENT

G.O (Ms) No.191

Dated:27.06.2014
Thiruvalluvar Aandu – 2045
Jaya Aani –13

Read

- 1) G.O. (Ms) No.327, Health and Family Welfare Department, dated:19.12.2011.
- 2) From the Director of Public Health and Preventive Medicine, Chennai-6. Letter R.No. 092889/ Immn/ S4/ 2013, Dated: 05.12.2013.

ORDER:

In the G.O. 1st read above, guidelines were issued for condemnation and disposal of the equipments which are beyond repairable condition in the Government Medical Colleges, Government Hospitals, Taluk/ Non-Taluk Dispensaries, Hospitals and Primary Health Centres. However, the Cold Chain equipments have not been included in the purview of the said Government Order.

2. In the letter 2nd read above, the Director of Public Health and Preventive Medicine has stated that considerable numbers of Cold Chain equipments supplied by the Government of India over the years to all the Government Health and Medical Institutions have become worn out beyond repairable condition. These equipments will also have to be condemned and disposed off. The Director, has therefore, submitted the following proposal in consonance with the guidelines issued in the G.O. 1st read above for condemnation of cold chain equipments belonging to the Department of Public Health and Preventive Medicine. As these equipments have been supplied mainly by the Government of India, proceeds of their condemnation need to be remitted into the Government of India's account as envisaged in the Government of India, Ministry of Health and Family Welfare Letter No. Y.11030/ 1/ 2004- CC&V, dated: 11.07.2005, the Director has further stated that the guidelines may cover condemnation and disposal of the unserviceable cold chain equipments such as Walk-in-Cooler, Walk-in-Freezer, Cold Room, Ice Lined Refrigerators, Deep Freezers, Voltage Stabilizers, Generators, Cold Boxes, Vaccine Carriers, Day Carriers, Ice Packs and other cold chain related items available in the Office of the Director of Public Health and Preventive Medicine, Offices of the Deputy Director of Health Services in Districts, Primary Health Centres, Medical College Hospitals, Government Hospitals, Government Taluk and Non-Taluk Hospitals, Corporations, Municipal Hospitals, Urban Health Posts and Urban Primary Health Centres.

3053

a) **State Committee**

Condemnation Committee for cold chain equipments available in the Office of the Director of Public Health and Preventive Medicine may be constituted as below:

1. Joint Director of Public Health
(Immunization) - Chairman
2. Deputy Director (Administration) - Member
3. Cold Chain Officer - Member
4. Superintendent (Immunization) - Member
5. Refrigeration Mechanic - Technical Member

b) **District Committee**

Condemnation Committee for the cold chain equipments at the District level may be constituted as below:

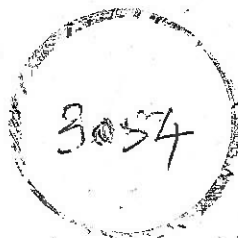

1. Deputy Director of Health Services - Chairman
2. Assistant Program Manager - Member
3. Administrative Officer - Member
4. Superintendent (Accounts) - Member
5. Refrigeration Mechanic - Technical Member

If the Technical Member in serial no. (5) is not available due to vacancy in a particular district, a Technical Member from any of the neighbouring Districts may be called.

c) **Identification of equipment to be condemned**

The Technical Member of the committee shall inspect the worn out cold chain equipments of the offices within the jurisdiction of the Committee in which he is the Technical Member and certify the unserviceable cold chain equipments for condemnation.

- d) All the Cold Chain equipments which are certified as unserviceable by the Technical Member shall be stored in the office of the Director of Public Health and Preventive Medicine/Deputy Directors of Health Services for necessary disposal by the Joint Directors of Public Health (Immunization)/ Deputy Directors of Health Services respectively.
- e) The Condemnation Committee shall meet as and when necessary and complete the condemnation of all the cold chain items at least once every month.

- f) List of unserviceable items certified by the Technical Member shall be placed before the Condemnation Committee by the Superintendent (Accounts) in case of Districts / Superintendent (Immunization) in case of Office of the Director of Public Health and Preventive Medicine. Chennai for orders.
- g) The Condemnation Committee shall record the reasons for condemnation specifically for each item and members shall sign thereto.
- h) The Condemnation Committees in the Health Unit Districts shall be vested with powers to decide on disposal of the condemned items, the original cost of which do not exceed Rs. 5 lakhs each. For items of value above Rs.5 lakhs, the Director of Public Health and Preventive Medicine shall be vested with powers to decide based on recommendations of the State Condemnation Committee.
- i) All the Cold Chain equipments to be condemned should be taken to General Disposal Register of the concerned office. The entries in the General Disposal Register should tally with the items condemned and written off in the respective main stock register of the cold chain equipments. The stock in the general disposal register shall be reduced as and when such items are disposed.
- j) Public Auction shall be conducted if the upset price is less than Rs.25,000/- in each auction. The Deputy Director of Health Services in case of Districts / Joint Director of Public Health (Immunization) in case of Office of the Director of Public Health and Preventive Medicine shall post-approve the auction sale as per G.O. (Ms) No.473, Health and Family Welfare (EAPI-1) Department, dated: 20.09.1996 and G.O. (Ms) No.327, Health and Family Welfare (EAP I-1) Department, dated: 19.12.2011.
- K) Limited Tender System shall be adopted if the value expected to be realised on disposal of the items condemned is less than Rs.10,00,000/- and the Deputy Director of Health Services in case of Districts / Joint Director of Public Health (Immunization) in case of Office of the Director of Public Health and Preventive Medicine Office can be vested with powers of finalising the limited tender based on highest bid value. In cases where the condemned items are expected to fetch more than Rs.10 lakhs as proceeds, the respective Deputy Director of Health Services in case of Districts / Joint Director of Public Health (Immunization) in case of Office of the Director of Public Health and Preventive Medicine shall finalize and award the Tender as per the Tamil Nadu Tender Transparency Act, 1996.
- L) Upset price for disposal of the condemned items shall be fixed locally by the District Committee in case of Districts / State Committee in case of Office of the Director of Public Health and Preventive Medicine.
- M) The money received through auction/tender shall be remitted into the Government of India's account under the Head of Account Grant No.900

Receipt Major Head "0211 - Family Welfare - 800-Other Receipt" as indicated in the Letter No. Y.11030/1/2004-CC&V, Government of India, Ministry of Health and Family Welfare dated: 11.07.2005.

3. As accumulation of old and worn out cold chain equipments are causing hardships in the maintenance and upkeep of cold chain and severe space constraints, the Director of Public Health and Preventive Medicine has requested to issue orders for condemnation of all the unserviceable stores and equipments of cold chain belonging to the Primary Health Centres, Government Hospitals, Municipal Hospitals / Health Posts, Medical College Hospitals and in the Office of the Director of Public Health and Preventive Medicine, Chennai - 6 following the above mentioned guidelines.

4. The Government after examination have decided to accept the proposal of the Director of Public Health and Preventive Medicine. Accordingly the Government approve the condemnation and disposal of all the unserviceable stores and equipments of cold chain belonging to the Primary Health Centres, Government Hospitals, Municipal Hospitals / Health Posts, Medical College Hospitals and in the Office of the Director of Public Health and Preventive Medicine, Chennai - 6 following the above guidelines mentioned in para 2 above .

6. This orders issues with the concurrence of Finance Department vide its U.O. No.31869/H-I/2014 dated: 18.06.2014.

3. G.O.(2D)No.119, Health and Family Welfare Department, dated 13.12.2012
4. From the Mission Director, State Health Society & Project Director, RCHP, Chennai-6, Letter No.6118/SHS/E/13, dated 17.04.2014

ORDER

The Mission Director, State Health Society has stated that in the Government Order first read above among the other posts, Six Assistant posts for Admin/ Programme wing & Three Assistants for Accounts wing have been sanctioned to State Health Society while formation of State Project Management Unit for implementation of State Rural Health Mission. These posts were filled up on deputation or under Foreign Service or on contract basis. The line departments are not in a position to depute the Assistants, since there is scarcity of Assistants in their Department themselves. Hence the sanctioned posts are filled up by engaging the services of retired Superintendents/ Assistants on contract basis. Initially, they have been paid Rs. 7000/- p.m. as per Government – Order second read above with 5% increase by 1st June of every year. Now they are being paid Rs.9750/-P.M. These contractual Assistants have represented that they have served for more than 4 years in the society with meager contractual pay. Based on their increased work load and

service rendered in the society, they have requested for enhancement of their salary on par with the Assistants working in Tamil Nadu Health System Project.

2. The Mission Director State Health Society has further stated that in the Government Order second read above sanction has been accorded that the monthly contractual pay for the post of Assistant working in the Tamil Nadu Health System Project fixed at Rs.12,100/- P.M with effect from 01.01.2012 and permitted to increase 5% of pay on first June of every year. To avoid variation in to pay of Assistants in various Projects, the Mission Director has recommended for the consolidated pay to the Assistants of State Health Society be increased on par with the Assistants working in the Tamil Nadu Health System Project i.e Rs.12,100/- P.M as on 01.01.2012 with a permission to increase 5% on first June of every year on par with Tamil Nadu Health System Project.

