**ABSTRACT**

**Tamil Nadu Health Systems Project — Declaration of the Project Director as Head of the Department — Orders issued.**

G.O. (Ms) No. 284

Dated: 21.11.2005

**Read:**

1. G.O. Ms. No. 48, Health and Family Welfare, dated: 30.03.2005.
2. G.O. Ms. No. 63, Health and Family Welfare, dated: 20.04.2005.
3. From the Project Director, Tamil Nadu Health System Project, Letter No. 475/ Estt / HSP / 2005, dated: 24.06.2005.

**Order:**

The Tamil Nadu Health Systems Project has been approved at a total cost of Rs. 597.1554 crore for a period of 5 years. The Project would be implemented in 3 Phases, beginning from January 2005 with the support of the World Bank. The 1<sup>st</sup> Phase of the Project would be for a period of 18 months. The 2<sup>nd</sup> Phase would also be for a period of 18 months and the last Phase of the Project would cover the remaining 2 years. Administrative sanction was accorded for the Project in the Government Order 1<sup>st</sup> read above. A Project Management Unit at the State level has been established for the Project under the supervision of a Project Director, sanctioned in the cadre of an I.A.S., in the Government order 2<sup>nd</sup> read above. The Project Management Unit has become functional from 1.4.2005.

2. The Project Director has requested the Government to designate the Project Director, Tamil Nadu Health Systems Project, as a Head of the Department under the administrative control of the Health and Family Welfare Department.

3. The Empowered Committee constituted for the Tamil Nadu Health Systems Project has suggested in the meeting held on 9.6.2005, that Government Order designating the Project Director, Tamil Nadu Health Systems Project, as Head of department in the department of Health and Family Welfare may be issued by the Department itself.

...2

4. Considering the importance and magnitude of the time bound Tamil Nadu Health Systems Project, the Government have decided that the Project Director should be declared as Head of the Department exclusively for implementing the Project. Accordingly, the Government declare the Project Director, Tamil Nadu Health Systems Project, as Head of Department for purpose of the Fundamental Rules. The Project Director shall exercise all financial and administrative powers vested with a Head of Department.

## ABSTRACT

Tamil Nadu Health Systems Project – Creation of a Data Bank for Medical Officers working in the Department of Health and Family Welfare by hiring the services of a Software Company – Sanction accorded – Orders issued.

### HEALTH AND FAMILY WELFARE DEPARTMENT

G.O 3D No. 106

Dated: 20.12.2005

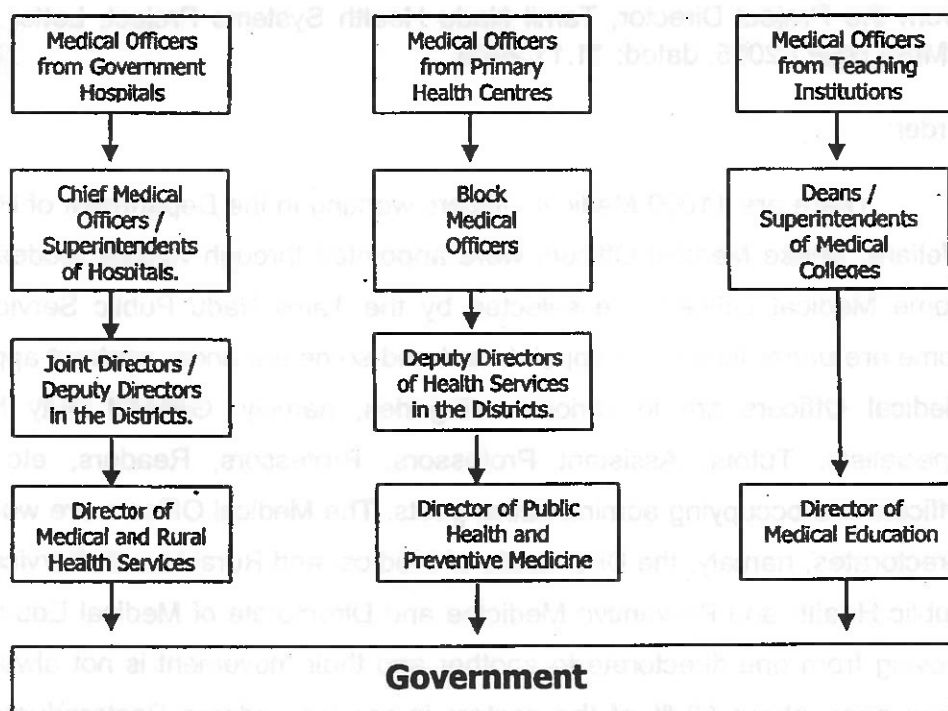

Read:

From the Project Director, Tamil Nadu Health Systems Project, Letter No. 1066 / E1 / HMIS / HSP / 2005, dated: 11.11.2005.

Order:

There are 11000 Medical Officers working in the Department of Health and Family Welfare. These Medical Officers were appointed through various modes of appointment. Some Medical Officers are selected by the Tamil Nadu Public Services Commission, some are under temporary appointment and some are under contract appointment. These Medical Officers are in various categories, namely, General Duty Medical Officers, Specialists, Tutors, Assistant Professors, Professors, Readers, etc. Some Medical Officers are occupying administrative posts. The Medical Officers are working under three directorates, namely, the Directorate of Medical and Rural Health Services, Directorate of Public Health and Preventive Medicine and Directorate of Medical Education. They keep moving from one directorate to another and their movement is not always unidirectional. More over, about 12 % of the doctors in service undergo Postgraduate courses at any given point of time, since 50% of the Post Graduate seats are reserved for service candidates. It is not always possible to locate the whereabouts of some Medical Officers since these Medical Officers go on leave or are on unauthorised absence. Due to these reasons, it is found that several posts of Medical Officer are vacant in many important places like Comprehensive Emergency Obstetric and Newborn Care (CEmONC) Centres, Referral Hospitals, Primary Health Centres, etc. Absence of Medical Officers hampers the proper delivery of health care services to the poor. It is, therefore, important to create and maintain a Data Bank for all the Medical Officers for better monitoring and delivery of services.

2. The Tamil Nadu Health Systems Project (TNHSP) has planned to take up Health Management Information System (HMIS) for better monitoring of health services. Creation of a database for all the doctors working in the Department of Health and Family Welfare is an integral part of Health Management Information System. Under the Project, it is proposed to develop a Web based Data Bank for Medical Officers. This Data Bank will include details of all medical officers coming under Tamil Nadu Medical Services whether they are regular, temporary, on contract, undergoing Post Graduate training or on leave. It will be easier to take administrative decisions once the Data Bank is created and regularly updated. The data that needs to be updated will be collected from the districts as follows:

Creation of a Personnel Data Bank is an approved activity in the Project Implementation Plan (PIP) of the Tamil Nadu Health Systems Project.

3. The Project Director, Tamil Nadu Health Systems Project, has proposed to hire the services of a Software Company, with previous experience in creating the database and hand holding for one year. Maintenance of the database and the software will be carried out by a professional company from the second year onwards. The Consultant Firm will be hired by the Project Director, Tamil Nadu Health Systems Project, by following the World Bank Procurement procedures. The non-recurring cost involved in the proposal is Rs. 2.80 lakh. The recurring cost towards maintenance of the database and software is

Rs 1.20 lakh per annum from the second year onwards. The above mentioned cost is eligible for reimbursement by the World Bank.

4. The Project Director, Tamil Nadu Health Systems Project, has placed the above proposal before the State Empowered Committee for approval. The State Empowered Committee has approved the proposal. The Project Director, Tamil Nadu Health Systems Project, has now requested the orders of the Government.

5. The Government, after careful examination of the proposal, issues the following orders.

i. Sanction is accorded for a nonrecurring expenditure of Rs. 2.80 lakh (Rupees Two lakh and eighty thousand only) for creation of a Web based Data Bank for Medical Officers in the Tamil Nadu Medical Services as follows.

Sl. No	Activity	Quantity	Unit Rate	Cost (In Rupees)
1	Data entry of hand filled forms	12,000	15	1,80,000
2	Software for data entry and maintenance	1	1,00,000	1,00,000
	Total			2,80,000

ii. Sanction is accorded for a recurring expenditure of Rs. 1.20 lakh (Rupees One lakh and twenty thousand only) from the second year onwards towards maintenance of the database and software by hiring the services of a Software Consultant firm as follows.

Sl. No	Activity	Wage per month (In Rupees)	Total Cost per annum (In Rupees)
1	Appointment of one Web Designer cum Database Administrator	10,000	1,20,000

iii. The Project Director, Tamil Nadu Health Systems Project, is permitted to execute the task of creation of a Web based Data Bank for Medical Officers in the Tamil Nadu Medical Services and maintenance of the same by hiring the services of a Software Consultant firm.

iv. The Project Director, Tamil Nadu Health Systems Project, is permitted to hire the services of a Software Consultant firm at a cost not exceeding Rs 2.80 lakh and maintenance of the same from the second year onwards at a cost not exceeding Rs.1.20 lakh by following the World Bank procurement procedures and to pay the Consultant Firm.

6. The non recurring expenditure of Rs. 2.80 lakh towards hiring a Consultant firm to create a Web based Data Bank for Medical Officers and recurring expenditure of Rs. 1.20 lakh per annum towards maintenance of the same shall be debited to the the head of account "2210. Medical and Public Health – 80. General – 004. Health Statistics and Evaluation - Schemes in the Tenth Five Year Plan – II. State Plan – PA. Building Capacity to strengthen the Health Management Information System – 33. Payments for Professional and Special Services – 03. Special Services (DPC 2210 80 004 PA 3331).

7. The Project Director, Tamil Nadu Health Systems Project, is permitted to incur a nonrecurring expenditure of Rs 2.80 lakh towards hiring a Consultant firm to create a Web based Data Bank, over and above the budget provision, pending provision of funds in Revised Estimate / Final Modified Appropriation 2005-06. Necessary funds will be provided in Revised Estimate / Final Modified Appropriation 2005-06 and the Project Director shall send necessary proposals to the Government in Finance department for including the expenditure in Revised Estimate / Final Modified Appropriation 2005-06 at the appropriate time.

8. This order issues with the concurrence of the State Empowered Committee constituted in G.O. Ms. No. 28, Health and Family Welfare, dated 28.2.2005 and the concurrence of Finance Department vide its U.O. No. 71 / DS (PU) / 2005, dated: 13.12.2005 and Additional Sanction Ledger No. 1208.

## ABSTRACT

Tamil Nadu Health Systems Project – Phase I – Implementation of Outreach Health Services to the people in Tribal Areas through Non Governmental Organisation Partners – Orders Issued – Amendments to the Government Order - Issued.

---

### HEALTH AND FAMILY WELFARE DEPARTMENT

G.O 2D No. 99

Dated: 23.12.2005

Read:

1. G.O 2D. No. 47, Health and Family Welfare, dated: 21.07.2005.
2. From the Project Director, Tamil Nadu Health Systems Project, Letter No. 471 / TH / HSP / 2005, dated 30.8.2005 and 21.11.2005.

Order:

In the Government Order 1<sup>st</sup> read above, sanction was accorded for a sum of Rs 14.70 lakh as non recurring expenditure towards procurement of lab equipments, conversion of vans into outreach vans, Grant for creating public awareness and advertisement charges and Rs 72.72 lakh per annum as recurring expenditure towards Grants for Insurance, Fitness Certificate, Fuel and maintenance of outreach vans, support for salary and drugs, etc, for establishment of 12 mobile outreach services in 12 tribal concentrated areas in 10 districts in the State during the project period of the Tamil Nadu Health Systems Project. The Project Director, Tamil Nadu Health Systems Project, was permitted to modify 12 Eicher Vans into Outreach Vans through the State Health Transport Organisation (SHTO) at a total cost of Rs 9.00 lakh.

2. The Project Director, Tamil Nadu Health Systems Project, has now stated that the matter was discussed with the World Bank and the World Bank has not accepted the procedure of involving the State Health Transport Organisation, as the Project Appraisal Document envisaged that the Tamil Nadu Medical Services Corporation (TNMSC) is the only agency for procurement of goods for this project. The Project Director has further stated that the salary of Driver has been indicated as Rs 5000/- per month, which is higher than the salary of the staff nurse. Therefore, the Project Director has suggested that the salary of the Driver should be revised and has proposed to issue amendments to the Government Order 1<sup>st</sup> read above, permitting the Project Director, Tamil Nadu Health Systems Project, to modify the 12 Eicher Vans into Outreach Vans through the Tamil Nadu Medical Services Corporation instead of the State Health Transport Organisation and to reduce the salary of the Driver from Rs. 5000/- per month to Rs. 3000/- per month.

3. The Project Director, Tamil Nadu Health Systems Project, has placed the above proposal before the State Empowered Committee of the Tamil Nadu Health Systems Project and has obtained its approval. She has requested to issue suitable amendments to the Government order 1<sup>st</sup> read above.

4. Based on the approval of the State Empowered Committee, the Government issues the following amendments to the Government order 1<sup>st</sup> read above.

#### Amendments

i. For the words "one driver @ Rs. 5000/- per month" occurring under Column 2 against Serial number A (3) in the Table in para 6 (ii) of G.O 2D. No. 47, Health & Family Welfare, dated: 21.07.2005, the words "one driver @ Rs. 3000/- per month " shall be substituted.

ii. For the existing para 6 (iii) of the Government Order, the following para shall be substituted.