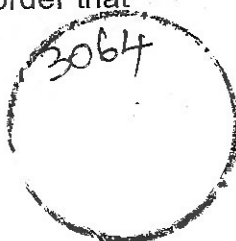

3. Further there is one sanctioned post of Administrative Officer in that society in which one retired Deputy Director (Admin) has been engaged on contract basis with a consolidated pay of Rs.15,000/- P.M. The post of Administrative Officer is responsible for the effective functioning of the office. Considering the present work load, the Mission Director has recommended to enhance the Salary of Administrative Officer from Rs. 15,000/- to Rs.20,000/- per month.

4. In order to cope up with the increase in the volume of work, three posts of Tally Assistants have been approved in 23rd E.C Meeting with the consolidated pay of Rs. 12,100/- P.M. on par with the salary now paid to Tally Assistants in Tamil Nadu Health System Project with effect from 01.01.2014.

5. Therefore the Mission Director, State Health Society has requested to issue orders on the following:-

- (i) To fix the consolidated pay to the existing Assistants placed in the sanctioned posts on par with the Assistants/ Tally Assistants working in the Tamil Nadu Health System Project at Rs.12,100/-P.M. with monetary benefit from 01.01.2014.
- (ii) To enhance the consolidated pay of the Administrative Officer from Rs.15,000/-P.M. to Rs.20,000/- P.M, considering the increased volume of work with monetary benefit from 01.01.2014.
- (iii) To sanction 5% increase in the contractual pay to the above personnel every year with effect from 01.01.2014
- (iv) To pay the arrears to the above personnel from the NRHM – SPMU – Administrative Cost.

6. The Government after careful consideration of the request of Mission Director, State Health Society hereby order that

- (i) The consolidated pay to the existing Assistants placed in the sanctioned posts on par with the Assistants/ Tally Assistants working in the Tamil Nadu Health System Project be fixed at Rs. 12,100/-P.M. with monetary benefit from 01.01.2014.
- (ii) The consolidated pay of the Administrative Officer be enhanced from Rs.15,000/-P.M. to Rs.20,000/- P.M, considering the increased volume of work with monetary benefit from 01.01.2014.
- (iii) 5% of the contractual pay to the above personnel shall be increased every year with effect from 01.01.2014.
- (iv) Arrears to the above personnel be paid from the NRHM - SPMU - Administrative Cost.

7. This order issues with the Concurrence of Finance Department vide its U.O.No. 45479/Health -I/14, dated : 22.08.2014.

5. From the Director of Medical Education, Chennai-10, letter No.83328/P&D 1 (1)/2013. Dated: 09.06.2014, addressed to Government.

ORDER:

In the letter first read above, the Project Director, Tamil Nadu Health Systems Project, has requested the Director of Medical Education, to convene a meeting with Deans and Head of the Departments Radiology of Madras Medical College, Stanley Medical College and Kilpauk Medical College, Chennai, Government Royapettah Hospital and officials from Tamil Nadu Medical Services Corporation Limited, Chennai with regard to the utilization of the 'Robotic Tool for CT guided Tumor ablation & Biopsy' a product of M/s. Perfint, Health Care Private limited, Chennai with the request to offer the remarks as to whether the said product are useful to the beneficiaries of Chief Minister's Comprehensive Health Insurance Scheme / General Public and also about the preferred method to procure the above products.

2. In the reference third read above, the Director of Medical Education has stated that a meeting was conducted at the Directorate on 11.03.2013 and the opinion was furnished to the Project Director, Tamil Nadu Health Systems Project

3075

that the 'Robotic Tool for CT guided Tumor ablation & Biopsy' the product of M/s. Perfint Health Care Pvt. Limited is a useful Robotic Tool biopsy. It will slightly reduce the time of biopsy / case, Even without robotic tool and it can be done manual biopsies. In difficult areas, where multiple angulations are needed it will be very useful than manual positioning it is useful to the beneficiaries of Chief Minister's Comprehensive Health Insurance Scheme / General Public. The Project Director, Tamil Nadu Health System Project, Chennai has sent the proposed draft specification of the products used for image guided procedures to the Director of Medical Education, to furnish the remarks in consultation with Head of the Departments and Deans of Medical Colleges. Again a meeting was conducted on 07.05.2013 at the Directorate of Medical Education to discuss about the specification for CT & PET CT guided planning and needle positioning system for tumor ablation. After the meeting the draft specifications of the products to be used for image guided procedure has been sent to the Project Director, Tamil Nadu Health System Project, Chennai.

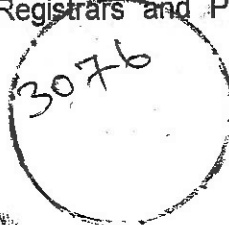

3. The Project Director, Tamil Nadu Health System Project in his letter dated 12.06.2013 has requested the Directorate of Medical Education to pursue further action in the matter for procurement of products for the Government Medical College Hospitals using Chief Minister's Comprehensive funds as per need. Accordingly, all the Heads of Medical Institutions under the control of the Directorate were requested to forward a detailed proposal for procurement of 'Robotic Tool for CT guided Tumor ablation & Biopsy' for Radiology Department of their Hospitals for taking a final decision.

4. The proposals were received from the 12 Deans of Government Medical Colleges as shown in the Annexure to this order.

5. The Deans of the said Government Medical Colleges have given detailed justification for the procurement of the proposal and stated that the cost of this system was Rs.90.00 lakhs and the cost approximate of kit used for each procedure was Rs.60,000/- (Radio Frequency ablation kit). Under Chief Minister Comprehensive Health Insurance Scheme, the reimbursement for each ablation procedure by the insurance company is approximately Rs.50,000/- and for the post management of the procedure is Rs.18,000/- is chargeable, from the insurance company which will fetch revenue to the Government Hospitals. The funds required for the purchase of this said 'Robotic Tool' will be met out from the funds available under Chief Minister's Comprehensive Health Insurance Scheme.

6. The Director of Medical Education, has further stated that the 'Robotic Tool for CT guided Tumor ablation & Biopsy' is recently installed at Tamil Nadu Multi Super Speciality Hospital at Omandurar Government Estate, Chennai at a cost of Rs.1,10,00,000/-. A beginning has been made in the treatment of a few patients, She has enclosed the purchase order of the same.

7. The Director of Medical Education has also stated that all the teaching hospitals requested for this equipment have well established Radiology departments with CT scanners, radiology faculty, Registrars and Postgraduate students who

routinely perform ultrasound guided procedure and a few CT guided procedures. When provided with this equipment, thereby inculcating such training to all radiologists of the Department feasibly and in turn they would be provided to perform complex and therapeutic and CT guided procedures in oncology and pain care. She has also stated that the major use of this equipment is to perform Tumor ablation procedure for Liver, Lung, Kidney, cancer as an effective alternative or where Surgery is not possible. Clinical Publications from various parts of world show that the survival rate of Ablation in liver is very close to surgery, whereas Tumor ablation is a minimally invasive procedure at a significantly lower cost and lower patient down time.

8. The Director of Medical Education, has also stated that currently the Medical institutions perform limited of Biopsy procedures mainly liver cases under Ultrasound Scanner and only a very few cases under CT Scanner. With the use of this equipment, Biopsies for all organs like Lung, Kidney, Liver, bone and other complex locations can be very safely performed under CT Scanner. This will enable early diagnosis and treatment of Cancer in these organs. Instead of sending patients from remote locations to where such experts are available, with this equipment the Radiologists can perform these procedures within the reach of patients. As these procedures are listed in the current Chief Minister's Comprehensive Health Insurance Scheme it will fetch revenue also.

9. The Director of Medical Education has further stated that there is no financial commitment for the Government in procurement of the Robotic Tool as the funds are available under Chief Minister's Comprehensive Health Insurance Scheme and she has therefore requested the Government to accord administrative sanction to procure and install the said 'Robotic Tool' for CT guided Tumor ablation and Biopsy' for the Radiology Departments of their respective Medical College Hospitals as shown in the Annexure to this order, through the Tamil Nadu Medical Service Corporation Limited, Chennai utilizing the Chief Minister's Comprehensive Health Insurance Scheme funds.

10. The Government, after careful consideration of the proposal of the Director of Medical Education, hereby accord administrative sanction to procure and install the 'Robotic Tool for CT guided Tumor ablation and Biopsy' for the use in the Radiology Departments of the twelve Government Medical College Hospitals as shown in the Annexure to this order at an approximate cost of Rs. 1,10,00,000/- (Rupees one Crore and ten lakhs only) per unit. Accordingly the Director of Medical Education is directed to mobilize the funds available under the Chief Minister's Comprehensive Health Insurance Scheme in consultation with Project Director, Tamil Nadu Health System Project and no additional Staff and additional funds (both recurring and non-recurring) will be provided for this proposal and it should be manned by the existing staff available in the respective hospitals in the future also. The Director of Medical Education is directed and to take necessary further action to procure and install the said 'Robotic Tool' through the Managing Director, Tamil Nadu Medical Service Corporation Limited, Chennai strictly in accordance with the procedures contained in the Tamil Nadu Transparency in Tenders Act, 1998 and

Tamil Nadu Transparency Rules, 2000 utilizing the funds of the Chief Minister's Comprehensive Health Insurance Scheme mobilised for the purpose.

11. The Director of Medical Education, Chennai-10 is also directed to send a detailed report to the Government as well as to the Project Director, Tamil Nadu Health Systems Project, Chennai-6 about the procurement, installation and the utilization of the product in due course.

12. This orders issues with the concurrence of Finance Department vide its U.O. No48502/Health-II/2014, dated:17.09.2014.

Read:

From the Project Director, Tamil Nadu Health Systems Project, Chenna-6,
Letter Ref.No.8977/ TNHSP/Ins/ 2013, dated: 30.07.2014.

ORDER:

The Project Director, Tamil Nadu Health Systems Project, that on behalf of the Joint Learning Network (JLN) for Universal Health Coverage (UHC), has stated that during a follow up workshop on the design of the self-assessment tool in April, 2014 in Manila, several country members expressed strong interest in applying the survey tool back in their home countries, which would allow them to self-assess their country's Universal Health Coverage – Primary Health Centre alignment.

The tool has a specific focus on the following:

- i. Priority setting in the country's or State's health policy agenda.
- ii. Financing policies (i.e., revenue generation).
- iii. Payment policies – determining what to pay for and how to pay providers.
- iv. Influencing the population's and providers' action through regulations and communications, and
- v. Monitoring and evaluation (including data sharing).

2. The Project Director, Tamil Nadu Health Systems Project has further stated that the Primary Healthcare self-assessment questionnaire includes questions targeted to different actors, including, the Department of Health and Family Welfare, the Health Insurance Scheme (S), providers (Public and Private), and the Department of Finance. The piloting of this survey tool will also involve other agencies and organizations, including but not limited to health and development NGOs, the media and Government bodies in water and social development and at the local level. In addition to providing structured information to the state, this would also help the Joint Learning Network – Primary Health Centre initiative to refine the questionnaire for the future. Any technical and financial support will be provided to

facilitate the piloting of the tool including funds to hire local consultant if needed in the administration of the tool. There is no financial commitment to Government of Tamil Nadu and the results will not be shared outside without permission from Government of Tamil Nadu / Tamil Nadu Health Systems Project – Chief Minister's Comprehensive Health Insurance Scheme Tamil Nadu.

3. The Project Director, Tamil Nadu Health Systems Project has therefore requested to permit the Joint Learning Network – Country Core Group / Tamil Nadu Health Systems Project – Chief Minister's Comprehensive Health Insurance Scheme Tamil Nadu to undertake self-assessment tool work with financial and technical support from Joint Learning Network.

4. The Government after careful consideration has decided to accept the request of the Project Director, Tamil Nadu Health Systems Project and to permit the Joint Learning Network – Country Core Group / Tamil Nadu Health Systems Project – Chief Minister's Comprehensive Health Insurance Scheme Tamil Nadu to undertake self-assessment tool work with financial and technical support from Joint Learning Network. ORDER:

In the Government order first read above, the Government have accorded sanction for a non-recurring expenditure of Rs. 501.55 lakh towards hiring a Consultancy Firm to develop and implement a Comprehensive Health Management Information System (HMIS) Software in all the secondary level hospitals in the State. In the Government order second read above, the Government revalidated the orders issued in the Government order first read above. In the Government order third read above, the Government, among others, accorded sanction for incurring an

expenditure of Rs. 474 lakh towards payment to M/s. Tata Consultancy Services for designing, developing and implementing Health Management Information Systems in hospitals under the control of Director of Medical Education, Office of the Director of Medical Education, along with the development and implementation of College Management Software for 19 Government Medical Colleges and Tamil Nadu Dr. MGR Medical University and providing application maintenance for a period of 3 years for the Phase I, Phase II and Phase III Health Management Information Systems. In the G.O. fourth read above, sanction has been accorded for implementation of Non-Communicable Diseases Intervention program in all the districts in Tamil Nadu.

2. The Project Director, Tamil Nadu Health Systems Project has reported in his letter dated:09.08.2014 that initially when the application was developed, the software stack used was Solaris Operating System, SUN Java web, server, Glassfish application server and PostgreSQL database, when the entire software stack was open source which allowed Tamil Nadu Health Systems Project to use it by downloading, free of cost and that Health Management Information Systems being a mission critical activity, the support for the software stack was alone procured, so as to resolve any issue that may arise during the use of the software stack for Health Management Information Systems application. The Project Director has further reported that the firm which provided support for the Solaris, SUN webserver & Glassfish was taken over by a proprietary firm, M/s. Oracle, which had recently informed that they will only support their proprietary software on their hardware and will not continue to support the open source software, that this necessarily will lead to vendor lock-in for both hardware and software components, that the firm also recently announced that it would not commercially support newer versions of Glassfish application server, that during the recent Phase III server tender, the cost quoted was exorbitantly high due to monopoly of the proprietary firm and that hence it was decided to move the Health Management Information Systems to a more openly supported software stack that will attract many bidders. He has also reported that a Committee was constituted under the chairmanship of Managing Director, ELCOT and including members from ELCOT, National Informatic Centre – Tamil Nadu State Data Centre, Tamil Nadu Health Systems Project, M/s Tata Consultancy Services & M/s Wipro- Tamil Nadu State Data Centre and in the meeting of the Committee held on 23 December, 2013, it was agreed to the proposal of Health Management Information Systems application vendor to migrate a portion of Health Management Information Systems, which includes Management Information System, College Management System and Government Medical College Websites to open source Linux, Tomcat, JBOSS and PostgreSQL, which would give an option to float a tender with technical specifications that will attract more competitive bidders to participate. He has also reported that the migration to a more openly supported software stack was also approved by World Bank and that it was also decided that once the initial MIS/CMS/website migration is stabilized, Hospital Management System will also be migrated to the more openly supported software & hardware stack.

3. The Project Director has also reported that under the existing Health Management Information Systems activities, the Tata Consultancy Services had developed the Non Communicable Diseases online screens which are very

important element for facilitating online data entry and analysis, which are also to be revised, for which payment has to be made to M/S Tata Consultancy Services.

4. The Project Director has also reported that the Health Management Information Systems (HMS/MIS/CMS/website) screens & modules developed under Health Management Information Systems Phase I & Phase III are based on the SRS document approved by the Tamil Nadu Health Systems Project. The change requests are being frequently submitted by various end users and officials. The change request consuming an effort of less than 3 man-days are covered under the existing contract and that the change request consuming more than 3 man-days are to be considered as an additional requirement and to be covered under a separate contract, for which payment has to be made.

5. For the above purposes, the Project Director, Tamil Nadu Health Systems Project had placed a proposal before the State Empowered Committee in the meeting held on 01.08.2014 for sanction of an additional amount of Rs. 49,88,784 for the following activities mentioned below:-

S.No	Description	Cost in Rs.
1	Migration of MIS / CMS / websites to more openly supported software & hardware stack	25,00,000
2	Modification of NCD online Screens	4,50,000
3	Management of Change request on HMIS (HMS/MIS/CMS/website) by end users & officials	14,90,000
4	Service Tax @ 12.36%	5,48,784
	Total	49,88,784

The proposal with the above cost details was placed before the State Empowered Committee for its approval for the following:-

- To sanction approval for migrating Management Information System / College Management System and Government Medical College Websites to Linux, Tomcat, JBOSS and PostgreSQL
- To sanction approval for management of Change request for Health Management Information System (HMIS/MIS/CMS/Website)
- To accord permission for the revision of Non Communicable Diseases online screens.
- To sanction Rs.49,88, 784/- (Rupees Forty Nine Lakh Eighty Eight Thousand Seven Hundred and Eighty Four only) towards the payment for the consultant for carrying out the activities of migration of Management Information System, College Management System, Website , revision of Non Communicable Diseases Screens and Change management of Health Management Information System.

3091

- e) To permit the Project Director, Tamil Nadu Health Systems Project to enter into a contract with M/s Tata Consultancy Service by way of Single Source Selection process for the above purpose.
- f) The Justifications principally agreed by World Bank for Single Source Selection process for the migration and change management proposal are as follows:-
 - i. The Migrating the Management Information System /College Management System / Websites, modification of Non Communicable Diseases screens and management of changes request is a nature continuation of previous software development carried out by the firm
 - ii. Continuity in the technical approach, experience acquired and continued professional liability of the same Consultant is preferable than a new competition as the consultant performance in the previous assignment is satisfactory.

6. The State Empowered Committee had approved the proposal.

7. This activity has been approved by the World Bank and comes under Component III and Sub-component A. The expenditure is eligible for reimbursement from the World Bank.

8. The Government after careful consideration of the proposal of the Project Director, Tamil Nadu Health Systems Project, hereby accord sanction for incurring an expenditure of Rs.49,88,784.00 (Rupees Forty Nine Lakh Eighty Eight Thousand Seven Hundred and Eighty Four only) to carry out the activities mentioned at para 5 above, as approved by the State Empowered Committee.

9. Accordingly, the Project Director, Tamil Nadu Health Systems Project, is permitted to enter into a contract with M/s. Tata Consultancy Services by way of Single Source Selection process for the above purpose

10. He is also permitted to make payment of Rs. 49,88,784/- (Rupees Forty Nine Lakh Eighty Eight Thousand Seven Hundred and Eighty Four only) for the application Vendor / consultant and also to make payment towards all necessary statutory taxes viz. Sales Tax, VAT, Service Tax etc. Any modifications made subsequently in the statutory taxes will also be borne by the State Government.

11. The Project Director, Tamil Nadu Health Systems Project is further permitted to increase / decrease the number of equipment to be purchased and increase / decrease the number of hospitals or change the hospitals to be provided with these facilities based on need and requirement within the overall amount sanctioned and he is also permitted to reallocate the non-recurrent cost within and across the components / equipment without exceeding the total amount sanctioned.