"The Project Director, Tamil Nadu Health Systems Project, is permitted to procure the laboratory equipments and modify the 12 Eicher Vans into Outreach Vans through the Tamil Nadu Medical Services Corporation. The Project Director, Tamil Nadu Health Systems Project, is authorised to draw and release the amount of Rs 12.00 lakh, sanctioned for laboratory equipments, conversion of vehicle into outreach vans and advertisement charges, in advance, to the Personal Deposit account "K. Deposit and Advances (b) - Deposits not bearing Interest - 8443.00. Civil Deposits - 800. Other Deposits - CE. Deposits of Tamil Nadu Medical Services Corporation (D.P. Code: 8443.00 - 800. CE - 000H (Receipts))" of the Managing Director, Tamil Nadu Medical Services Corporation, for the same"

iii. For the existing para 6 (iv) of the Government Order, the following para shall be substituted.

"The Managing Director, Tamil Nadu Medical Services Corporation, is permitted to incur the expenditure and procure the laboratory equipments for the 12 Outreach Vans as per the detailed specifications furnished by the Project Director, Tamil Nadu Health Systems Project and convert the 12 Eicher vans supplied by the Director, State Health Transport Organisation, into Outreach Vans fitted with the above equipments by following the World Bank procurement procedures and deliver the fully furnished Outreach Vans to the concerned Joint Directors of Medical, Rural Health Services and Family Welfare. The Managing Director, Tamil Nadu Medical Services Corporation, is directed to settle the accounts with the Project Director, Tamil Nadu Health Systems Project."

iv. For the existing para 6 (v) of the Government Order, the following para shall be substituted.

"The Project Director, Tamil Nadu Health Systems Project, is permitted to modify the 12 Eicher Vans into Outreach Vans through the Tamil Nadu Medical Services Corporation. The provision of Rs. 66.00 lakh earmarked for purchase of motor vehicles in Budget Estimate 2005-2006 under the head of account "2210. Medical and Public Health - 06. Public Health - 796. Tribal Areas Sub Plan - Schemes in the Tenth Five Year Plan - II. State Plan - PB. Procurement through Tamil Nadu Medical Services Corporation for Tribal Health under Health Systems Project - 21. Motor Vehicles - 01. Purchase (DPC: 2210 06 796 PB 2119)" may be re-appropriated to "21. Motor Vehicles - 02. Maintenance of Functional Vehicles (DPC: 2210 06 796 PB 2121)" of the above head of account".

v. For the existing para 6 (vi) of the Government Order, the following para shall be substituted.

"The Director, State Health Transport Organisation, is directed to handover the 12 Eicher Vans to the Managing Director, Tamil Nadu Medical Services Corporation, for conversion into Outreach Vans".

vi. For the existing para 7 (ii) of the Government Order, the following para shall be substituted.

"The nonrecurring expenditure of Rs 9.00 lakh towards conversion of the Eicher Vans into Outreach Vans shall be debited to the head of account "2210. Medical and Public Health – 06. Public Health - 796. Tribal Areas Sub Plan – Schemes in the Tenth Five Year Plan – II. State Plan - PB. Procurement through Tamil Nadu Medical Services Corporation for Tribal Health under Health Systems Project – 21. Motor Vehicles - 02. Maintenance for Functional Vehicles (DPC: 2210 06 796 PB 2121)". The expenditure of Rs. 7.20 lakh shall be re-appropriated from the Head of Account "2210. Medical and Public Health – 06. Public Health - 796. Tribal Areas Sub Plan – Schemes in the Tenth Five Year Plan – II. State Plan - PB. Procurement through Tamil Nadu Medical Services Corporation for Tribal Health under Health Systems Project - 21. Motor Vehicles – 01. Purchase (DPC: 2210 06 796 PB 2119)".

## ABSTRACT

Tamil Nadu Health Systems Project – Appointment of Specialist Medical Consultants and Nurses on contract basis for 24 hours Comprehensive Emergency Obstetric and Newborn Care (CEmONC) services and provision of equipments and goods to the CEmONC hospitals and training of Obstetrics and Gynaecology Specialists under the Project – Sanction accorded – Orders Issued.

### HEALTH AND FAMILY WELFARE (EAP I / 1) DEPARTMENT

G.O (3D) No. 110

Dated: 29.12.2005

Read:

1. GO (2D) No. 42, Health and Family Welfare, dated 2.8.2004.
2. From the Project Director, Tamil Nadu Health Systems Project, Letter No. 736 / E1 / CEmONC / HSP / 2005, dated: 7.11.2005.

#### Order:

The Government of Tamil Nadu is taking a number of initiatives to bring down Infant Mortality Rate (IMR) and Maternal Mortality Ratio (MMR) and one of the initiatives taken by the Government is provision of 24 hours Comprehensive Emergency Obstetric and Newborn Care Services (CEmONC) to the people. The Government, in the Government Order 1<sup>st</sup> read above, issued orders for establishment of 62 CEmONC Centres in 62 hospitals throughout the State, at the rate of at least 2 hospitals in a District with the following staff structure in order to provide quality emergency obstetric and neonatal care services uninterruptedly.

i. Obstetrician and Gynaecologists	-	4
ii. General Surgeons	-	2
iii. Paediatric Physicians	-	4
iv. Anaesthetists	-	2
v. Staff Nurses	-	32

Out of these 62 Centres, 11 Centres are in Medical College hospitals and 51 Centres are in district and sub district hospitals. Due to insufficient sanctioned posts of Staff and want of equipments in many of the 51 CEmONC Centres in the district and sub district hospitals, they are not able to provide 24 hours CEmONC services to the Public.

2. The Tamil Nadu Health Systems Project is under implementation in the State with the support of the World Bank at an estimated cost of Rs. 597.15 crore for a period of 5 years. One of the objectives of the Project is to significantly improve the effectiveness of the Health System through increased access and utilisation of health services, particularly by the poor, disadvantaged and tribal groups. The Project also aims to reduce maternal and neonatal mortality in Tamil Nadu. Under the Tamil Nadu Health Systems Project, the CEmONC hospitals

would be equipped with trained staff, special equipments, drugs and supplies etc. Special protocols would be developed to standardise the treatment. In order to provide quality emergency obstetric and neonatal care services continuously in all the CEmONC hospitals, the Project Director, Tamil Nadu Health Systems Project, has placed proposals for appointment of Specialist Medical Consultants and Nurses on contract basis for providing 24 hours CEmONC services and provision of equipments and goods to the CEmONC hospitals and training in Ultra Sonography to Obstetrics and Gynaecology Specialists in the CEmONC hospitals for their skill upgradation and maintenance of equipments. The proposals are included in the Project Implementation Plan (PIP), which have been approved by the World Bank. The nonrecurring expenditure and recurring expenditure involved in the proposal is Rs 1309.96 lakh and Rs. 353.20 lakh respectively. The above expenditure is eligible for reimbursement by the World Bank.

3. The State Empowered Committee has approved the proposal of the Project Director, Tamil Nadu Health Systems Project. Based on the approval of the State Empowered Committee, the following orders are issued.

i. Sanction is accorded for appointing 200 Specialist Medical Consultants in the categories of Obstetrician and Gynaecologists, General Surgeons, Paediatric Surgeons and Anaesthetists, on contract basis to work in the CEmONC hospitals, indicated in Annexure I to this order, for the Project period of 5 years and to incur a recurring cost of Rs 240.00 lakh (Rupees Two hundred and forty lakh only) per annum, totalling Rs. 1200.00 lakh for a period of 5 years towards their contract payment. The recruited Specialist Medical Consultants shall be paid a consolidated pay of Rs. 10,000/- per month for Post Graduate degree holders and Rs. 9,000/- per month for Post Graduate Diploma holders in the concerned Speciality.

ii. The Project Director, Tamil Nadu Health Systems Project, is permitted to recruit the required number of Contract Specialist Medical Consultants in the categories of Obstetrician and Gynaecologists, General Surgeons, Paediatric Surgeons and Anaesthetists, as per the requirement furnished by the Director of Medical and Rural Health Services, within the overall total number of 200 Medical Consultants, through the District level Selection Committee headed by the District Collector, by calling for a list from the Professional Employment Exchange. The selection shall be made based on the Employment Exchange seniority and by observing communal rotation. The Medical Officers will be recruited for particular hospitals in the districts where the vacancies exist.

iii. Sanction is accorded for appointing 200 Nurses on contract basis to work in the CEmONC hospitals for the Project period of 5 years and to incur a recurring cost of Rs 60.00 lakh (Rupees Sixty lakh only) per annum, totalling Rs. 300.00 lakh for a period of 5 years towards their contract payment. The recruited Nurses shall be paid a consolidated pay of Rs. 2,500/- per month.

iv. The Director of Medical and Rural Health Services shall recruit the Nurses from the seniority list (maintained in the Directorate) of qualified Nurses waiting for appointment, by observing seniority and communal rotation. The Director of Medical and Rural Health Services shall issue posting to the Nurses to work in the CEmONC hospitals exclusively for CEmONC services.

v. The Director of Medical and Rural Health Services is directed not to transfer the Medical Consultants and Nurses from the CEmONC hospitals to which they are posted. When circumstances demand such transfers, he is directed to transfer them to other CEmONC hospitals only after obtaining the orders of the Government under recommendation by the Project Director, Tamil Nadu Health Systems Project.

vi. The Project Director, Tamil Nadu Health Systems Project, is authorised to allocate sufficient budget to the Joint Directors of Medical, Rural Health and Family Welfare of the concerned districts where the Medical Consultants and Nurses are posted for making the contract payment.

vii. The Joint Directors of Medical, Rural Health and Family Welfare of the concerned districts are directed to send a monthly consolidated expenditure statement, towards the contract payment of the Medical Officers, to the Tamil Nadu Health Systems Project.

viii. Sanction is accorded for a non-recurring expenditure of Rs. 1,250.00 lakh (Rupees One thousand two hundred and fifty lakh only) towards purchase of equipments and goods, indicated in the Annexure II to this order, to the 51 CEmONC hospitals.

ix. Sanction is accorded for a nonrecurring expenditure of Rs. 19.96 lakh (Rupees Nineteen lakh and ninety six thousand only) towards organising 15 days training in Ultra Sonography to 204 Obstetrics and Gynaecology Specialists in the CEmONC hospitals. Sanction is also accorded for a nonrecurring expenditure of Rs. 40.00 lakh (Rupees Forty lakh only) towards purchase of training equipments viz, 2 Ultra Sonogram machines with teaching attachments and 2 Computers as indicated in the Annexure III to this order.

x. The Project Director, Tamil Nadu Health Systems Project, is permitted to procure the equipments and goods indicated in the Annexure II and III through the Tamil Nadu Medical Services Corporation. The Project Director, Tamil Nadu Health Systems Project, is also authorised to draw the amount of Rs 1290 lakh sanctioned in paras viii and ix above in advance and release the same to the Personal Deposit account "K. Deposit and Advances (b) - Deposits not bearing interest - 8443.00. Civil Deposits - 800. Other deposits - CE. Deposits of Tamil Nadu Medical Services Corporation (D.P. Code: 8443.00 - 800 CE - 000H (Receipts)" of the Managing Director, Tamil Nadu Medical Services Corporation, towards procurement and supply of the equipments and goods.

xi. The Managing Director, Tamil Nadu Medical Services Corporation, is permitted to incur the expenditure and procure the equipments and goods, indicated in the Annexure II and III to this order, as per the detailed specifications furnished by the Project Director, Tamil Nadu Health Systems Project, by following the World Bank procurement procedures and supply the same to the Superintendents / Chief Medical Officers of the CEmONC Hospitals (indicated in the Annexure I to this order) / Training Institute. The Managing Director, Tamil Nadu Medical Services Corporation, is directed to settle the accounts with the Project Director, Tamil Nadu Health Systems Project.

xii. The Project Director, Tamil Nadu Health Systems Project, is authorised to draw the nonrecurring expenditure of Rs 19.96 lakh in advance and organise 15 days training in Ultra Sonography to 204 Obstetricians & Gynaecologists in the 51 CEmONC hospitals in 21 batches

at the Institute of Obstetrics and Gynaecology and Government Kasturba Gandhi Hospital, Chennai and to incur the expenditure as per the norms indicated in Annexure III to this order.

xiii. Sanction is accorded for a recurring expenditure of Rs. 50.00 lakh (Rupees Fifty lakh only) per annum from the year 2006 – 2007 onwards towards maintenance of the equipments supplied to the 51 Comprehensive Emergency Obstetric and Newborn Care hospitals, viz, Ultra Sonograms, Laparoscopes, Paediatric Ventilators, Defibrillators and CTG Monitors.

xiv. Sanction is accorded for a recurring expenditure of Rs. 1.20 lakh (Rupees One lakh and twenty thousand only) towards annual maintenance of the training equipments and Rs. 1.00 lakh (Rupees One lakh only) towards maintenance of the Computers, etc.

xv. The Project Director, Tamil Nadu Health Systems Project, is permitted to draw the amount of Rs. 52.20 lakh, sanctioned in paras xiii and xiv above, as advance during 2006-2007 and release the same to the Personal Deposit account "K. Deposit and Advances (b) - Deposits not bearing interest - 8443.00. Civil Deposits - 800. Other deposits - CE. Deposits of Tamil Nadu Medical Services Corporation (D.P. Code: 8443.00 - 800 CE - 000H (Receipts)" of the Managing Director, Tamil Nadu Medical Services Corporation, towards maintenance of the equipments.

xvi. The Managing Director, Tamil Nadu Medical Services Corporation, is directed to send periodical progress reports to the Project Director, Tamil Nadu Health Systems Project, to prepare the consolidated Statement of Expenditure for onward transmission to the Government of Tamil Nadu / Government of India / World Bank.

xvii. Sanction is accorded for a recurring expenditure of Rs. 1.00 lakh (Rupees One lakh only) towards purchase of consumables for the Computers. The Project Director, Tamil Nadu Health Systems Project, is permitted to draw the recurring expenditure of Rs. 1.00 lakh per annum and to incur the expenditure towards procurement of computer consumables for the Computers, Laptops, LCD projectors procured for training purposes.

xviii. The Project Director, Tamil Nadu Health Systems Project, is authorised to reallocate the nonrecurring expenditure within the activities without exceeding the total cost.

4(i). The recurring expenditure of Rs 300 lakh per annum towards contractual payment to the Contract Specialist Medical Consultants and Nurses shall be debited to the head of account "2211-00. ## ABSTRACT

Tamil Nadu Health Systems Project – Appointment of certain staff for the Project Management Unit by contract appointment – Advertisement placed in Newspaper – Settlement of Advertisement charges – Sanction accorded – Orders Issued.

## Health and Family Welfare Department

G.O 2D No. 3

Dated: 4.1.2006

Read:

1. G.O Ms. No. 63, Health and Family Welfare, dated 20.04.2005.
2. G.O 2D No. 40, Health and Family Welfare, dated 05.07.2005.
3. From the Project Director, Tamil Nadu Health Systems Project, Letter No. 1522/HSP / Estt / 05, dated: 15.12.2005.

Order:

In the Government Order 1<sup>st</sup> read above, sanction was accorded for establishment of a Project Management Unit for the Tamil Nadu Health Systems Project, at the State level with 9 Cells with certain Staff. In the above orders, sanction was accorded, among others, for creation of posts of Chief Executive Officer for the Public Private Partnership Cell, Bio Medical Engineer for the Equipment Cell and Officer (Communications and Field Operations) for the Health Promotion Cell. These posts were to be filled up by contract appointment. Qualifications for the above three posts were approved in the Government Order 2<sup>nd</sup> read above. The Project Director, Tamil Nadu Health Systems Project, was permitted to recruit the personnel for these posts by following the usual procedures.

2. The Project Director, Tamil Nadu Health Systems Project, has stated that an advertisement was placed through DIPR in the New Indian Express on 15.07.2005 inviting applications for these 3 posts. The advertisement agency M/S Flame Advertising Company Pvt Ltd, Chennai, has sent a bill for Rs. 54,000 / - towards the advertisement charges. The Project Director, Tamil Nadu Health Systems Project, has recommended to sanction an amount of Rs. 54,000 / - to settle the advertisement bill. This expenditure is eligible for reimbursement by the World Bank.

3. The Project Director has placed the above proposal before the State Empowered Committee for approval and the State Empowered Committee has approved the proposal. The Project Director, Tamil Nadu Health Systems Project, has requested orders of the Government in the matter.

4. Based on the approval of the State Empowered Committee, sanction is accorded for a sum of Rs. 54,000 / - (Rupees Fifty four thousand only) to settle the advertisement bill, incurred towards advertisement for recruitment of the contract posts of Chief Executive Officer for the Public Private Partnership Cell, Bio Medical Engineer for the Equipment Cell

and Officer (Communications and Field Operations) for the Health Promotion Cell in the Project Management Unit of the Tamil Nadu Health Systems Project.

5. The expenditure shall be debited to the head of account "2210. Medical and Public Health - 01. Urban Health Services - Allopathy - 001. Direction and Administration - Schemes in the Tenth Five Year Plan - II. State Plan - PA. Health Systems Project - Management Unit - 08. Advertising and Publicity - 01. Advertisement Charges (DPC: 2210 01 001 PA 0817).

6. The Project Director, Tamil Nadu Health Systems Project, is permitted to incur the expenditure of Rs. 54,000/-, pending provision of funds in Revised Estimate / Final Modified Appropriation 2005-2006. Necessary funds will be provided in Revised Estimate / Final Modified Appropriation 2005-2006 and the Project Director shall send necessary proposals to Government in Finance department for including the expenditure in Revised Estimate / Final Modified Appropriation 2005-2006 at the appropriate time.

7. This order issues with the concurrence of the State Empowered Committee constituted in G.O. Ms. No. 28, Health and Family Welfare, dated 28.2.2005 and concurrence of Finance Department vide its U.O. No. 98 / DS (PU) / H1 / 2005, dated 28.12.2005 and Additional Sanction Ledger No. 1301.

# ABSTRACT

Tamil Nadu Health Systems Project – Provision of funds to meet the running cost of the Health Manpower Development Institutes at Salem and Villupuram – Sanction accorded – Orders issued.

Health and Family Welfare (EAP I / 1) Department

G.O (3D) No. 3

Dated: 12.1.2006

Read:

1. G.O Ms. No. 335, Health and Family Welfare, dated: 29.09.2004.
2. G.O Rt. No. 611, Health and Family Welfare, dated: 23.05.2005.
3. From the Project Director, Tamil Nadu Health Systems Project, Letter No. 1511 / A1 / HSP / 2005, dated: 12.12.2005

Order:

The World Bank supported Tamil Nadu Health Systems Project, among other things, aims to improve the skill development and capacity building of health care providers in all secondary level hospitals in the State, as the quality of services provided by the hospitals depend largely on the clinical and managerial skills of the personnel at all levels. It is planned to provide training to the staff working in the secondary care facilities in the State, in the following areas, through various Government Training Institutions in the State.

Area / Subject	Total Load	Doctors	Others
Training of Trainers	560	560	--
Clinical	18391	11398	6993
Management	2878	806	2072

Behaviour Change Communication	2004	406	1598
Total	79669	24228	55441

2. In order to facilitate the project to carry out the above training programme, sanction was accorded in the Government Order 1<sup>st</sup> read above, for continuance of the Health Manpower Development Institutes at Salem and Villupuram and to incur the salary and other running costs initially from the State funds till the Tamil Nadu Health Systems Project becomes operational. In the Government Order 2<sup>nd</sup> read above, sanction was accorded for continuance of the posts in the above 2 Training Institutes till 28.02.2006 and the expenditure towards the salary was to be met under the Project head of account.

3. The Project Director, Tamil Nadu Health Systems Project, has stated that the Health Manpower Development Institutes at Salem and Villupuram are Regional Training Institutes imparting various training programmes for the officials of public health. At present, these institutions are not provided any funds, other than salary items, to meet their running cost on stationery, consumables, maintenance of equipments, telephone charges, electricity charges, petrol, oil and lubricant charges, etc. Funds to meet these expenditure are urgently needed for the smooth functioning of these training institutes. She has, therefore, proposed to provide funds to these institutes under the Tamil Nadu Health Systems Project, during the Project period. The total recurring cost involved in the proposal is Rs 14.30 lakh per annum. The above activity is included in the Project Implementation Plan approved by the World Bank.

4. The Project Director, Tamil Nadu Health Systems Project, has placed the above proposal before the State Empowered Committee for approval. The State Empowered Committee has approved the proposal. The Project Director, Tamil Nadu Health Systems Project, has now requested orders of the Government in the matter.

5. The Government, after careful examination of the proposal, issues the following orders.

i. Sanction is accorded for a recurring expenditure of Rs. 14.30 lakh (Rupees Fourteen lakh and thirty thousand only) per annum towards the running cost for the Health Manpower Development Institutes at Salem and Villupuram, as detailed below.

Sl. No	Item	HMDI, Salem (in Rs)	HMDI, Villupuram (in Rs)	Total (in Rs)
1	Telephone Charges	30,000	30,000	60,000
2	Other Contingencies	60,000	60,000	1,20,000
3	Electricity Charges	1,50,000	2,10,000	3,60,000
4	Property Tax	90,000	60,000	1,50,000
5	Machinery & Equipment maintenance	20,000	30,000	50,000
6	Motor Vehicle maintenance	15,000	20,000	35,000
7	Petrol, Oil and Lubricants	2,50,000	2,90,000	5,40,000
8	Books and Periodicals	25,000	25,000	50,000
9	Computer Accessories and Maintenance	30,000	35,000	65,000
	Total	6,70,000	7,60,000	14,30,000

ii. The Project Director, Tamil Nadu Health Systems Project, is authorised to incur the running cost for the above 2 Training Institutes through the Principals of the Health Manpower Development Institutes at Salem and Villupuram.

iii. The Principal, Health Manpower Development Institute, Salem, is authorised to draw and incur the recurring expenditure not exceeding Rs. 6.70 lakh (Rupees Six lakh and seventy thousand only) per annum towards the running cost for the Institution, as detailed in para (i) above, by following the norms / procedures in force.

iv. The Principal, Health Manpower Development Institute, Villupuram, is authorised to draw and incur the recurring expenditure not exceeding Rs. 7.60 lakh (Rupees Seven lakh

and sixty thousand only) per annum towards the running cost for the Institution, as detailed in para (i) above, by following the norms / procedures in force.

v. The Principals of the Health Manpower Development Institutes at Salem and Villupuram are directed to send periodical progress report to the Project Director, Tamil Nadu Health Systems Project, to prepare the consolidated Statement of Expenditure for onward transmission to the Government of Tamil Nadu / Government of India / World Bank.

6 (i). The recurring expenditure of Rs 0.60 lakh towards telephone charges shall be debited to the head of account "2210. Medical and Public Health – 06. Public Health – 003. Training - Schemes in the Tenth Five Year Plan - II. State Plan – PA. Training and Capacity Building under Health Systems Project - 05. Office Expenses – 01. Telephone Charges (DPC 2210 06 003 PA 0514)".

ii. The recurring expenditure of Rs 1.20 lakh towards other contingencies shall be debited to the head of account "2210. Medical and Public Health – 06. Public Health – 003. Training - Schemes in the Tenth Five Year Plan - II. State Plan – PA. Training and Capacity Building under Health Systems Project - 05. Office Expenses - 02. Other Contingencies (DPC 2210 06 003 PA 0523)".

iii. The recurring expenditure of Rs 3.60 lakh towards electricity charges shall be debited to the head of account "2210. Medical and Public Health – 06. Public Health – 003. Training - Schemes in the Tenth Five Year Plan - II. State Plan – PA. Training and Capacity Building under Health Systems Project - 05. Office Expenses – 03. Electricity Charges (DPC 2210 06 003 PA 0532)".

iv. The recurring expenditure of Rs 1.50 lakh towards property tax shall be debited to the head of account "2210. Medical and Public Health – 06. Public Health – 003. Training - Schemes in the Tenth Five Year Plan - II. State Plan – PA. Training and Capacity Building under Health Systems Project - 02. Property Tax (DPC 2210 06 003 PA 0621)".

v. The recurring expenditure of Rs 0.50 lakh towards machinery and equipment maintenance shall be debited to the head of account "2210. Medical and Public Health – 06. Public Health – 003. Training - Schemes in the Tenth Five Year Plan - II. State Plan – PA. Training and Capacity Building under Health Systems Project – 19. Machinery and Equipments – 03. Maintenance (DPC 2210 06 003 PA 1933)".

vi. The recurring expenditure of Rs 0.35 lakh towards motor vehicle maintenance shall be debited to the head of account "2210. Medical and Public Health – 06. Public Health – 003. Training - Schemes in the Tenth Five Year Plan - II. State Plan – PA. Training and Capacity Building under Health Systems Project – 21. Motor Vehicles – 02. Maintenance of Functional Vehicles (DPC 2210 06 003 PA 2129)".

vii. The recurring expenditure of Rs 5.40 lakh towards Petroleum, Oil and Lubricants shall be debited to the head of account "2210. Medical and Public Health – 06. Public Health – 003. Training - Schemes in the Tenth Five Year Plan - II. State Plan – PA. Training and Capacity Building under Health Systems Project - 45. POL (DPC 2210 06 003 PA 4501)".

viii. The recurring expenditure of Rs 0.50 lakh towards books and periodicals shall be debited to the head of account "2210. Medical and Public Health – 06. Public Health – 003.

Training - Schemes in the Tenth Five Year Plan - II. State Plan - PA. Training and Capacity Building under Health Systems Project - 68. Cost of Books / Note Books / Slates, etc. (DPC 2210 06 003 PA 6803)".

ix. The recurring expenditure of Rs 0.65 lakh towards computer accessories shall be debited to the head of account "2210. Medical and Public Health - 06. Public Health - 003. Training - Schemes in the Tenth Five Year Plan - II. State Plan - PA. Training and Capacity Building under Health Systems Project - 76. Computer and Accessories - 02. Maintenance (DPC 2210 06 003 PA 7624)".

7. The Project Director, Tamil Nadu Health Systems Project, is permitted to incur a recurring expenditure of Rs 9.00 lakh (Rs 2.50 lakh towards electricity charges, Rs 1.50 lakh towards property tax, Rs 0.50 lakh towards maintenance of machineries and equipments, Rs 4.00 lakh towards Petroleum, Oil and Lubricants and Rs 0.50 lakh towards cost of books), over and above the budget provision, pending provision of funds in Revised Estimate / Final Modified Appropriation 2005-06. Necessary funds will be provided in Revised Estimate / Final Modified Appropriation 2005-06 and the Project Director shall send necessary proposals to the Government in Finance department for including the expenditure in Revised Estimate / Final Modified Appropriation 2005-06 at the appropriate time. The Treasury Officers, Salem and Villupuram are directed to admit the bills, pending provision of funds in Revised Estimate / Final Modified Appropriation 2005-06.