12. The expenditure sanctioned in para 8 above shall be debited to the following head of account:

"2210- Medical and Public Health – 01 – Urban Health Services – Allopathy – 800 Other Expenditures – Schemes in the Twelfth Five Year Plan- II State Plan – PA. Tamil Nadu Health Systems Society – 09. Grants – in –Aid – 03. Grants for Specific Schemes" (DPC: 2210-01-800-PA 0939)

13. This order issues with the concurrence of the State Empowered Committee constituted in G.O. (Ms).No.28, Health and Family Welfare Department, dated 28.02.2005 and Finance Department vide its U.O.No.49890/H-II/2014 dated: 01.10.2014.

Read also:

From the Project Director, Tamil Nadu Health Systems Project, Letter No.06169/ E1 / HSP /2013 dated:09.08.2014.

ORDER:

The Government of Tamil Nadu has established Bio Medical Waste Management System in all 270 Secondary Care Government hospitals, 41 Medical College hospitals and hospitals attached to Medical Colleges and 130 upgraded Primary Health Centres in the year 2008. All Health Care Providers in these institutions have been trained in the principles and practice of Bio Medical Waste Management namely segregation of the waste at the source of generation, transportation to the Bio Medical Waste Storage room, collection of waste by the Common Treatment Facility (CTF) operator and end disposal at the Common Treatment Facility. The Government had permitted contracting of 9 private Common Treatment Facility operators to collect the waste at the facility level, transport and dispose them of at their Common Treatment Facility. The contract was facilitated by the Tamil Nadu Medical Service Corporation. Since then the system is in place and is working well. However the Health Care Providers and other workers in the hospitals and PHCs need to be trained and re trained regularly in respect of new entrants and for existing workers respectively. As there is a shortage of free lance trainers for Bio Medical Waste Management, the Government as per the Government Order referred above had permitted Tamil Nadu Health Systems Project (TNHSP) to establish Regional Training Centres on Bio Medical Waste Management in 7 Government Medical Colleges and Two Private Medical Colleges.

2. In the reference cited, the Project Director, Tamil Nadu Health Systems Project has reported that so far 41,868 health care providers have been given training on the implementation of Bio Medical Waste Management and that about 25,000 persons are yet to be trained and that now it has been proposed to impart training on Infection Control practices also. For this purpose, the Project Director, Tamil Nadu Health Systems Project placed a proposal before the State Empowered Committee in the meeting held on 01.08.2014 for sanction of Rs. 1,18,12,500 (Rupees one crore eighteen lakh twelve thousand and five hundred only) for imparting of training to the health care providers on the practices of Infection Control and Bio Medical Waste Management in Government Hospitals. The State Empowered Committee had approved the proposal, and accordingly, the Project Director has requested the Government to issue orders in the matter.

3. This activity has been approved by the World Bank and comes under Component III and Sub-component C and the expenditure is eligible for reimbursement from the World Bank.

4. The Government after careful consideration accord sanction for incurring an expenditure of Rs. 1,18,12,500 (Rupees One crore eighteen lakh twelve thousand and five hundred only) for imparting of training to the health care providers on the practices of Infection Control and Bio Medical Waste Management in Government Hospitals, as detailed below:

S.No	Activity	Unit Cost (Rs.)	Total Units	Total Cost (Rs)
1.	Training of Health Care Providers and Health Workers	17,700 per batch	625 batches	1,10,62,500
2.	Infection Control and Bio Medical Waste Management hand book in English	25	15,000 books	3,75,000
3.	Infection Control and Bio Medical Waste Management hand book in Tamil	25	15,000 books	3,75,000
Total				1,18,12,500

5. The break up details for the course fee are indicated in the Annexure to this order.

6. The Project Director Tamil Nadu Health Systems Project is permitted to print the above training modules by following World Bank Procurement Procedures and distribute the printed manuals to the Regional Training Centres as per their need. The Project Director is also permitted to incur any excess expenditure in printing up to 20 percent of the proposed cost per manual without coming to the State Empowered Committee for ratification.

7. The Project Director Tamil Nadu Health Systems Project is permitted to transfer the training course fees to the Regional Training Centres periodically as per their demand based on the number of estimated trainees. While sending the training course fees, the cost of training manuals shall be deducted.

8. The Project Director Tamil Nadu Health Systems Project is also permitted to reallocate the non recurring expenditure without exceeding the total cost sanctioned.

9. The expenditure sanctioned in para 4 above shall be debited to the following head of account:

From the Project Director, Tamil Nadu Health Systems Project, Letter No. 6557/TNHSP/Ins/ 2011, Dated. 22.07.2014.

ORDER:

The Project Director, Tamil Nadu Health Systems Project in his letter read above has stated that Thiru M.Venkatesan, Saidapet, Chennai-15, has requested financial assistance for the Cochlear Implantation Surgery to his son Master. Hemanth, aged 7 $\frac{1}{2}$ years.

2. Master Hemanth, aged 7 $\frac{1}{2}$ years has been medically approved for Implantation Surgery as per the letter of ENT Surgeon who advised Cochlear Implantation for the right ear. Master Hemanth, has profound hearing loss in the right ear and severe hearing loss in the left ear and both sides hearing loss is progressive and considering that he has good spoken language V.Hemanth would qualify as a fit candidate for Cochlear Implant right side despite his age.

3. The Project Director, Tamil Nadu Health Systems Project has further stated that the technical committee constituted for the approval of beneficiaries for surgeries of high end procedures (Renal Transplantation, Liver Transplantation, Cochlear Implantation, Stem Cell Transplantation and Bone Marrow Transplantation) under Chief Minister's Comprehensive Health Insurance Scheme has also given approval in respect of Master Hemanth. The above patient is not a beneficiary under Chief Minister's Comprehensive Health Insurance Scheme and as such this case cannot be considered for meeting the surgery cost from the Corpus fund created for the beneficiaries of Chief Minister's Comprehensive Health Insurance Scheme. Thiru M.Venkatesan, father of Master. Hemanth is a Government Servant and therefore the Project Director, Tamil Nadu Health Systems Project has submitted this case to Government, for consideration, as a special case.

4. The Government, after careful consideration has decided to accept the proposal of the Project Director, Tamil Nadu Health Systems Project. Accordingly sanction is accorded to incur the cost of the Cochlear Implantation Surgery of Master Hemanth S/o M.Venkatesan, Saidapet, Chennai-15 up to Rs.4.00 Lakh from New Health Insurance Scheme and rest of the amount from the Corpus Fund of Chief Minister's Comprehensive Health Insurance Scheme as a special case.

5. This orders issues with the concurrence of Finance Department vide its U.O. No.54631/H-II/2014, dated:13.10.2014.

In all the 3 cases, the Government permitted the Project Director, Tamil Nadu Health Systems Project to extend the services of the Consultant already hired towards Information Education and Communication/Behaviour Change Communication Activities of Tamil Nadu Health Systems Project for Mass media (Telecasting / Broadcasting of Television commercials/Radio Spots), as per procedures and approval of World Bank, to carry out the activities.

5. The Project Director, Tamil Nadu Health Systems Project, in the reference cited, has reported that the World Bank had given no objection for carrying out the activity for mass media activities (Telecasting/Broadcasting of Television commercials/Radio spots in Television / Radio channels) however, instructed to execute a "new contract on single source selection basis" with the consultant already hired towards Information Education and Communication/Behaviour Change Communication activities of Tamil Nadu Health Systems Project for mass media (Telecasting/Broadcasting of Television commercials/Radio spots) for deployment of Television commercials / broadcasting of radio spots" as per an agreed media plan. The Project Director has reported that in view of the remarks of the World Bank, a new contract on "Single Source Selection" basis was signed with the consultant already hired towards Information Education and Communication / Behaviour Change Communication activities of Tamil Nadu Health Systems Project for Mass media (Telecasting / Broadcasting of Television commercials / Radio spots) for deployment of Television commercials / broadcasting of radio spots" as per an agreed media plan for 121 days instead of to "extend the services of the Consultant firm already hired towards Information Education and Communication / Behaviour Change Communication activities of Tamil Nadu Health Systems Project for mass media (Telecasting/Broadcasting of Television Commercials/Radio spots)", as ordered in the Government orders read above, in anticipation of approval of the Government.

6. The Project Director, Tamil Nadu Health Systems Project had therefore placed a proposal before the State Empowered Committee in the meeting held on 01.08.2014 to ratify the action of having executed a new contract on Single Source Selection Basis with the Consultant already hired instead of extending the services of the Consultant firm already hired. The State Empowered Committee had approved the proposal and accordingly, the Project Director has requested the Government to issue orders in the matter.

7. The Government, after careful consideration, permit the Project Director, Tamil Nadu Health Systems Project to execute a "new contract on Single Source Selection basis" with the consultant already hired towards Information Education and Communication / Behaviour Change Communication activities of Tamil Nadu Health Systems Project for Mass media (Telecasting / Broadcasting of Television commercials / Radio spots) for deployment of Television commercials / broadcasting of radio spots" as per an agreed media plan for 121 days at a cost not exceeding INR 10,60,00,001(inclusive of all taxes), (Rupees Ten Crores sixty lakhs and one

rupee only) instead of to " extend the services of the Consultant firm already hired towards Information Education and Communication / Behaviour Change Communication activities of Tamil Nadu Health Systems Project for mass media (Telecasting/Broadcasting of Television Commercials/Radio spots)", as ordered in the Government orders read above.