8. This order issues with the concurrence of the State Empowered Committee constituted in G.O. Ms. No. 28, Health and Family Welfare, dated 28.2.2005 and the concurrence of Finance Department vide its U.O. No. 96 / DS (PU) / H I / 2005, dated: 27.12.2005 and Additional Sanction Ledger No. 1291.

## ABSTRACT

Tamil Nadu Health Systems Project – Replacement of Ultra Sonograms in Secondary Care Hospitals and procurement of 79 Ultra Sonograms – Sanction accorded – Orders Issued.

### HEALTH AND FAMILY WELFARE DEPARTMENT

G.O (4D) No. 1

Dated: 16.1.2006

Read:

From the Project Director, Tamil Nadu Health Systems Project, Letter No. 129 / Ultra Sonogram / HSP / 2005, dated: 21.11.2005.

Order:

The Secondary Care Hospitals comprising of 29 district headquarters hospitals and 241 sub district hospitals play a vital role in providing maternal and childcare services to the people in Tamil Nadu. About 30 % of 11.5 lakh deliveries occurring in the State every year are conducted in the secondary care hospitals. Lakhs of antenatal mothers come to these hospitals for antenatal check up, treatment and delivery. Ultra Sonogram is a useful diagnostic tool to find out the abnormalities in pregnancy, foetal anomalies and to monitor the progress of the growth of the foetus.

2. The Project Director, Tamil Nadu Health Systems Project, has stated that during 1996, 189 Ultra Sonograms were provided to these hospitals under the India Population Project V (IPP-V) supported by the World Bank. Out of the 189 Ultra Sonograms, 91 Ultra Sonograms are out of order and they have to be condemned as they are beyond repair. In order to provide continued quality antenatal care services in the Government Hospitals and to bring down the maternal mortality and morbidity, the Project Director has proposed to replace the non functioning Ultra Sonograms in 79 secondary care hospitals. The remaining 12 secondary care hospitals have been designated as CEMONC hospitals and they would be provided with Ultra Sonograms separately. She has also proposed to impart skill development training to 158 Medical Officers i.e, 2 Medical Officers from each of the 79 hospitals, who are going to operate the Ultra Sonogram machines in these hospitals, in batches, at the Government Kasturba Gandhi Hospital and Institute of Obstetrics and Gynaecology, Chennai. This activity is included in the Project Implementation Plan document (PIP) approved by the World Bank. The cost towards equipment maintenance is eligible for reimbursement by the World Bank.

3. The State Empowered Committee has approved the proposal of the Project Director, Tamil Nadu Health Systems Project. Based on the approval of the State Empowered Committee, the Government issue the following orders.

i. Sanction is accorded for a non recurring expenditure of Rs. 490.46 lakh (Rupees Four hundred and ninety lakh and forty six thousand only) towards procurement of 79 Ultra Sonograms to be supplied to 79 secondary care hospitals, indicated in the Annexure to this order, for replacement of the existing non functioning Ultra Sonograms in these hospitals and towards advertisement charges for procurement of the 79 Ultra Sonograms and training in Ultra Sonography to the Medical Officers, as detailed below.

Sl. No	Item	Cost (Rs. in lakh)
1	Procurement of 79 Ultra Sonograms @ Rs. 6.00 lakh per Ultra Sonogram	474.00
2	Advertisement Charges for procuring the Ultra Sonograms	1.00
3	Training in Ultra Sonography	
	T.A for 158 Trainees @ Rs. 2000 x 158	3.16
	Course materials @ Rs. 500 x 158	0.79
	Boarding and Lodging and Local Conveyance @ Rs. 300 x 15 x 158	7.11
	Resource Person Fee @ Rs. 500 per Resource Person for 2 persons for 15 days for 16 batches (Rs. 500 x 2 x 15 x 16)	2.40
	Contingencies	2.00
	<b>Total</b>	<b>490.46</b>

ii. Sanction is accorded for a recurring expenditure of Rs. 20 lakh (Rupees Twenty lakh only) per annum towards annual maintenance of the Ultra Sonograms from the year 2007 - 2008 onwards.

iii. The Project Director, Tamil Nadu Health Systems Project, is permitted to procure the Ultra Sonograms through the Tamil Nadu Medical Services Corporation, by following the World Bank Procurement procedures.

iv. The Project Director, Tamil Nadu Health Systems Project, is permitted to undertake maintenance of the Ultra Sonograms through the Tamil Nadu Medical Services Corporation from the year 2007 - 2008.

v. The Project Director, Tamil Nadu Health Systems Project, is authorised to draw the amount of Rs 475.00 lakh in advance and release the same to the Personal Deposit account "K. Deposit and Advances (b) - Deposits not bearing interest - 8443.00. Civil Deposits - 800. Other deposits - CE. Deposits of Tamil Nadu Medical Services Corporation (D.P. Code: 8443.00 - 800 CE - 000H (Receipts)" of the Managing Director, Tamil Nadu Medical Services Corporation towards procurement and supply of 79 Ultra Sonograms to the Chief Medical Officers and Superintendents of the Government Hospitals indicated in the Annexure to this order and advertisement charges and to settle the accounts with the Project Director, Tamil Nadu Health Systems Project.

vi. The Project Director, Tamil Nadu Health Systems Project, is permitted to draw the amount of Rs 15.46 lakh, as advance and to incur the expenditure towards training of the Medical Officers in Ultra Sonography.

vii. The Project Director, Tamil Nadu Health Systems Project, is authorised to draw the amount of Rs 20.00 lakh in advance and release the same to the Personal Deposit account "K. Deposit and Advances (b) - Deposits not bearing interest - 8443.00. Civil Deposits - 800. Other deposits - CE. Deposits of Tamil Nadu Medical Services Corporation (D.P. Code: 8443.00 - 800 CE - 000H (Receipts)" of the Managing Director, Tamil Nadu Medical Services Corporation towards maintenance of the Ultra Sonograms in the appropriate financial year.

viii. The Project Director, Tamil Nadu Health Systems Project, is permitted to reallocate the non recurring expenditure within the components without exceeding the total cost.

4(i). The non recurring expenditure of Rs. 474 lakh towards procurement of 79 Ultra Sonograms shall be debited to the head of account "2211-00. Family Welfare - 103. Maternity and Child Health - Schemes in the Tenth Five Year Plan - II. State Plan - PB. Procurement through Tamil Nadu Medical Services Corporation for Comprehensive Emergency Obstetric and New Born Care Centres - 19. Machinery and Equipments - 01. Purchase (DPC: 2211 00 103 PB 1916)".

ii. The non recurring expenditure of Rs. 1.00 lakh towards advertisement charges for procurement of Ultra Sonograms shall be debited to the head of account "2211-00. Family Welfare - 103. Maternity and Child Health - Schemes in the Tenth Five Year Plan - II. State Plan - PB. Procurement through Tamil Nadu Medical Services Corporation for Comprehensive Emergency Obstetric and New Born Care Centres. - 08. Advertising and Publicity - 01. Advertisement Charges (DPC 2211 00 103 PB 0819).

iii. The non recurring expenditure of Rs 15.46 lakh towards provision of training to the doctors in Ultrasonography shall be debited to the head of account "2210. Medical and Public Health - 06. Public Health - 003. Training - Schemes in the Tenth Five Year Plan - II. State Plan - PA. Training and Capacity Building under Health Systems Project - 72. Training (DPC 2210 06 003 PA 7204)."

iv. The recurring expenditure of Rs. 20.00 lakh towards maintenance of 79 Ultra Sonograms shall be debited to the head of account 2211-00. Family Welfare - 103. Maternity and Child Health - Schemes in the Tenth Five Year Plan - II. State Plan - PB. Procurement through Tamil Nadu Medical Services Corporation for Comprehensive Emergency Obstetric and New Born Care Centres - 19 Machinery and Equipments - 03. Maintenance (DPC 2211 00 103 PB 1932)

5. The Project Director, Tamil Nadu Health Systems Project, is permitted to incur the non recurring expenditure of Rs. 490.46 lakh, over and above the budget provision, pending provision of funds in Revised Estimate / Final Modified Appropriation 2005-06. Necessary funds will be provided in Revised Estimate / Final Modified Appropriation 2005-06 and the Project Director shall send necessary proposals to the Government in Finance department for including the expenditure in Revised Estimate / Final Modified Appropriation 2005-06 at the appropriate time.

6. This order issues with the concurrence of the State Empowered Committee constituted in G.O. Ms. No. 28, Health and Family Welfare, dated 28.2.2005 and the

concurrency of Finance Department vide its U.O. No. 1342 / H I / 2006, dated: 13.1.2006 and Additional Sanction Ledger No. 1402.

## ABSTRACT

Tamil Nadu Health Systems Project – Phase I – Hiring of a Consultancy Firm for conducting a Study on Health Care Utilisation and Morbidity Pattern among Tribal Population in Tamil Nadu – Sanction accorded – Orders issued.

### HEALTH AND FAMILY WELFARE DEPARTMENT

G.O 2D No. 6

Dated: 16.1.2006

Read:

From the Project Director, Tamil Nadu Health Systems Project, Letter No. 1054 / HSP / Estt / 2005, dated: 15.12.2005

Order:

Studies have indicated that the tribal population in Tamil Nadu have considerably worse health outcomes than the non-tribal population and they have substantially lower utilisation of health services. Health problems of tribal populations across the State are not uniform. Despite a number of interventions by the State Government, the vulnerable tribal community is still unable to access basic health care. They continue to face a number of social, cultural, legal, economic and political constraints. The Tamil Nadu Health Systems Project has developed a number of interventions to increase health service utilisation and thus improve the health outcomes of the tribal population in Tamil Nadu.

2. In order to assist the Government to rationally allocate additional resources and address inequalities in health status across tribal subpopulations as well as improving access to health services and improving the health status of the tribal population, the Project Director, Tamil Nadu Health Systems Project, has proposed to hire a Consultant Firm to conduct a baseline study that will assess health care utilisation and develop a morbidity profile among the tribal population within the State. The objectives of this Study are as follows:

i. Obtain baseline information on health care utilisation by the tribal population and to enumerate the constraints to their seeking appropriate health care. This will assist the policy makers to formulate effective and efficient strategies for improving access to health services;

ii. Develop a morbidity profile of the tribal population that will assist public health managers in assessing the performance of the health system; and

iii. Establish benchmarks that will measure the impact of the Tamil Nadu Health Systems Project sponsored interventions in terms of improved health service utilisation and health outcomes.

The Terms of Reference for undertaking this Study has already been approved by the World Bank. The Consultant will be selected by following Quality and Cost Based Selection (QCBS) method of the World Bank procurement procedure. The nonrecurring cost involved in the proposal is Rs 11.40 lakh. The expenditure is included in the Project Implementation Plan of the Tamil Nadu Health Systems Project.

3. The Project Director has placed the above proposal before the State Empowered Committee for approval and the State Empowered Committee has approved the proposal. The Project Director, Tamil Nadu Health Systems Project, has requested orders of the Government in the matter.

4. Based on the approval of the State Empowered Committee, the Government issue the following orders.

i. Sanction is accorded for a non-recurring expenditure of Rs. 11.40 lakh (Rupees Eleven lakh and forty thousand only), as detailed below, towards hiring a Consultancy firm to conduct a Study on health care utilisation and morbidity pattern among tribal population in the State, including advertisement charges for calling expression of interest.

Sl. No	Purpose	Cost (Rs in lakh)
1.	Consultancy charges	10.00
2.	Advertisement charges for calling Expression of Interest	1.20
3	Hiring expert services for evaluating the technical proposals	0.20
	Total	11.40

ii. The Project Director, Tamil Nadu Health Systems Project, is authorised to hire a Consultancy Firm to conduct a Study on health care utilisation and morbidity pattern among tribal people in the State by following Quality and Cost Based Selection (QCBS) method of the World Bank procurement procedure at a cost not exceeding Rs 10 lakh.

iii. The Project Director, Tamil Nadu Health Systems Project, is authorised to draw in advance and incur the expenditure of Rs 10 lakh, towards conducting the above study, in 4 instalments to the Consultancy Firm as per the following norms:

- 20% of the contract value as advance after unequivocal acceptance of letter of award and submission of inception report,
- 20% of the contract value as advance on submission of intermediate status report and on review of the same by the Tamil Nadu Health Systems Project,
- 30% of the contract value as advance on submission of draft final report and
- the balance 30% of the contract value on approval of final report.

iv. The Project Director, Tamil Nadu Health Systems Project, is authorised to draw and incur the expenditure of Rs 1.20 lakh towards advertisement charges for calling Expression of Interest as per the World Bank guidelines.

v. The Project Director, Tamil Nadu Health Systems Project, is authorised to draw in advance and incur the expenditure of Rs.0.20 lakh towards hiring technical experts for evaluating the technical proposals at the rate of Rs 1000/- per sitting per expert, not

exceeding five sittings .All advances shall be drawn in relaxation of Article 99 of the Tamil Nadu Financial Code Volume I.

vi. The Project Director, Tamil Nadu Health Systems Project, is permitted to reallocate the nonrecurring expenditure within the components without exceeding the total amount of Rs 11.40 lakh.

5 (i). The expenditure of Rs 10.20 lakh towards Consultancy shall be debited to the head of account "2210. Medical and Public Health - 06. Public Health - 796. Tribal Areas Sub Plan - Schemes in the Tenth Five Year Plan - II. State Plan - PA. Tribal Health under Health Systems Project - 80. Lumpsum Provision (DPC 2210 06 796 PA 8008 )"

ii. The expenditure of Rs 1.20 lakh towards advertisement charges shall be debited to the head of account "2210. Medical and Public Health - 06. Public Health - 796. Tribal Areas Sub Plan - Schemes in the Tenth Five Year Plan - II. State Plan - PA. Tribal Health under Health Systems Project - 08. Advertising and Publicity - 01. Advertisement Charges (DPC 2210 06 796 PA 0819)"

6. This order issues with the concurrence of the State Empowered Committee constituted in G.O. Ms. No. 28, Health and Family Welfare, dated 28.2.2005 and the concurrence of Finance Department vide its U.O. No. 7 / DS (PU) / 2006, dated: 13.1.2006.

## ABSTRACT

Tamil Nadu Health Systems Project – Phase I – Hiring of Consultancy Firm for conducting Baseline Survey on Hospital Utilisation and Patient Satisfaction in the State – Sanction accorded – Orders issued.

### HEALTH AND FAMILY WELFARE DEPARTMENT

G.O 2D No. 7

Dated: 18.1.2006

Read:

From the Project Director, Tamil Nadu Health Systems Project, Letter No. 483 / HSP / Estt / 2005, dated: 21.12.2005

Order:

The World Bank supported Tamil Nadu Health Systems Project aims to provide quality health care to the people of Tamil Nadu, especially to those who depend only on the public health care institutions for their health care needs. The Government maintains a very large network of health care institutions throughout the State and about 6 % of the Government budget is spent on health activities. There is very little information available about patient satisfaction, utilisation of the health facilities by the patients and the constraints experienced by them in accessing health care from Government facilities. This information is vital for the Health department to take steps for increasing patient satisfaction and improving the delivery of health services.

2. The Project Director, Tamil Nadu Health Systems Project, has proposed to conduct baseline survey on hospital utilisation and patient satisfaction in the secondary level hospitals in the State by hiring a Consultant Firm. The Consultant Firm will be selected by following Consultant Qualification (CQ) method of the World Bank procurement procedure. The nonrecurring cost involved in the proposal is Rs 25.00 lakh. The expenditure is included in the Project Implementation Plan of the Tamil Nadu Health Systems Project.

3. The Project Director has placed the above proposal before the State Empowered Committee for approval and the State Empowered Committee has approved the proposal. The Project Director, Tamil Nadu Health Systems Project, has requested orders of the Government in the matter.

4. Based on the approval of the State Empowered Committee, the Government issue the following orders.

i. Sanction is accorded for a non-recurring expenditure of Rs. 25.00 lakh (Rupees Twenty five lakh only) towards the Consultancy charges to a Consultancy firm to be hired

for conducting baseline survey on hospital utilisation and patient satisfaction in the secondary level hospitals in the State.

ii. The Project Director, Tamil Nadu Health Systems Project, is authorised to hire a Consultant Firm for conducting baseline survey on hospital utilisation and patient satisfaction in the secondary level hospitals in the State to fulfil the objectives, as detailed below, by following the Consultant Qualification (CQ) method of the World Bank Procurement Procedure at a cost not exceeding Rs 25.00 lakh.

- i) Developing a survey instrument based on the findings in the Social Assessment Study conducted during project preparation;
- ii) Pre-testing the survey instruments and conducting the Survey by using a sampling methodology discussed and agreed with the Project Management Unit;
- iii) Conducting Focus Group discussions among the members of community to assess their health seeking behaviour and perception about health care facilities;
- iv) Defining the areas where there is a shortfall in performance as compared to the agreed benchmarks;
- v) Identifying major factors responsible for the shortfall; and
- vi) Suggesting whether any of the existing indicators should be replaced with more relevant indicators.

iii. The Project Director, Tamil Nadu Health Systems Project, is authorised to draw in advance and incur the expenditure not exceeding Rs 25.00 lakh, towards the Consultancy charges and to make payment in 4 instalments to the Consultant Firm as per the following norms:

- o 20% of the contract value after unequivocal acceptance of letter of award and submission of inception report,
- o 30% of the contract value on submission of intermediate status report to Tamil Nadu Health Systems Project,
- o 30% of the contract value on submission of draft final report and
- o Balance 20% of the contract value on approval of final report.

5. The nonrecurring expenditure Rs 25.00 lakh towards Consultancy charges shall be debited to the head of account "2210. Medical and Public Health - 06. Public Health - 112. Public Health Education - Schemes in the Tenth Five Year Plan - II. State Plan - PA. Quality Health Services and Evaluation and Assessment under Health Systems Project - 33. Payments for Professional and Special Services - 03. Special Service (DPC 2210 06 112 PA 3332).

6. The Project Director, Tamil Nadu Health Systems Project, is permitted to incur an expenditure of Rs. 5.00 lakh, over and above the budget provision, pending provision of funds in Revised Estimate / Final Modified Appropriation 2005-2006. Necessary funds will be provided in Revised Estimate / Final Modified Appropriation 2005-2006 and the Project Director shall send necessary proposals to Government in Finance department for including the expenditure in Revised Estimate / Final Modified Appropriation 2005-2006 at the appropriate time.

7. This order issues with the concurrence of the State Empowered Committee constituted in G.O. Ms. No. 28, Health and Family Welfare, dated 28.2.2005 and the concurrence of Finance Department vide its U.O. No. 24 / DS (PU) / H I / 2006, dated: 18.1.2006 and Additional Sanction Ledger No. 1461.

## ABSTRACT

**Tamil Nadu Health Systems Project – Procedure for Procurement of Civil Works, Equipments, Goods, Vehicles, Hospital Supplies and Consultancy Services under the Project – Approved – Orders issued.**

### HEALTH AND FAMILY WELFARE DEPARTMENT

G.O (4D) No. 2

Dated: 31.1.2006

Read:

1. G.O. (2D) No. 9, Health and Family Welfare, dated: 21.2.2005.
2. From the Project Director, Tamil Nadu Health Systems Project, Letter No. 482 / Proc/ HSP / 2005, dated: 24.06.2005.
3. From the Project Director, Tamil Nadu Health Systems Project, Letter No. 108 / CW / HSP / 2005, dated: 16.12.2005.

Order:

The World Bank supported Tamil Nadu Health Systems Project (TNHSP), among other things, aims to strengthen the infra structure facilities of 270 Secondary level hospitals in the State in a phased manner. The interventions include additions and extensions to the existing hospital buildings, provision of additional buildings, renovation and repair of the existing hospital buildings, provision of hospital equipments, furniture, hospital supplies, office equipments, vehicles, etc.

2. The Project Director, Tamil Nadu Health Systems Project, has stated that it has been planned to undertake many innovative activities to improve the health status of the people of Tamil Nadu, especially, the poor and disadvantaged. For this purpose, the services of Consultants and Specialists need to be procured. The duration of the project is for five years i.e, from January 2005 to March 2010. The implementation and the outcome of the Project will be assessed periodically by the World Bank, through agreed monitoring indicators. Since project is time bound and the activity time frame has to be adhered to, it is essential that the procurement of the civil works, equipments and services need to be expedited. Moreover, the World Bank procurement procedures need to be followed to procure the above, in order to become eligible for reimbursement by the World Bank. Hence, the Project Director, Tamil Nadu Health Systems Project, has placed a proposal before the State Empowered Committee for approval of the procurement procedure under the Tamil Nadu Health Systems Project throughout the Project period.

3. The State Empowered Committee, in its meeting held on 9.6.2005, has approved the proposal of the Project Director, Tamil Nadu Health Systems Project, with certain modifications. Based on the approval of the State Empowered Committee, the Government issues the following orders:

(i). The Project Director, Tamil Nadu Health Systems Project, is permitted to procure the Civil Works under the Tamil Nadu Health Systems Project as per the procedure detailed below.

"The Civil Works shall be carried out in all the hospitals in the districts in the State in a phased manner. The Civil works would involve renovations, extensions and additional buildings for the 270 hospitals. Works related to Health Care Waste Management Programme shall also be taken up in these hospitals. In addition, construction of an Annexe building for the Directorate of Medical and Rural Health Services shall be taken up to house the Project Management Unit (PMU) of the Project. Civil works shall be carried out by the Public Works Department, as per their existing procedure, by following the plan given below:

- a. The Project Management Unit would identify the civil works to be undertaken.
- b. The Project Director shall intimate to the Chief Engineer (Buildings), Public Works Department, about the place and nature of the work to be carried out.
- c. The drawings for the civil works, as communicated by the Project Director, shall be prepared by the Architect Wing of the Public Works Department / by hiring the services of Private Architects by the Project Management Unit.
- d. The drawings on approval by the World Bank Consultant Architect shall be communicated to the Public Works Department for preparation of bidding documents, which shall be vetted by the Chief Engineer (Buildings), Public Works Department. The Project Director, Tamil Nadu Health Systems Project, shall get it approved by the World Bank Procurement Consultant, as the case may be.
- e. The Public Works Department shall advertise for invitation for bids (IFB), process the tenders and award works duly observing the World Bank procurement procedures.
- f. The Chief Engineer (Buildings), Public Works Department shall intimate the Department of Finance about the nature and cost of work and the executing officers, for issue of Letter of Credit (LOC).
- g. The Department of Finance shall issue Letter of Credit as per the existing rules with a copy to the Project Director, Tamil Nadu Health Systems Project.
- h. The Engineering Cell in the Project Management Unit shall periodically monitor the progress of work and receive the periodical statements from the Executive Engineers concerned.
- i. When the contractor submits the claim bill for payment, the Executive Engineer of the concerned district shall prepare the pass order and make the payment to the contractor as per rules.
- j. The Executive Engineer of the district units shall send monthly Statements indicating the physical and financial progress in the prescribed format to the Project Director, Tamil Nadu Health Systems Project.
- k. The Chief Engineer (Buildings), Public Works Department, shall send a consolidated

progress report to the Project Director, Tamil Nadu Health Systems Project, once a month.

ii. The Project Director, Tamil Nadu Health Systems Project, is also permitted to procure the equipments, goods, vehicles, etc, under the Tamil Nadu Health Systems Project, through the Tamil Nadu Medical Services Corporation as per the procedure given below.

" Hospital equipments, office and hospital furniture, office equipments, hospital supplies, medicines, vehicles and other equipments shall be procured under this category. At present, the Tamil Nadu Medical Services Corporation (TNMSC) is procuring medicines and equipments for the Health and Family Welfare Department. The procurement of the above category of equipments, goods, vehicles, etc, required for the Tamil Nadu Health Systems Project shall also be procured through the Tamil Nadu Medical Services Corporation by following the World Bank Procurement Procedures. The existing system of Tender Scrutinising Committee and Tender Finalisation Committee for the Tamil Nadu Medical Services Corporation shall be retained for procurement for the Tamil Nadu Health Systems Project also. The Project Director, Tamil Nadu Health Systems Project, shall release quarterly advance payments to the Personal Deposit account of the Tamil Nadu Medical Services Corporation and the Managing Director, Tamil Nadu Medical Services Corporation, shall make the payment to the firms supplying the equipments.

iii. The District Project Management Units are permitted to procure hospital supplies under the Tamil Nadu Health Systems Project for day-to-day Office use, within the financial powers of Joint Director of Medical, Rural Health Services and Family Welfare. They shall purchase some of the hospital supplies like reagents, detergents, stationery, etc in small quantities within the financial powers of the Joint Director of Medical, Rural Health Services and Family Welfare to carry out routine day to day activities in the institutions under their jurisdiction as well as for their office use.

iv. The Project Director, Tamil Nadu Health Systems Project, is permitted to procure the services under this Project as per the procedure given below

" The services to be procured under the Tamil Nadu Health Systems Project shall include Consultant services to carry out Studies and Surveys, conducting training, contracting technical and non technical staff for the Project Management Unit / District Project Management Units and for health institutions. The procurement of the services planned for a wide range of activities shall include hiring of professionals on contractual basis for the above units as well as for conducting Training, Workshops, contracting Non Governmental Organisations, Information, Education and Communication (IEC) Studies, Evaluation and other Consultancy Services. The Project Director, Tamil Nadu Health Systems Project, shall procure the above services by following the World Bank Procurement procedures. Approval of the Tender Scrutinising and Tender Finalising Committees, constituted in the Government Order 1<sup>st</sup> read above, shall be obtained.

The Project Director, Tamil Nadu Health Systems Project, shall allocate budget provision, wherever necessary, to the Joint Director of Medical, Rural Health Services and Family Welfare concerned for the services to be procured by the District Project Management Unit, who shall in turn present the bills for payment in the Treasury and make the payments to the concerned Consultants".

v. The Project Director, Tamil Nadu Health Systems Project, is authorised to constitute, wherever required, Technical Evaluation Committee consisting of experts (not exceeding 5 members) in the concerned fields to evaluate the technical bids.

vi. The Chief Engineer (Buildings), Public Works Department, shall initially post one Executive Engineer and two Assistant Executive Engineers by redeployment from the Public Works Department to the Engineering Cell of the Project for monitoring. Later, the Cell shall be strengthened with more staff.

4. This order issues with the concurrence of the State Empowered Committee constituted in G.O Ms No. 28, Health and Family Welfare, dated: 28.2.2005 and Public Works Department and Finance departments vide U.O Nos. 44005 / D1 / 2005 - 1, dated: 30.12.2005 and 33 / H I / 2006, dated: 20.1.2006 respectively.

ABSTRACT

Tamil Nadu Health Systems Project – Hiring of a Consultant Firm for designing Information, Education and Communication (IEC) Materials for health promotion to address risk factors of Non Communicable Diseases and Road Traffic Accidents for implementation in the State – Sanction accorded – Orders issued.