8. The action of the Project Director, Tamil Nadu Health Systems Project, in having executed the contract in anticipation of approval of the Government is ratified.

9. This order issues with the concurrence of the State Empowered Committee constituted in G.O. (Ms).No.28, Health and Family Welfare Department, dated 28.02.2005 and Finance Department vide its U.O.No.49841/H-II/2014 dated:13.10.2014.

ABSTRACT

Tamil Nadu Health Systems Project – Staff Nurses Working in Project Hospitals and Primary Health Centres – Enhancement of Contract Salary – Orders -Issued.

HEALTH AND FAMILY WELFARE (EAPI-1) DEPARTMENT

G.O (Ms) No.322

Dated:17.10.2014
Thiruvalluvar Aandu – 2045
Jaya Puratasi – 31

Read:

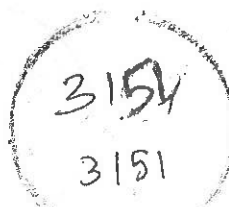

- 1) G.O.(Ms) No.72, Health and Family Welfare Department dated:10.04.2013.
2) G.O. (Ms) No.312, Health and Family Welfare Department, dated: 26.12.2013.
3) From the Project Director, Tamil Nadu Health Systems Project, Letter No.10568/ E1/ HSP/2013, dated: 02.12.2013.

ORDER:

The Project Director, Tamil Nadu Health Systems Project in his letter third read above has stated that under the Tamil Nadu Health Systems Project, 3740 posts of Staff Nurses on contract basis have been created in the Government Hospitals, Municipal Hospitals and Primary Health Centres.

2. In the G.O. first read above, the monthly contract payment of the Staff Nurses was increased from Rs.4000/- to Rs.7000/- for the first year, from Rs.4500/- to Rs.7500/- for the second year and from Rs.5500/- to Rs.8000/- from the third year onwards with effect from 1st April 2012 on par with the pay of the contract Staff Nurses appointed under the National Rural Health Mission.

3. In the G.O. second read above, orders have been issued that all the contractual Staff Nurses placed under National Rural Health Mission under various schemes in the State shall be given an entry level contractual pay of Rs.7700 per month from the existing pay of Rs.7000 per month with an annual increase of Rs.500 per month every year till they are regularized in the case of Staff Nurses appointed by Director of Medical and Rural Health Services or till they move out for better opportunities in the case of staff nurses appointed through outsourcing.

p.E.o

4. The Project Director, Tamil Nadu Health Systems Project has stated that as the contract Staff Nurses have been recruited from the common seniority list maintained by the Director of Medical and Rural Health Services, the increase in contract pay of the Staff Nurses appointed under the National Rural Health Mission may lead to disparity among the contractual Staff Nurses working in the same institution within the same department with similar nature of duties. The Project Director, Tamil Nadu Health Systems Project, has requested that all the contractual Staff Nurses appointed under the Tamil Nadu Health Systems Project to work in the Comprehensive Emergency Obstetric and New Born Care Centres, Project Hospitals, Non Communicable Diseases Prevention and Treatment Programme in the Government Hospitals and Primary Health Centres, may be allowed an entry level contractual salary of Rs.7,700/-per month with an annual increase of Rs.500/- per month every year till they are regularized both in the case of Staff Nurses appointed through the Director of Medical and Rural Health Services and Medical Recruitment Board till they move out for better opportunities as in the case of Staff Nurses placed through Outsourcing on par with Staff Nurses working under the National Rural Health Mission. The difference between the old contract pay and the enhanced contract pay of 562 Staff Nurses working in the Comprehensive Emergency Obstetric and New Born Care Centres and 746 Staff Nurses sanctioned for the Tamil Nadu Health Systems Project Hospitals will be met from the State Government funds. As regard the remaining 2432 Staff Nurses sanctioned under the Non Communicable Diseases Programme, the enhanced contract payment upto 30.09.2014 will be met from the Tamil Nadu Health Systems Project funds. For the period beyond 30.09.2014, i.e. closure of Tamil Nadu Health Systems Project, the expenditure may be met from Government funds.

5. The Project Director has therefore requested the Government to issue orders to enhance the monthly contract payment of the contractual Staff Nurses, with effect from the 01.04.2013, from which date the contract pay of the National Rural Health Mission Staff Nurse was ordered to increase in G.O.(Ms)No.312, H&FW Department, dated: 26.12.2013.

6. The Government after careful consideration has decided to accept the proposal of the Project Director, Tamil Nadu Health Systems Project and direct that the pay of the Contract Staff Nurses appointed under the Tamil Nadu Health Systems Project be enhanced from Rs.7000/- to Rs.7700/- per month with an annual increase of Rs.500/- per month with effect from 1st April 2013 every year, on par with the National Rural Health Mission Staff Nurses. The expenditure towards the 1308 Contract Staff Nurses working in the Comprehensive Emergency Obstetric and New Born Care Centres and the Tamil Nadu Health Systems Project Hospitals will be met from out of Government funds. As regards the remaining 2432 Staff Nurses sanctioned under the Non Communicable Diseases Programme, the enhanced contract payment upto 30.09.2014 will be met out from the Tamil Nadu Health Systems Project funds and for the period beyond 30.09.2014 will be met out from the State Government funds.

p.t.o.

7. This order issues with the concurrence of the Finance Department vide its U.O. No.54299/H-II/2014, dated:13.10.2014.

- 3) From the Project Director, Tamil Nadu Health Systems Project, Letter No. 2985/ TNHSP/Ins/2013, Dated.: 20.03.2014

ORDER:

The Project Director, Tamil Nadu Health Systems Project in his letter third read above has stated that the State Health Insurance Unit has been setup in the office of the Project Director, Tamil Nadu Health System Project and it is functioning for implementation of the Chief Minister's Comprehensive Health Insurance scheme. In the G.O. first read above, the following staff have been sanctioned to the State Health Insurance Unit to attend the works relating to the Insurance Scheme along with two vehicles for this Unit:

Sl. No	Name of post	Number of Posts
1	District Revenue Officer	1
2	Medical Officer / Deputy Director	2
3	Superintendent	1
4	Assistant	1
5	Typist / Stenographer	1
6	Office Assistant	2

In the G.O. second read above, the following additional staff have been sanctioned to the State Health Insurance Unit to administer the Chief Minister's Comprehensive Health Insurance Scheme:

Read:

From the Project Director, Tamil Nadu Health Systems Project, Letter Ref.No.7006/ TNHSP/ TN-EMRI/SPC/2013, dated: 01.09.2013.

ORDER:

The Project Director, Tamil Nadu Health Systems Project in his letter read above has stated that it is proposed to establish 24 hours Comprehensive Emergency Orthopaedic and Trauma Care Services in all the District Headquarters Hospitals and Major Taluk Hospitals situated in the National and Major State Highways. The already functioning 14 Trauma Care Centres established with Government of India's assistance will also be included under this scheme. The list of hospitals where these services are to be established is given in Annexure- I(a) to this order. The Trauma Care Centres functioning in Medical College Hospitals are enlisted in Annexure –I(b) The Trauma Care Centres will be classified as Level III, Level II and Level I as per the criteria developed under the Government of India Scheme. The Bed Strength will be 12, 24 and 36 for Level III, II and I respectively.

3. The Project Director, Tamil Nadu Health Systems Project, has also stated that Trauma Care Services in the Medical College Hospitals will be functioning with the existing building and with available equipment. For the establishment of New Trauma Care Centre, the building and equipment norms have been developed for the Trauma Care Centres, as shown in Annexure II & III to this order. The Project Director, Tamil Nadu Health Systems Project has further stated as follows:-

- i. Where there is deficiency of building / equipment, in any of the Hospital, they will be provided by the regular allotment of funds under the National Rural Health Mission.

- ii. When ever maintenance and repair works are required in the existing Hospitals such works shall be executed out of Maintenance and Repair funds allotted from the Directorate of Medical and Rural Health Services.
- iii. The hospitals under the administrative control of Director of Medical Education will get funds from out of Director of Medical Education's Maintenance and Repair expenditure funds.

4. The Project Director, Tamil Nadu Health Systems Project, has furnished the list of staff requirement of 61 various categories for the Trauma Care Centres as shown in Annexure-IV and their skill sets as shown in Annexure-V respectively to this Order. He has also stated that there shall be a minimum of 4 Orthopaedic Surgeons, 2 Anaesthetists, 2 General Surgeons and 4 General MBBS doctors (for Casualty) in each Trauma Care Centre so that round the clock availability of Orthopaedic Surgeon within the Hospital campus is ensured. The General Surgeon and Anaesthetists may be on call duty. The Orthopaedic Surgeons shall perform shift duties in rotation in 3 shifts each day. The Services of other Specialists like Neuro Surgeon, Cardio Thoracic Surgeon, Urologist, etc., can be availed by hiring the services on case to case basis. The fees shall be paid out of the National Rural Health Mission funds for specialist services. The Orthopaedic Surgeons, General Surgeons and Anesthetists required for the Trauma Care Centres shall be redeployed from other smaller hospitals / Primary Health Centres within the district where their services are not optimally utilized.