HEALTH AND FAMILY WELFARE DEPARTMENT

G.O 2D No. 11

Dated: 1.2.2006

Read:

From the Project Director, Tamil Nadu Health Systems Project, Letter No 1420 / HSP / IEC / 2005, dated: 6.12.2005 and 8.12.2005.

Order:

Under the Tamil Nadu Health Systems Project, a Pilot Project has been planned for control of Non-Communicable Diseases (NCD) like Cardio Vascular diseases including hypertension. Pilot projects are being launched for control of Cancer Cervix in Theni and Thanjavur districts and for Cardio Vascular diseases in Villupuram and Theni districts. India contributes substantially to the global burden of Non-Communicable Diseases. In India, 12.5% of deaths are due to Coronary Artery Disease (CAD), 5% due to stroke, 3% due to Rheumatic Heart Disease (RHD) and 5% due to other cardio-vascular diseases (Totally 24% of deaths are attributed to cardiovascular diseases). Disability adjusted life years lost by Cardiovascular disease is 8%. This is likely to increase rapidly in the next decade and it may not be surprising to see 30-40% of deaths being attributed to cardiovascular diseases by the year 2010. The present high burden of deaths due to Non-Communicable Diseases is itself an adequate reason for public health attention. A greater cause for concern is the early age of these deaths in India compared to the developed countries. The prevalence of Coronary Heart Disease (CHD) is currently estimated to be around 10 % in urban adults aged 30 years and above (range: 8% - 12 %) and about 4% in rural adults aged 30 years and above (range: 3 - 5.5 %). During the period 2000- 2030, about 35% of all Cardio Vascular disease deaths in India will occur in the age group of 35 - 64 years. Moreover, the disease runs a virulent course leading to repeated hospitalisations and early deaths.

2. The high prevalence of Diabetes in urban and migrant Indians is also a cause for concern. Urban estimates of diabetes in adults aged over 35 years are in the range of 16-20%, while the corresponding rural estimates are around 4%. At present, India has the largest number of persons with diabetes in the world with an estimated 32.7 million in 2000. This is expected to nearly double by 2025, according to the projections by the World Health Organisation.

3. Cervical Cancer is one of the most common Cancer among women in India. About 1,00,000 new cases occur every year. Most of them seek medical help only at an advanced

stage. Early diagnosis of cancer cervix and prompt treatment can ensure an almost 100% cure rate. Incidence of cervical cancer is very high in Tamil Nadu. 80% of the population living in rural areas are at high risk due to low socio-economic status, poor genital hygiene, early marriage, multiparity etc. Incidence of cases of cancer cervix is 190,000 (Madras Cancer Registry, 2002). The primary target should be the women who are the "SILENT SUFFERERS"

4. Tamil Nadu has a very high incidence of road traffic accidents in India. A survey done by the Institute of Road Transport shows that Tamil Nadu stands second in number of road accident fatalities. The percentage of two wheelers in total vehicle population is very high. This unique feature results in a large number of serious injuries and fatalities in case of road accidents as the two-wheeler rider is extremely vulnerable even in case of small accidents. Apart from the fatalities occurring on the spot, many of the injured persons die because of delay in getting immediate trauma care. If proper medical care and immediate transportation to specialty hospitals is arranged, it is possible to reduce the number of fatalities and incidence of morbidity among the injured accident victims.

5. The Specific interventions, therefore, could be at two levels:

- (i) Primary Prevention, and
- (ii) Secondary Prevention

#### Primary prevention

Preventing onset of disease by creating

i. Awareness on risk factors leading to Non-Communicable Diseases, Coronary Vascular Disease and Diabetes. Some of the risk factors, which can help in prevention of these diseases are as follows:

- a. Reduced tobacco and secondary smoke consumption,
- b. Increased physical activity,
- c. Increased consumption of healthy diet,
- d. Reduced percentage of over weight people.

ii. Awareness about cervical cancer prevention and

iii. Awareness to reduce morbidity and mortality from traffic injuries.

#### Secondary Prevention

Secondary prevention is with persons who have developed Cardio Vascular diseases or Diabetes. i.e. reducing the risk of complications after the onset of disease. Effective control of blood pressure, blood sugar, and foot care can prevent many complications and reduce death and disability. Cancer cervix is preventable and curable, if early screening and interventions are done. As far as road traffic accidents are concerned, the Tamil Nadu Health Systems Project has planned to strengthen the trauma care component and the emergency transportation of the injured.

6. The Project Director, Tamil Nadu Health Systems Project, has therefore, proposed the following activities by hiring the services of a Consultant Firm.

- a. Develop communication materials to address Non Communicable Diseases prevention and control that can be implemented at the State, district and block levels;
- b. Develop monitoring indicators in line with the planned materials and activities; and
- c. Pre-test and finalise creative prototypes for the communication materials.

The communication materials at the community level will involve the use of behaviour change communication to increase knowledge of health issues addressed by the project, change attitudes and behaviour so that there is a reduced incidence of Non Communicable Diseases in the community and an increased utilisation of Non Communicable Diseases health services provided under the project in the pilot districts. This proposal has been included in the Project Implementation Plan (PIP) and Procurement Plan, which are approved by the World Bank. The nonrecurring cost involved in the proposal is Rs 16.40 lakh. The expenditure is eligible for reimbursement by the World Bank. It is also reflected in the Project Appraisal Document (PAD).

7. The Project Director has placed the above proposal before the State Empowered Committee for approval and the State Empowered Committee has approved the proposal. The Project Director, Tamil Nadu Health Systems Project, has requested orders of the Government in the matter.

8. Based on the approval of the State Empowered Committee, the Government issues the following orders.

i. Sanction is accorded for a non-recurring expenditure of Rs 16.40 lakh (Rupees Sixteen lakh and forty thousand only) towards hiring a Consultant Firm for designing IEC materials for health promotion to address risk factors of Non Communicable Diseases and Road Traffic Accidents as detailed below.

Sl. No	Purpose	Cost (Rs in Lakh)
1	Hiring of Consultants for designing Information, Education and Communication (IEC) materials for health promotion to address risk factors of Non Communicable Diseases and Road Traffic Accidents for implementation in the State.	15.00
2	Advertisement charges for calling Expression of Interest	1.20
3	Hiring expert services for evaluating the technical proposals	0.20
	Total	16.40 ✓

ii. The Project Director, Tamil Nadu Health Systems Project, is authorised to hire a Consultant Firm to design and develop prototype of communication materials, as detailed above, by following the Quality and Cost Based Selection (QCBS) method of the World Bank procurement procedure at a cost not exceeding Rs 15.00 lakh.

iii. The Project Director, Tamil Nadu Health Systems Project, is authorised to draw in advance and incur the expenditure not exceeding Rs 15.00 lakh in 4 instalments to the Consultancy Firm as per the following norms:

- 20% of contract value as advance to the Consultant after unequivocal acceptance of letter of award against the submission of a bank guarantee for the same;
- 20% of contract value as advance on approval of the first set of Information, Education and Communication materials;
- 30% of contract value as advance on approval of the second set of Information, Education and Communication materials; and
- Balance 30% of contract value on approval of final materials.

The bank guarantee shall be released to the Consultant when the total payments reach 50% of the lumpsum amount.

iv. The Project Director, Tamil Nadu Health Systems Project, is authorised to draw and incur the expenditure of Rs 1.20 lakh towards advertisement charges for calling Expression of Interest as per the World Bank guidelines.

v. The Project Director, Tamil Nadu Health Systems Project, is authorised to draw in advance and incur the expenditure of Rs. 0.20 lakh towards hiring technical experts for evaluating the technical proposals at the rate of Rs 1000/- per sitting per expert not exceeding five sittings. All advances shall be drawn in relaxation of Article 99 of the Tamil Nadu Financial Code Volume I.

vi. The Project Director, Tamil Nadu Health Systems Project, is permitted to reallocate the nonrecurring expenditure within the components without exceeding the total amount of Rs 16.40 lakh.

9(i). The expenditure of Rs 15.20 lakh shall be debited to the head of account "2210. Medical and Public Health - 06. Public Health - 113. Public Health Publicity - Schemes in the Tenth Five Year Plan - II. State Plan - PA. Health Awareness under Health Systems Project - 33. Payments for Professional and Special Services - 03. Special Service (DPC 2210 06 113 PA 3330)"

ii. The expenditure of Rs 1.20 lakh towards advertisement charges may be debited to the head of account "2210. Medical and Public Health -06. Public Health - 101. Prevention and Control of diseases - Schemes in the Tenth Five Year Plan - II. State Plan - PA. Pilot Testing of Non-Communicable Diseases under Health Systems Project - 08. Advertising and Publicity - 01. Advertisement Charges (DPC 2210 06 101 PA 0810)"

10. The Project Director, Tamil Nadu Health Systems Project, is permitted to incur the expenditure of Rs 0.20 lakh, over and above the budget provision, pending provision of funds in Revised Estimate / Final Modified Appropriation 2005 - 2006. Necessary funds will be provided in Revised Estimate / Final Modified Appropriation 2005 - 2006 and the Project Director shall send necessary proposals to Government in Finance department including the

expenditure in Revised Estimate / Final Modified Appropriation 2005 - 2006 proposals at the appropriate time.

11. This order issues with the concurrence of the State Empowered Committee constituted in G.O. Ms. No. 28, Health and Family Welfare, dated 28.2.2005 and the concurrence of Finance Department vide its U.O. No. 25 / DS (PU) / 2006, dated: 25.1.2006 and Additional Sanction Ledger No. 1512.

## ABSTRACT

Tamil Nadu Health Systems Project – Hiring of a Consultant firm for training of Trainers in Inter Personal Communication for Service Providers in the State – Sanction accorded – Orders issued.

### HEALTH AND FAMILY WELFARE DEPARTMENT

G.O 2D No. 12

Dated: 1.2.2006

Read:

From the Project Director, Tamil Nadu Health Systems Project, Letter No 1421 / HSP / IPC / 2005, dated: 6.12.2005 and 8.12.2005.

Order:

The World Bank supported Tamil Nadu Health Systems Project (TNHSP) aims to strengthen the secondary level health facilities to provide quality services with a focus on improving the health outcomes of the poor. A social assessment study conducted as part of the project preparation has revealed that service provider behaviour is a major factor in determining the health seeking behaviour amongst disadvantaged sections of society, particularly the poor and tribal populations. The Tamil Nadu Health Systems Project has initiated steps to formulate and implement an Inter Personal Communication (IPC) strategy to address this issue. Experience also indicates that there is a need to develop a cohesive, integrated team identity amongst the providers within the health institutions. This would entail (i) Team building and role recognition of the different categories of employees and (ii) Improving inter and intra-group dynamics and (iii) Instilling service orientation. The most effective route for addressing these is through imparting training for Service providers, which is supported by an effective behaviour change campaign.

2. The Project Director, Tamil Nadu Health Systems Project, has proposed to hire the services of a Consultancy Firm which specialises in Human Resources Development for the following activities.

- i. Conduct a baseline knowledge, attitude and practice (KAP) Study in order to better understand the determinants and the overall context of provider behaviour and its core values.
- ii. Conduct focus group discussions, in depth interviews with service providers as well as observational study by the Consultant firm in the District Headquarters and sub-district hospitals,

- iii. Develop training modules and training plan with emphasis on team building exercises and developing a team with enhanced service orientation and self motivation.

The Training programmes would be designed for various levels of service providers, viz, administrators, doctors, paramedical and support staff with specific goals like leadership, role recognition, team building, service orientation, interpersonal communication and conflict resolution. Comprehensive training modules would be designed both for Trainers and Trainees. The Consultant Firm would implement the Training of Trainers (TOT) Programme. Training programmes as designed by the Human Resource Consultants under the supervision of the Project Management Unit will be conducted along with the usage of communication inputs, inter-personal communication materials, etc. The Consultant Firm would also be required to do concurrent evaluation of the training programmes and suggest modifications, if needed to the training module designed. The nonrecurring cost involved in the proposal is Rs. 26.40 lakh. This proposal has been included in the Project Implementation Plan (PIP) and Procurement Plan, which are approved by the World Bank. It is also reflected in the Project Appraisal Document (PAD). The expenditure is eligible for reimbursement by the World Bank.

3. The Project Director has placed the above proposal before the State Empowered Committee for approval and the State Empowered Committee has approved the proposal. The Project Director, Tamil Nadu Health Systems Project, has requested orders of the Government in the matter.

4. Based on the approval of the State Empowered Committee, the Government issues the following orders.

i. Sanction is accorded for a nonrecurring expenditure of Rs 26.40 lakh (Rupees Twenty six lakh and forty thousand only) towards hiring of Human Resource Consultants for Training of Trainers (TOT) Programme for Service Providers in Inter Personal Communication including advertisement charges for calling Expression of Interest, as detailed below.