5. The Project Director, Tamil-Nadu Health Systems Project, has stated that all Trauma Care Centres shall have a functioning Blood Bank with license and proper staff like trained Doctor, Staff Nurses and Lab Technicians who shall be available as per the staff norms which is shown in Annexure IV to this order.

6. The Project Director, Tamil Nadu Health Systems Project, has stated that there shall be no referral out patients in the centre except for very major cases involving Neuro Surgery, Major Thoracic Surgery, Cardiac cases, those requiring dialysis etc. However, no patient shall be transferred out for want of Blood or Medicines. It is proposed that the web based Hospital Management System and Health Management Information System will be employed for recording and reporting. Computers supply and LAN Connectivity etc., shall be provided by the Tamil Nadu Health Systems Project (TNHSP) as per the overall plan for the Hospital concerned.

7. The Project Director, Tamil Nadu Health Systems Project, has further stated that one Advanced Life Support (ALS) vehicle from 108 Emergency Ambulance Services will be stationed in each Trauma Care Centre to transport the patient requiring referral out to the Medical College Hospitals. The 108 emergency ambulance service functioning in the districts and adjoining places shall work in close coordination with these centers. The Trauma Care Centers will be connected to a proper capacity generator to cater to the whole centre in times of need.

8. The Project Director, Tamil Nadu Health Systems Project, has stated that the training programmes will be conducted by the Tamil Nadu Health Systems

3188

Project and the National Rural Health Mission for improving the skills of the Orthopaedic Surgeons, General Surgeons, Anesthetists and Staff Nurses, etc. A regular training Programme on Trauma Care for Doctors and Staff Nurses will be developed and they will be trained periodically.

9. The Project Director, Tamil Nadu Health Systems Project, has further stated that sensitization of the District Level Health Administrators like Joint Director of Medical and Rural Health Services, Deputy Director of Health Services, District Managers of 108 Emergency Ambulance Services, etc., will be carried out at the State level / Regional level on the functioning of Trauma Care Centres. The Hospital Superintendent and Chief Medical Officers of the Primary Health Centres will be sensitized at the district level regarding the availability of Trauma Care Services. The Certifying Teams will also be included in the Sensitization Programme. The funds required for the Sensitization Meetings shall be met out of the National Rural Health Mission funds.

10. The Project Director, Tamil Nadu Health Systems Project, has stated that the Trauma Care Centres shall be certified as fit to be a 24 Hours Comprehensive Emergency Orthopaedic and Trauma Care Centre by a Team of Specialists consisting of one Professor of Orthopaedic Surgery, one Professor of General Surgery and one Professor / Assistant Professor of Anesthesia. They will visit the hospital, inspect the various facilities available in the Trauma Care Centres, Staff available and their skills based on the Certification criteria which as shown in Annexure VI to this order. On satisfactory report of the Certification Team, the Government will grant Certification of the concerned Trauma Care Centres which will be valid for two years. Every two years, the same exercise shall be repeated and recertification shall be done. The expenditure for conveyance of the Certification Team, Resource person fee and other expenditure shall be met out of the National Rural Health Mission funds:-

- Periodical Reports on performance, Staff and any requirement as per the proforma given in the Annexure-VII to this order shall be submitted online to the Project Director, Tamil Nadu Health Systems Project and to the Director of Medical and Rural Health Services regularly.
- The functioning of the 24 Hours Comprehensive Emergency Orthopaedic and Trauma Care Centres will be reviewed periodically either through Video Conferencing or by State level / Regional level review meetings to be conducted by the Project Director, Tamil Nadu Health Systems Project and the Director of Medical and Rural Health Services. The expenditure towards the meeting shall be met out of the National Rural Health Mission / Tamil Nadu Health Systems Project funds for Review Meetings.
- The functioning of the 24 Hours Comprehensive Emergency Orthopaedic and Trauma Care Centres will be inspected periodically by the Joint Director of Health Services, Regional Consultants and District Project Management Unit Co-ordinators of Tamil Nadu Health Systems Project and the State level officers from the Director of Medical and Rural Health Services and Tamil Nadu Health Systems Project.

- A Display Board shall be kept in front of the hospital depicting 24 Hours Comprehensive Emergency Orthopaedic and Trauma Care Centre in Tamil. The board shall not be lesser than 6 feet X 4 feet size. The board shall be painted in Enamel paint. The expenditure towards the meeting shall be met out of the Patient Welfare Society funds.

- One Nodal Officer each in the Directorate of Medical Education, Directorate of Medical and Rural Health Services, National Rural Health Mission and Tamil Nadu Health System Project will be designated to monitor the activities of the Trauma Care Centres in their respective departments. They will report to the Project Director, Tamil Nadu Health Systems Project who will be the State Level Implementing Officer.

11. The Project Director, Tamil Nadu Health Systems Project has stated that some hospitals / upgraded Primary Health Centres will be designated as Stabilization Centres to receive the accident victims and to provide adequate resuscitation and stabilize the patients and make them fit for travel. These Stabilization Centres have been selected depending upon the distance from the accident spot to the appropriate hospital.

12. The Project Director, Tamil Nadu Health System Project has stated that the Hospital Superintendents concerned will work out the requirement in terms of building, equipment, staff and consumables on their own and based on the findings of the certifying Teams the total cost involved will be arrived at. The funds be provided out of National Rural Health Mission funds or through Government budget subsequently.

13. The Project Director, Tamil Nadu Health Systems Project has requested to approve the above proposal and issue suitable orders on the following:

- To Establish 24 Hours Comprehensive Emergency Orthopaedic and Trauma Care Centres in 59 hospitals, the details of which given under Annexure I(a) & I(b).
- To nominate the Project Director, Tamil Nadu Health Systems Project as the Nodal Officer along with Director of Medical and Rural Health Services and Director of Medical Education for monitoring this program and to nominate the Tamil Nadu Health Systems Project as the Nodal Department and also to permit him to proceed to get these centres certified. The expenditure to be incurred for the Certification Team's visit may be met out of the Tamil Nadu Health Systems Project / National Rural Health Mission funds.
- The Sensitization workshops may be conducted by the Tamil Nadu Health Systems Project by utilizing Tamil Nadu Health Systems Project / National Rural Health Mission funds

14. After careful examination, the Government accept the proposal of Project Director, Tamil Nadu Health Systems Project and have ordered,

3190

- i. To Establish 24 Hours Comprehensive Emergency Orthopaedic and Trauma Care Centres in 59 hospitals, the details of which given under Annexure I(a) & I(b) to this order.

at a total project cost of Rs. 627.72 crore for implementing certain ongoing schemes and additional schemes and the Project period was extended for a period of 3 years from 01.10.2010 to 30.09.2013

2. The Project Director, Tamil Nadu Health Systems Project in the reference read above has reported that since certain important programmes of the project namely Non Communicable Disease prevention and control and Health Management Information System including Hospital Management System, Medical College and Medical University Management Systems had not been implemented fully and since certain programmes initiated by the project have to be fully integrated with the Department of Medical and Rural Health Services, a "no additional cost extension of the project period for one year with effect from 01.10.2013 to 30.09.2014" was sanctioned by the Government.

3. The Project Director, Tamil Nadu Health Systems Project has further reported that during the course of the implementation of the project activities in 2013-14, the scope of certain activities have been enlarged, like extension of the implementation of web based Health Management Information System to all tertiary care hospitals instead of 8 hospitals as originally planned, that in the Non Communicable Disease Programme which has been scaled up to the entire State, the online screens are being introduced for better capturing of data and for monitoring and evaluation purposes and that certain routine programmes like CEmONC, Tribal Health, Quality of Care activities including Accreditation of hospitals, equipment maintenance system, Bio Medical Waste Management system etc., need to be stabilized and the Directorates to which they are to be transferred ultimately need to be prepared. As the project needed some more time for the above activities, the Project Director sent a proposal to the Government for further extension of the project implementation period, by one year which was approved by the Government and forwarded to Government of India and World Bank. The World Bank and Government of India have now given their approval for extension of the project implementation period for a further period upto 15 September 2015.

4. The Project Director, Tamil Nadu Health Systems Project has circulated a proposal to the State Empowered Committee for according administrative approval for extension of the project implementation period of the Tamil Nadu Health Systems Project for the period from 1.10.2014 to 15.9.2015 and for according administrative sanction for continuance of all activities of the Tamil Nadu Health Systems project except out sourcing of housekeeping services and laboratory services during the extended period of the project. The State Empowered Committee had approved the proposals in circulation. The Project Director has requested the Government to issue orders in the matter.

5. The Government after careful consideration accord administrative sanction for extension of the project implementation period of the Tamil Nadu Health Systems Project for a further period from 1.10.2014 to 15.9.2015

6. The Government also accord administrative sanction for continuance of all activities of the Tamil Nadu Health Systems Project except out sourcing of housekeeping services and laboratory services during the extended period of the project.

3206

p. t. o.

7. The Government also direct that the out sourcing Regional Diagnostic Laboratories including the Hospitals Laboratory in five District Head Quarters Hospitals, now being implemented by Tamil Nadu Health Systems Project as per the orders issued in the Government Order 3rd read above shall be transferred to the control of the Director of Medical and Rural Health Services for over all supervision and control.

8. The Government further direct that out sourcing of cleaning, sanitation and certain other housekeeping services in 48 secondary care hospitals sanctioned in the Government Orders 4th 5th & 7th read above, shall be handed over to the Directorate of Medical and Rural Health Services with effect from 1.10.2014, to be operated with regular Government Budget. The processing and payment of bills for the outsourcing services shall be done by the Director of Medical and Rural Health Services

9. The Government also direct that all the Government Orders already issued in connection with the implementation of the various activities/programmes of the Tamil Nadu Health Systems Project be extended / made applicable, wherever required, during the extended period of the project.

10. This order issues with the concurrence of the State Empowered Committee constituted in G.O. (Ms).No.28, Health and Family Welfare Department, dated 28.02.2005 and Finance Department vide its U.O.No.55214/H-II/2014, dated:28.01.2014.

From the Project Director, Tamil Nadu Health Systems Project, Letter No. 6991 / E1 / HSP / 2014 dated:08.09.2014.

ORDER:

The Tamil Nadu Health Systems Project is being implemented from 27.01.2005 for implementing various schemes to improve the health status of the people of Tamil Nadu. The project has taken effect from 27.01.2005 and the original project period ended on 30.09.2010. As the Project activities have been implemented well within the time frame, the World Bank provided additional financing at a total project cost of Rs. 627.72 crore for implementing certain ongoing schemes and additional schemes and the Project period was extended for a period of 3 years from 01.10.2010 to 30.09.2013

2.The Project Director, Tamil Nadu Health Systems Project has reported that since certain important programmes of the project namely Non Communicable Disease prevention and control and Health Management Information System including Hospital Management System, Medical College and Medical University Management Systems had not been implemented fully and since certain programmes initiated by the project had to be fully integrated with the Department of Medical and Rural Health Services, a "no cost extension of the project period for

3229

p.t.o.

one year with effect from 01.10.2013 to 30.09.2014" was sanctioned by the Government.

3. The Project Director, Tamil Nadu Health Systems Project has further reported that during the course of the implementation of the project activities in 2013-14, the scope of certain activities have been enlarged like extension of the implementation of web based Hospital Management System to all tertiary care hospitals instead of 8 hospitals as originally planned, that in the Non Communicable Disease programme which has been scaled up to the entire state, the online screens are being introduced for better capturing of data and for monitoring and evaluation purposes and that certain routine programmes like CEmONC, Tribal Health, Quality of Care activities including Accreditation of hospitals, equipment maintenance system, Bio Medical Waste Management system etc., need to be stabilized and the Directorates to which they are to be transferred ultimately need to be prepared. As the project needed some more time for the above activities, the Project Director sent a proposal to the Government for further extension of the project implementation period, which was approved by the Government and forwarded to Government of India and World Bank. The World Bank and Government of India have now given their approval for extension of the project implementation period for a further period up to 15 September 2015. Orders regarding extension of the project implementation period are being issued separately.

4. In the Government Order read above the Government accorded administrative sanction for additional financing for the Tamil Nadu Health Systems Project to the total value of Rs.627,72,08,333.50 to be implemented over a period of three years upto 30.9.2010, which was extended upto 30.9.2014 now proposed to be extended upto 15.9.2015. The Project Director, Tamil Nadu Health Systems Project has reported that in the additional financing agreement with the World Bank, it was agreed that the World Bank part of the project cost is Rs.564.33 crores or US\$117.70 million equivalent and the Tamil Nadu Government part is Rs.62.74 crores or US\$13.08 million equivalent. He has also reported that though the total amount of project cost in US\$ remains the same as US\$130.78 million, the project cost, expressed in Rupee may be higher due to dollar rupee exchange value fluctuation and that as the reimbursement by the World Bank is made as per the US\$ value, the project has accrued additional funds in Rupees which is fluctuating daily.

5. The Project Director, Tamil Nadu Health Systems Project has circulated a proposal to the State Empowered Committee for according sanction for the use of additional funds accrued due to Dollar Rupee exchange rate fluctuation for the project activities during the extended period of the project from 1.10.2014 to 15.9.2015. The State Empowered Committee had approved the above proposals in circulation. The Project Director has requested the Government to issue orders in the matter.

6. The Government after careful consideration, direct that the additional funds accrued due to Dollar Rupee exchange rate fluctuation be utilized for the activities of the Tamil Nadu Health Systems Project.

p. t. o.

7.This order issues with the concurrence of the State Empowered Committee constituted in G.O. (Ms).No.28, Health and Family Welfare Department, dated 28.02.2005 and Finance Department vide its U.O.No.55214/H-II/2014 dated:28.10.2014.

Read:

- 1) In the G.O. (2D) No.06, Health and Family Welfare (EAPI/1) Department, dated: 03.01.2011.
- 2) G.O. (D) No.1048, Health and Family Welfare Department, dated:13.09.2011.
- 3) From the Project Director, Tamil Nadu Health Systems Project, Chennai-6, D.O. Letter No.4749/ HSP/E1/ 2014, dated: 04.09.2014.

ORDER:

In the G.O. first read above, the Government have sanctioned, among others, the creation of one post of Joint Director of Public Health and Preventive Medicine, in the Directorate of Public Health and Preventive Medicine, for a period of 3 years from the date of employment or till the end of the Project period, whichever is earlier for implementation of the Non Communicable Disease (NCD) prevention and treatment programme. The Government have also ordered that the post shall be filled up by redeployment and if it is not possible to fill up the post by redeployment, one of the existing posts shall be designated as Joint Director (Non Communicable Disease) in the Directorate.

2. Based on the above orders, one post of Chief Civil Surgeon sanctioned to Block Primary Health Centre, Katchur in Tiruvallur District, which was vacant, has been temporarily diverted and upgraded as Joint Director (Non Communicable Diseases). Dr.T.S.Selvavinayagam, Joint Director of Public Health and Preventive Medicine has been posted as Joint Director (Non Communicable Disease) and he assumed charge of the post on 14.09.2011. The period of three years expired on 13.09.2014.

3. In this connection, the Project Director, Tamil Nadu Health Systems Project, has also stated that since some of the programmes implemented by the Tamil Nadu Health Systems Project, including the Non Communicable Disease Programme,

have not been fully implemented, the Government of India and the World Bank have been addressed for extension of the project period for a further period of one year with effect from 01.10.2014. Both the Government of India and the World Bank have agreed for the extension of the project period of Tamil Nadu Health Systems Project from 01.10.2014 to 15.09.2015 and orders of the Government are awaited. To continue the implementation of Non Communicable Disease Programme, the services of the Joint Director (NCD) are essentially required by the Project. The Project Director, Tamil Nadu Health Systems Project has requested that the post of Joint Director of Public Health and Preventive Medicine sanctioned in the G.O. (2D) No.6, Health and Family Welfare (EAPI/1) Department dated:31.01.2011, may be continued for a further period from 14.09.2014 upto 15.09.2015 i.e., till the end of the project period of Tamil Nadu Health Systems Project.

4. The Government, after careful examination, have decided to accept the proposal of the Project Director, Tamil Nadu Health Systems Project and accordingly order that the post of Joint Director of Public Health & Preventive Medicine, sanctioned in G.O. first read above, be continued for a further period from 14.09.2014 upto 15.09.2015 i.e. till the end of the project period of Tamil Nadu Health Systems Project.

5. The orders issues with the concurrence of Finance Department vide its U.O. No.55263/H-II/2014, dated:18.11.2014.

From the Chairman, Medical Services Recruitment Board, Chennai letter Ref.No.1050/MRB/E4/2014 dated: 15.10.2014.

ORDER:

In the Government order 1st read above, orders have been issued for the constitution of Medical Services Recruitment Board exclusively for Health and Family Welfare Department so as to centralize the mode of direct recruitment to all categories existing in Health and Family Welfare Department except those that are coming under the purview of Tamil Nadu Public Service Commission. Subsequently in the Government order second read above Rules of Procedures of Medical Services Recruitment Board for recruitment to various categories have been issued.

2. The Chairman, Medical Services Recruitment Board (MRB) has sent amendment proposal to the Rule of Procedure to be followed for recruitment based on the Judgement dated 9.6.2014 of the Hon'ble High Court in WA No.1027/2013 and MP No.1/2013.

3. The Government have examined in detail the proposal of the Chairman, Medical Services Recruitment Board (MRB) to amend the Rules of Procedure of the Medical Services Recruitment Board, 2013 and has decided to accept it. Accordingly the following amendments are issued to the said Rules:-

AMENDMENTS.