Sl. No	Purpose	Cost (Rs in Lakh)
1	Consultancy charges for hiring a Consultant firm for Training of Trainers (TOT) in Inter Personal Communication for Service Providers	25.00
2	Advertisement charges for calling Expression of Interest	1.20
3	Hiring expert services for evaluating the technical proposals	0.20
	Total	26.40

ii. The Project Director, Tamil Nadu Health Systems Project, is authorised to hire a Consultant Firm for Training of Trainers for Service Providers in Inter Personal Communication in the State, as detailed above, by following the Quality and Cost Based

Selection (QCBS) method of the World Bank procurement procedure at a cost not exceeding Rs 25.00 lakh.

iii. The Project Director, Tamil Nadu Health Systems Project, is authorised to draw in advance and incur the expenditure not exceeding Rs 25.00 lakh, towards the conduct of the above survey, in 3 instalments to the Consultancy Firm as per the following norms:

- 40% of contract value on submission of training modules design;
- 40% of contract value on training of trainers; and
- Balance 20% of contract value on submission of concurrent evaluation reports.

iv. The Project Director, Tamil Nadu Health Systems Project, is authorised to draw and incur the expenditure of Rs 1.20 lakh towards advertisement charges for calling Expression of Interest as per the World Bank guidelines.

v. The Project Director, Tamil Nadu Health Systems Project, is authorised to draw in advance and incur the expenditure of Rs. 0.20 lakh towards hiring technical experts for evaluating the technical proposals at the rate of Rs 1000/- per sitting per expert not exceeding five sittings. All advances shall be drawn in relaxation of Article 99 of the Tamil Nadu Financial Code Volume I.

vi. The Project Director, Tamil Nadu Health Systems Project, is permitted to reallocate the nonrecurring expenditure within the components without exceeding the total amount of Rs 26.40 lakh.

5(i). The expenditure of Rs 25.20 lakh shall be debited to the head of account "2210. Medical and Public Health - 06. Public Health - 113. Public Health Publicity - Schemes in the Tenth Five Year Plan - II. State Plan - PA. Health Awareness under Health Systems Project - 33. Payments for Professional and Special Services - 03. Special Service (DPC 2210 06 113 PA 3330)"

ii. The expenditure of Rs 1.20 lakh towards advertisement charges may be debited to the head of account "2210. Medical and Public Health -06. Public Health - 101. Prevention and Control of diseases - Schemes in the Tenth Five Year Plan - II. State Plan - PA. Pilot Testing of Non-Communicable Diseases under Health Systems Project - 08. Advertising and Publicity - 01. Advertisement Charges (DPC 2210 06 101 PA 0810)"

6. The Project Director, Tamil Nadu Health Systems Project, is permitted to incur the expenditure of Rs 0.20 lakh, over and above the budget provision, pending provision of funds in Revised Estimate / Final Modified Appropriation 2005 - 2006. Necessary funds will be provided in Revised Estimate / Final Modified Appropriation 2005 - 2006 and the Project Director shall send necessary proposals to Government in Finance department for including the expenditure in Revised Estimate / Final Modified Appropriation 2005 - 2006 at the appropriate time.

7. This order issues with the concurrence of the State Empowered Committee constituted in G.O. Ms. No. 28, Health and Family Welfare, dated 28.2.2005 and the

concurrency of Finance Department vide its U.O. No. 25A / DS (PU) / 2006, dated: 25.1.2006 and Additional Sanction Ledger No. 1509.

## ABSTRACT

**Tamil Nadu Health Systems Project – Phase I – Hiring of a Consultancy Firm for conducting Baseline Evaluation of Quality of Care in Secondary level Hospitals in the State – Sanction accorded – Orders Issued.**

### HEALTH AND FAMILY WELFARE DEPARTMENT

G.O 2D No. 13

Dated: 1.2.2006

Read:

From the Project Director, Tamil Nadu Health Systems Project, Letter No 1421 / HSP / QOC / 2005, dated: 6.12.2005 and 8.12.2005.

Order

The World Bank supported Tamil Nadu Health Systems Project aims to provide quality health care to the people of Tamil Nadu, especially for the poor people who depend only on the public health care institutions for their primary, secondary and tertiary health care needs. The Government maintains a very large network of health care institutions throughout the State and spends almost 6% of its gross expenditure for health activities. It is important to assess the current status of the hospitals in the provision of quality of care and hence to provide cost effective quality treatment to the people of Tamil Nadu based on the findings of the assessment.

2. The Project Director, Tamil Nadu Health Systems Project, has proposed to hire a Consultant Firm for conducting a baseline evaluation on quality of care in secondary level hospitals in the State and formulate strategy to provide quality health care and cost effective quality treatment to the people in the State. The objectives of the above study are:

- i) To formulate a set of indicators for assessing the quality of care in the hospitals in a participatory manner;
- ii) To field test and finalise the indicators; and
- iii) Evaluate the quality of care rendered in the hospitals based on the indicators.

The purpose of this study is to:

- i) Measure the list of indicators in the district and sub district hospitals in the State;
- ii) Grade the hospitals according to the performance with the help of the indicators using a suitable methodology;
- iii) Define the areas where there is a shortfall in performance as compared to the agreed benchmarks;
- iv) Identify major factors responsible for the shortfall; and
- v) Suggest whether any of the existing indicators should be modified.

The Consultant firm will be selected by following Quality and Cost Based Selection (QCBS) method of the World Bank procurement procedure. The nonrecurring cost involved in the proposal is Rs 26.40 lakh. This proposal has been included in the Project Implementation Plan (PIP), Procurement Plan and Project Appraisal Document, which have been approved by the World Bank. The expenditure is eligible for reimbursement by the World Bank.

3. The Project Director has placed the above proposal before the State Empowered Committee for approval and the State Empowered Committee has approved the proposal. The Project Director, Tamil Nadu Health Systems Project, has requested orders of the Government in the matter.

4. Based on the approval of the State Empowered Committee, the Government issues the following orders.

i. Sanction is accorded for a non recurring expenditure of Rs 26.40 lakh (Rupees Twenty six lakh and forty thousand only), as detailed below, towards hiring of a Consultancy Firm to conduct baseline evaluation of quality of care in secondary level hospitals in the State, including advertisement charges for calling Expression of Interest.

Sl No	Purpose	Cost (Rupees in lakh)
1.	Consultancy charges	25.00
2.	Advertisement charges for calling Expression of Interest	1.20
3	Hiring expert services for evaluating the technical proposals	0.20
	Total	26.40

ii. The Project Director, Tamil Nadu Health Systems Project, is authorised to hire a Consultancy Firm to conduct baseline evaluation of quality of care in secondary level hospitals in the State by following Consultant Qualification (CQ) method of the World Bank procurement procedure at a cost not exceeding Rs 25.00 lakh.

iii. The Project Director, Tamil Nadu Health Systems Project, is authorised to draw in advance and incur the expenditure of Rs 25.00 lakh, towards conduct of the above study, in 4 instalments as per the following norms:

- 20% of contract value as advance after unequivocal acceptance of letter of award and submission of inception report.
- 20% of contract value as advance on submission of intermediate status report to the Tamil Nadu Health Systems Project after 6 months from the start date and on review of the same by the Tamil Nadu Health Systems Project.
- 30% of contract value as advance on submission of draft final report and
- Balance 30% of contract value on approval of final report.

iv. The Project Director, Tamil Nadu Health Systems Project, is authorised to draw and incur the expenditure of Rs 1.20 lakh towards advertisement charges for calling Expression of Interest as per the World Bank guidelines.

v. The Project Director, Tamil Nadu Health Systems Project, is authorised to draw in advance and incur the expenditure of Rs.0.20 lakh towards hiring technical experts for evaluating the technical proposals at the rate of Rs 1000/- per sitting per expert not exceeding five sittings. All advances shall be drawn in relaxation of Article 99 of Tamil Nadu Financial Code Volume I.

vi. The Project Director, Tamil Nadu Health Systems Project, is permitted to reallocate the nonrecurring expenditure within the components without exceeding the total amount of Rs 26.40 lakh.

5 (i). The expenditure Rs 25.20 lakh towards Consultancy shall be debited to the head of account "2210. Medical and Public Health - 06. Public Health - 112. Public Health Education - Schemes in the Tenth Five Year Plan - II. State Plan - PA. Quality Health Services and Evaluation and Assessment under Health Systems Project - 33. Payments for Professional and Special Services - 03. Special Service (DPC 2210 06 112 PA 3332)"

ii. The expenditure Rs 1.20 lakh towards advertisement charges shall be debited to the head of account "2210. Medical and Public Health - 06. Public Health - 112. Public Health Education - Schemes in the Tenth Five Year Plan - II. State Plan - PA. Quality Health Services and Evaluation and Assessment under Health Systems Project - 08. Advertising and Publicity - 01. Advertisement Charges (DPC 2210 06 112 PA 0810)".

6. The Project Director, Tamil Nadu Health Systems Project, is permitted to incur the expenditure of Rs 1.20 lakh towards advertisement charges over and above the Budget provision, pending provision of funds in Revised Estimate / Final Modified Appropriation 2005 - 2006. Necessary funds will be provided in Revised Estimate / Final Modified Appropriation 2005 - 2006 and the Project Director shall send necessary proposals to Government in Finance department for including the expenditure in Revised Estimate / Final Modified Appropriation 2005 - 2006 at the appropriate time. The Pay and Accounts Officer (South), Chennai - 35, is directed to admit the bills pending provision of funds in Revised Estimate / Final Modified Appropriation 2005-06.

7. This order issues with the concurrence of the State Empowered Committee constituted in G.O. Ms. No. 28, Health and Family Welfare, dated 28.2.2005 and the concurrence of Finance Department vide its U.O. No. 25B / DS (PU) / 2006, dated: 25.1.2006 and Additional Sanction Ledger No. 1513.

### ABSTRACT

Tamil Nadu Health Systems Project - Consultancy for creation of Data Bank for doctors - Constitution of Technical Evaluation Committee for evaluation of the bids - Orders issued.

### HEALTH AND FAMILY WELFARE (EAP I -1) DEPARTMENT

G.O. (D). No. 178

Dated: 2.3.2006

Read:

1. G.O 3D No. 106, Health and Family Welfare, dated: 20.12.2005.
2. From the Project Director, Tamil Nadu Health Systems Project, Letter Ref. No. 1066 / HIMS / HSP / 2005, dated: 16.2.2006.

### Order:

In the Government Order 1<sup>st</sup> read above, orders were issued for creation of a Web based Data Bank for Medical Officers in the Tamil Nadu Medical Services by hiring the services of a Software Consultant Firm. The Project Director, Tamil Nadu Health Systems Project, has stated that advertisement calling for Expression of Interest (EOI) from eligible interested firms was published in the New Indian Express on 29.1.2006 and last date of receipt of EOI is 21.2.2006. Since a "Technical Evaluation Committee" has to be constituted to evaluate the bids, the Project Director has proposed to constitute a Technical Evaluation Committee with the following composition.

1. The Project Director, Tamil Nadu Health Systems Project.
2. Thiru Mohan, Deputy Director General or his representative, National Informatics Centre, Chennai.
3. Dr. (Capt) N. Kalyanasundaram, Director of Medical and Rural Health Services.
4. Dr. P. Padmanaban, Joint Director, Reproductive Child Health Project and Training.
5. Mr. Muthuswamy, Joint Director (Statistics), Directorate of Public Health and Preventive Medicine.

2. The Government have examined the proposal of the Project Director, Tamil Nadu Health Systems Project and have decided to accept it. Accordingly, the Government constitute a "Technical Evaluation Committee" with the above mentioned members, to evaluate the bids for hiring the services of a Software Consultant Firm for creation of a Web based Data Bank for Medical Officers in the Tamil Nadu Medical Services.

(BY ORDER OF THE GOVERNOR)

### **ABSTRACT**

Tamil Nadu Health Systems Project – Phase I – Review, Printing and Supply of Hospital Registers, Booklets and Forms for use in the Secondary Care Hospitals in the State –  
Sanction accorded – Orders issued.

### **HEALTH AND FAMILY WELFARE (EAPI -1) DEPARTMENT**

G.O. (2D) No. 26

Dated: 3.3.2006

#### **Read:**

From the Project Director, Tamil Nadu Health Systems Project, Letter No. 1050 / HSP / E1 / 2005, dated: 15.12.2005.

#### **ORDER:**

Under the DANIDA Tamil Nadu Area Health Care Project (TNAHCP), several initiatives were taken to improve the information management in the hospitals. DANIDA had organised a review of all the registers, forms and other documents in the Secondary Care hospitals in the State during 2002. The number of documents were brought down from 900 to 500 and later to 133. At present, all the hospitals in Tamil Nadu maintain 133 records, registers, forms etc. These registers and forms were printed in the year 2003 and supplied to all the hospitals in 2004. Since there has not been any supply of these registers and forms, the stocks are running out in all the Government hospitals. The existing set of forms and documents would last only up to December 2005.

2. The Project Director, Tamil Nadu Health Systems Project, has, therefore, proposed to print and supply 133 registers and forms for two years to all the Secondary Care hospitals in the State under the Project through the Tamil Nadu Medical Services Corporation. The total nonrecurring cost involved in this proposal is Rs.202.50 lakh. The above expenditure is included in the Project Implementation Plan.

3. The State Empowered Committee has approved the proposal of the Project Director, Tamil Nadu Health Systems Project. Based on the approval of the State Empowered Committee, the Government issue the following orders.

i. Sanction is accorded for a nonrecurring expenditure of Rs 202.50 lakh (Rupees Two crores two lakh and fifty thousand only), as detailed below, towards revision, printing and supply of hospital registers and forms for the use in all the secondary level hospitals in the State through the Tamil Nadu Medical Services Corporation.

Sl No	Name of Equipment	Number of units	Total Cost (Rs in lakh)
1	Revision and Printing of Hospital registers, booklets and forms	Set of 133 Registers, booklets and forms for all secondary care hospitals	200.00
2	Advertisement charges for tender notifications		2.50
	Total		202.50

II. The Project Director, Tamil Nadu Health Systems Project, is permitted to print and supply the revised hospital registers and forms through the Tamil Nadu Medical Services Corporation.

III. The Project Director, Tamil Nadu Health Systems Project, is authorised to draw the amount of Rs. 202.50 lakh ((Rupees Two crores two lakh and fifty thousand only) in advance and release the same to the Personal Deposit account "K. Deposit and Advances (b) - Deposits not bearing interest - 8443.00. Civil Deposits - 800. Other deposits - CE. Deposits of Tamil Nadu Medical Services Corporation (D.P. Code: 8443.00 - 800 CE - 000H (Receipts)" of the Managing Director, Tamil Nadu Medical Services Corporation, towards printing and supply of revised hospital registers and advertisement of tender notifications.

IV. The Managing Director, Tamil Nadu Medical Services Corporation, is authorised to print copies of the revised hospital registers and reports as per the specifications furnished by the Project Director, Tamil Nadu Health Systems Project, supply the same to the concerned secondary care hospitals as preferred by the Project Director, Tamil Nadu Health Systems Project and incur the expenditure by following the World Bank procurement procedures.

v. The Managing Director, Tamil Nadu Medical Services Corporation is directed to send periodical progress reports to the Project Director, Tamil Nadu Health Systems Project, to prepare the consolidated Statement of Expenditure for onward transmission to Government of Tamil Nadu / Government of India / World Bank.

vi. The Project Director, Tamil Nadu Health Systems Project, is authorised to reallocate the non recurring expenditure within the activities without exceeding the total cost.

4(i). The nonrecurring expenditure of Rs 200.00 lakh ((Rupees Two crores only) towards printing and supply of Hospital Registers shall be debited to the head of account "2210. Medical and Public Health – 80. General – 004. Health Statistics and Evaluation - Schemes in the Tenth Five Year Plan – II. State Plan – PA. Building Capacity to strengthen Health Management Information System – 71. Printing Charges ( DPC 2210 80 004 PA 7104)

ii. The nonrecurring expenditure of Rs 2.50 lakh (Rupees two lakh and fifty thousand only) towards advertisement charges for tender notifications shall be debited to the head of account "2210. Medical and Public Health – 80. General – 004. Health Statistics and Evaluation - Schemes in the Tenth Five Year Plan – II. State Plan – PA. Building Capacity to strengthen Health Management Information System – 08. Advertising and Publicity – 01. Advertisement Charges ( DPC 2210 80 004 PA 0816).

5. Necessary funds will be provided in Revised Budget Estimate 2006 -2007 and the Project Director shall send necessary proposals to the Government in Finance department for including the expenditure in Revised Budget Estimate 2006-2007 at the appropriate time.

6. This order issues with the concurrence of the State Empowered Committee constituted in G.O. Ms. No. 28, Health and Family Welfare, dated 28.2.2005 and the concurrence of Finance Department vide its U.O. No. 56/DS/ PU / 06, dated: 24.2.2006.

**Tamil Nadu Health Systems Project – Training on World Bank Procurement Procedures and Computer Training to the Staff – Sanction accorded – Orders issued**

---

### **HEALTH AND FAMILY WELFARE (EAPI /1) DEPARTMENT**

**G.O. (D) No.193**

**Dated: 10.3.2006**

### **Read:**

From the Project Director, Tamil Nadu Health Systems Project, Letter No. 1055 / HSP / Estt / 2005 dated: 13.2.2006.

-----

### **ORDER:**

The Project Director, Tamil Nadu Health Systems Project, has stated that the activities under the Tamil Nadu Health Systems Project include procurement of civil works, hospital equipments, goods, services, vehicles etc. These activities are to be carried out by following World Bank procurement procedures. The civil works, equipments and services will be procured by the Public Works Department, Tamil Nadu Medical Services Corporation and the Project Management Unit respectively. However, the officials and staff in these Organisations are not familiar with the World Bank procurement procedures. Hence, there is a need to train sufficient number of officers and staff to handle the procurement issues as per the World Bank norms.

2. The Project Director has stated that the Administrative Staff College of India (ASCI) at Hyderabad and Financial Management Training Institute at Faridabad are offering training programmes on World Bank procurement procedures. The Administrative Staff College of India, Hyderabad, is conducting training on World Bank Procurement procedures in February 2006. The duration of the training programme is 15 days and the course fee is Rs 48,000/- per participant, which includes tuition, boarding and routine medical care. She has proposed to impart the above training to 4 officials, who are involved in the procurement process for Tamil Nadu Health Systems Project, i.e. Project Management Unit of TNHSP / Public Works Department / Tamil Nadu Medical Services Corporation / Health and Family Welfare Department, Secretariat / Finance Department, Secretariat in batches as per the availability of training session / schedule during the financial year of 2005 – 2006 and to 8 officials in the year 2006 – 2007, subject to the availability of training budget for the financial years 2005 – 2006 and 2006 – 2007. The total cost involved in this proposal is Rs 7.80 lakh. This expenditure is eligible for 100% reimbursement by World Bank.

3. The State Empowered Committee has approved the proposal of the Project Director, Tamil Nadu Health Systems Project. Based on the approval of the State Empowered Committee, the Government issue the following orders.

1. Sanction is accorded for a sum of Rs 2.60 lakh (Rupees Two lakh and sixty thousand only) for the financial year 2005 – 2006 and Rs. 5.20 lakh (Rupees Five lakh and twenty thousand only) for the financial year 2006 –2007, as detailed below, for imparting Training on World Bank procurement procedures.

Sl. No	Activity	Total Cost (Rs in lakh)
1	For the financial year 2005 – 2006 World Bank procurement procedures training for 4 Staff for a duration of 15 days @ Rs 65,000/- per Staff @ Rs.48,000/- towards Course fee and Rs.17,000/- towards Travel charges, TA, DA, etc, as per the Government norms	2.60
2.	For the financial year 2006 – 2007 World Bank procurement procedures training for 8 Staff for a duration of 15 days @ Rs 65,000/- per Staff towards actual Course fee, Travel charges, TA, DA, etc, as per the Government norms.	5.20
	<b>Total Cost</b>	<b>7.80</b>

II. The Project Director, Tamil Nadu Health Systems Project, is authorised to draw an amount of Rs 2.60 lakh in advance and to incur the expenditure for the financial year 2005 - 2006 and Rs 5.20 lakh for the financial year 2006 - 2007 towards Training on World Bank procurement procedures to 12 Staff from the Project Management Unit of the Tamil Nadu Health Systems Project / Public Works Department / Tamil Nadu Medical Services Corporation / Government in Health and Family Welfare and Finance Departments, who would be actually involved in procurement of works / goods / equipments / services to the project, at the Administrative Staff College of India at Hyderabad / Financial Management Training Institute at Faridabad / any other training institution approved by the World Bank and also to incur the expenditure on travel charges, TA, DA, etc, as per the Government norms.

4. The expenditure of Rs 7.80 lakh towards training shall be debited to the head of account "2210. Medical and Public Health – 06. Public Health – 003. Training - Schemes in the Tenth Five Year Plan - II. State Plan – PA. Training and Capacity building under Health Systems Project - 72. Training (DPC 2210 06 003 PA 7204).

5. This order issues with the concurrence of the State Empowered Committee constituted in G.O. Ms. No. 28, Health and Family Welfare, dated 28.2.2005 and the concurrence of Finance Department vide its U.O. No. 13455 / HI / 2006, Finance, dated 6.3.2006.

### **ABSTRACT**

Tamil Nadu Health Systems Project – Utilising the services of Dr. V. Suthanthira Vanitha as Expert Adviser in the Strategic Planning Cell of the Project – Sanction accorded – Orders issued.

### **HEALTH AND FAMILY WELFARE (EAPI /1) DEPARTMENT**

**G.O. (2D) No. 29**

**Dated: 10.3.2006**

#### **Read:**

1. G.O (D) No 185 Health and Family Welfare Department Dated 2.3.2004
2. G.O. Ms. No. 63, Health and Family Welfare, dated: 20.04.2005.
3. G.O. (2D) No. 55, Health and Family Welfare, dated 10.08.2005.
4. From the Project Director, Tamil Nadu Health Systems Project, Letter No. 36 / HSP / Estt / 2006, dated: 13.2.2006.

#### **ORDER:**

The World Bank supported Tamil Nadu Health Systems Project has become effective from 27.01.2005. The Government had agreed to establish a Strategic Planning Cell with full complement of staff within six months from the date of project effectiveness. A Project Management Unit (PMU) with 9 cells, including the Strategic Planning Cell, with supporting staff has been sanctioned in the Government Order 2<sup>nd</sup> read above. The following 4 Expert Advisers have been sanctioned to the Strategic Planning Cell to provide valuable inputs in all the surveys and evaluations to make them more effective and focused.

1. Expert Adviser in Hospital Reforms and Management
2. Expert Adviser in Human Resource and Health Management Information System
3. Expert Adviser in Health Systems Research and Health Economics
4. Expert Adviser in Partnership initiatives.

Out of the above 4 Expert Advisers, only 2 Expert Advisers, viz, Dr (Capt) M. Kamatchi and Dr. Nevin Wilson are rendering their services as Expert Advisers in Hospital Reforms and Management and Partnership Initiatives respectively. The qualifications, responsibilities and remuneration for all the 4 expert advisors have been approved in the Government Order 3<sup>rd</sup> read above.

2. The Project Director, Tamil Nadu Health Systems Project, has stated that many activities of the Project, including Health Management Information System and Human Resource Development, especially, the training of Health Care Providers, have to be taken up immediately. Hence, there is an urgent need to fill up the post of Expert Adviser for Human Resource and Health Management Information System. The Project Director has stated that Dr. V. Suthanthira Vanitha, MBBS, DGO, retired Additional Director of Medical and Rural Health Services, has been associated with the Project planning activities since 2003 and project implementation since the project became effective in January 2005. She has all the necessary qualifications required for the above post. She has been collecting "Institutional Services Monitoring Reports" (ISMR) from all the secondary care hospitals in the State for the last two years and has been analysing the report and sending the feed back. She has also been associated with starting of CEmONC hospitals throughout the State. She was involved with the certification process for CEmONC hospitals and had accompanied the Certification Committee to each of the CEmONC hospitals. She has extensively toured the State inspecting all the secondary care hospitals and contributed to the improvement of the performance of these hospitals. The Project Director has stated that the services of Dr. V. Suthanthira Vanitha is being utilised since 7.11.2005 as Expert adviser in Human Resource and Health Management Information System in the Strategic Planning Cell in order to meet the legal covenant at the time of the review mission of the World Bank from 22.11.2005 to 28.1.2005. She has further stated that since the service of the individual is found to be extremely useful, it is planned to utilise her services for the Project. The Project Director has, therefore, proposed to fill up the post of Expert Adviser in Human Resource and Health Management Information System by contracting the services of Dr. V. Suthanthira Vanitha, MBBS, DGO, from 7.11.2005. The cost of engaging the expert advisers and other professionals on contract for the strategic planning cell by the project is reimbursable by World Bank.

3. The State Empowered Committee has approved the proposal of the Project Director, Tamil Nadu Health Systems Project. Based on the approval of the State Empowered Committee, the Government issue the following orders.

i. The Project Director, Tamil Nadu Health Systems Project, is permitted to utilise the services of Dr. V. Suthanthira Vanitha, MBBS, DGO, as Expert Adviser in Human Resource and Health Management Information System, in the Strategic Planning Cell of the Tamil Nadu Health Systems Project, during the Project period from 07.11.2005 or till her services are required for the Project activities. The qualifications and responsibilities for the above post have already been approved in the Government Order 3<sup>rd</sup> read above.

ii. The Project Director, Tamil Nadu Health Systems Project, is permitted to pay the remuneration for the above Officer, on per day worked basis, as sanctioned in the Government Order 3<sup>rd</sup> read above, read with the Government Order 1<sup>st</sup> read above.

4. The expenditure towards on remuneration for the above Officer shall be debited to head of account "2210. Medical and Public Health - 01. Urban Health Services - Allopathy - 200. #### ORDER:

The World Bank supported Tamil Nadu Health Systems Project has become effective from 27.1.2005. Administrative sanction was accorded for the Project in the Government Order 1<sup>st</sup> read above. In the Government Order 2<sup>nd</sup> read above, sanction was accorded for establishment of a PMU for the Project at the State level and DPMUs at the district level with supporting staff. The PMU has become functional from 1.4.2005. The post of Project Director was sanctioned in the Government Order 2<sup>nd</sup> read above. The Project Director of the Project was declared as a Head of the Department in the Government Order 3<sup>rd</sup> read above.

2. Considering the importance, special nature and magnitude of the time bound Tamil Nadu Health Systems Project, the Project Director, Tamil Nadu Health Systems Project, has stated that certain powers need to be delegated to the Project Director. Further, since TNMSC has been designated as the procurement agency for all the equipments and goods under the Project, even for small purchases, the Project team has to approach the TNMSC. Hence, she has proposed certain administrative and financial powers to the Project Director. The State Empowered Committee has approved the proposal of the Project Director, Tamil Nadu Health Systems Project.

3. Based on the approval of the State Empowered Committee, the Government accord the following administrative and financial powers, duties and

responsibilities to the Project Director, Tamil Nadu Health Systems Project.

#### **A. Administrative Powers**

i. The Project Director shall be the appointing authority for all the contractual staff.

ii. The Project Director shall exercise full powers in respect of service matters, i.e, sanction of all kinds of leave like Earned Leave, Medical Leave, Leave Travel Concession, Salary, Advances, etc, to all the Officers and staff of the PMU and DPMUs.

iii. The Project Director shall initiate disciplinary action, wherever there is a need, for all the officers and staff under the administrative control of the Project