In the said Rules,- (1) for rule 3, the following rule shall be substituted, namely:-

"3. Method of Recruitment.-

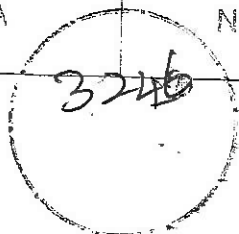

The Medical Services Recruitment Board shall adopt the following methods of recruitment, namely:-

(A) Recruitment by open advertisement.-

- (i) All Direct recruitment posts in Assistant Surgeon (General), Assistant Surgeon (Dental - General / Speciality) and Nurses shall be made, through open advertisement (in at least two newspapers and one of which must be in vernacular language), by conducting written examination (through physical or electronic mode) duly following the procedures prescribed.
- (ii) All direct recruitments to the post of Assistant Surgeon in various speciality Departments in Tamil Nadu Medical service shall be made through a 'walk-in' selection through open advertisement (in at least two newspapers and one of which must be in vernacular language), based on the marks obtained by the candidates in their Post Graduate Speciality subject. For the post of Assistant Surgeon (Speciality) a person in possession of Post graduate degree shall be preferred over DNB and DNB over a Post Graduate Diploma duly following the procedures prescribed.
- (iii) Para Medical & Technical Staff with following educational qualifications, namely:-
All direct recruitments to the post of Paramedical and technical staff shall be done through a selection process based on open advertisement (in at least two newspapers and one of which must be in vernacular language), along with notifying the vacancies with the Employment Exchange. After obtaining eligible list sponsored by the Employment Exchange, open advertisement in at least two newspapers, (one of which must be in vernacular language) be published inviting application. The list of candidates sponsored by the Employment Exchange be intimated to apply for the concerned post, as per the advertisement, to the Medical Services Recruitment Board. The process of selection shall be based on the marks obtained by the candidates in various examinations by giving weightages to their academic performance (up to two decimals in percentage) as detailed below:

Minimum educational qualification required for the post	Weightage of marks		
	Degree/ Diploma/ Certificate	HSC/ P.U.C.	SSLC/10 th
a. Degree	50%	30%	20%
b. Diploma	50%	30%	20%
c. Certificate with PUC/ HSC qualification	50%	30%	20%
d. Certificate with SSLC	60%	NA	40%
e. Minimum General Educational Qualification (SSLC Pass)	NA	NA	100%

(NA – Not Applicable)

(a) Wherever the basic essential qualification for a technical post is a diploma / certificate, has been changed from SSLC to HSC, in all such cases the weightage may be restricted to marks obtained in SSLC and the technical diploma / certificate (instead of HSC and the technical diploma / certificate).

(b) In cases of lesser number of vacancies for a particular post, and in cases where the notified vacancies are pertaining only to one or few districts only, the notified vacancies may be sent to the District Employment Exchanges concerned instead of the State level Employment Exchange.

(c) In cases where recruitment is to be done on an urgent basis, Government may specifically direct the Medical Services Recruitment Board to conduct recruitment by only way of open advertisement (in at least two newspapers, one of which must be in vernacular language).

iv) Selection process for Driver recruitment through open advertisement.

All direct recruitments to the post of Drivers be done by way of open advertisement from eligible candidates, apart from notifying the vacancies with the Employment Exchange. After obtaining the list sponsored by the Employment Exchange, open advertisement in at least two newspapers, one of which must be in vernacular language be published inviting application. The list of candidates obtained from Employment Exchange need to be addressed to file an application (online) to the Medical Services Recruitment Board for the post of Driver.

(1) Qualifications.- No person shall be eligible to appoint to the post, unless he possesses the following qualifications, namely:-

(a) Educational Qualification,- As per Adhoc rules.

(ii) shall pass the On Road Test Driving (conducted by the Tamil Nadu State Health Transport Department)

(v) In addition, with the previous sanction of the Government, the Medical Services Recruitment Board can recruit the candidates by any other means as specifically approved by Government in this regard.

3247

(vi) Age Limit:

As furnished in the Special Rules / Adhoc Rules of the post to which the recruitment is made";

(2) in rule 4, for sub-rule(ii), the following sub-rule shall be substituted, namely:

"(ii) The Board shall call for the list of suitable candidates for future vacancies through open advertisement or other means approved by the Government, as the case may be. The Medical Services Recruitment Board shall recruit candidates duly following the procedure prescribed in rule 3. Method of Recruitment in this regard, on merit and duly applying rules of reservation and other priorities assigned through specific order of the Government.";

(3) for rule 5, the following rule shall be substituted, namely:

"5. Collection of particulars from the candidates.-

The Medical Services Recruitment Board shall call for copies of photographs of the candidates and such other particulars as may be required and specified in such form by the Medical Services Recruitment Board as well as the originals of certificates of Educational Qualifications, date of birth and any other certificates / documents of relevance to the recruitment, so as to verify the eligibility / suitability of the candidates. The applications may be called for either by physical or electronic means. The Medical Services Recruitment Board shall cause further verification of documents / certificates, from the competent authorities, if deem necessary."

(4) for rule 6, the following rule shall be substituted, namely:

"6. Method of Selection and Seniority of Selected Candidates.-

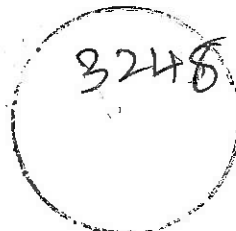

(A) The Medical Services Recruitment Board shall select candidates who fulfil the qualification as per the rules / norms governing the post:

(i) **For candidates recruited through open advertisement:-** The selection of eligible candidates who fulfil the qualification criteria shall be on the basis of rank / marks obtained in the written examination or duly following the procedure of merit approved in this regard, duly applying rules of reservation and other priorities assigned through specific orders of the Government.

(B) The candidates selected as per sub-rule A (i) above shall be assigned seniority as in the same order of selection.

(C) In the event of two or more candidates scoring equal marks in the written examination, (or) by any other means of merit the following will be the basis of selection or fixing of seniority.

(a) Senior in age shall be placed above:

- (b) If the age too, is equal, the following will be the basis of fixing the seniority.
- (i) In case of Optical Mark Reader (OMR) (Offline) applications, the date of receipt of application in the Medical Services Recruitment Board's office shall be taken into account to fix the seniority.
 - (ii) In case of Online applications, the date and time of online registration of application shall be taken into account to fix the seniority."

ABSTRACT

Public Health and Preventive Medicine – Monthly Health Magazine – ஆனைவருக்கும் நலவாழ்வு – Permission to publish and formation of Advisory Committee – Orders – Issued

HEALTH AND FAMILY WELFARE (P1) DEPARTMENT

G.O.(D.)No. 1420

Dated: 26.12.2014
Thiruvalluvar Aandu – 2045
Margazhi – 11

Read:

From the Director of Public Health and Preventive Medicine letter R. No. 101592/HEB/A3/2014 dated 24.11.2014 and 11.12.2014

ORDER:

In the letter read above, the Director of Public Health and Preventive Medicine has stated that the Tamil Nadu has emerged as a model State in India in providing health care services and has already achieved the health related Millennium Development Goals set by the United Nations. The Vision 2023 of Hon'ble Chief Minister of Tamil Nadu aims to surpass the health care standards which have been attained by the developed Nations. The Director of Public Health and Preventive Medicine has further stated that the State is also at the forefront in the prevention, control and treatment of communicable and non-communicable diseases. It provides preventive and curative care to all, through the various Hospitals, Dispensaries and Institutions and has a robust Chief Minister's Comprehensive Health Insurance Scheme, thereby allowing an excellent Public Private Partnership in the Health Sector. Tamil Nadu is one of the best performing States in implementing the Reproductive and Child Health (RCH) Schemes and also has been in the forefront in achieving the National Health Mission Reproductive and Child Health goals.

2. The Director of Public Health and Preventive Medicine has further stated that under the State Health Society and through the Directorates several National Health Programmes such as the Revised National Tuberculosis Programme, National Mental Health Programme, National Vector Borne Diseases Control Programme, Universal Immunisation Programme and School Health Programme among others are implemented. Empowering the staff in various wings of the health department with knowledge about the programmes, services and facilities will enhance the pride and work culture of the employees. Knowledge enhancement will improve the quality of care to achieve Universal Health Coverage. Further the Director of Public Health and Preventive Medicine has also stated that best practices and innovations can be disseminated across the State, so that all health facilities can adopt the best practices. Providing a platform to share achievements and developments will be a motivation factor for the employees. Hence to achieve this, a monthly magazine may be published to share all the day to day information regarding health programmes, services and other activities.

3. In this connection the Director of Public Health and Preventive Medicine has requested the Government to permit him to coordinate with all the Departments under Health and Family Welfare Department and to publish 15000 copies of monthly magazine in Tamil along with English wherever necessary for distribution to all health institutions and offices initially and may be increased on need base. Necessary funds may be met out from the allocations under various schemes for Information Education Communication. The special themes like Dengue, Malaria, Japanese Encephalitis, HIV/AIDS, RNTCP, NLEP, etc., may be the cover stories for the month. EMRI, 104, TNMSC, TAMPCOL, TANSACS and State Health Society may also bring out special coverages. Further the contents of the proposed magazine is as follows:

- i. Mission and vision of the Department.
- ii. Policies and programmes.
- iii. Messages from Hon'ble Minister/Secretary/ Head of Departments
- iv. Featuring a department, services, achievements and events like inaugural functions.
- v. Launch of new programmes or services and guidelines for implementation.
- vi. Departmental activities such as training, review meetings and workshops.
- vii. Community involvement events.
- viii. Fact Sheets, Clinical Case Studies and Critical Incidents.
- ix. Current health alerts/news at local to international level like Ebola Virus Disease alert.
- x. New International Health Regulations and Travel Advisories for travellers within the country or outside
- xi. Theme for the month may be the cover story item.

4. The Government after careful examination hereby permit the Director of Public Health and Preventive Medicine to print 15000 copies of monthly magazine and distribute to all Health Institutions (list annexed) regarding the health issues and to meet out the expenditure for publication of magazine from the allocations under various schemes for Information Education Communication and to form an Advisory Committee under the Chairmanship of Secretary to Government with composition of following members for forming and guiding the editorial board:-
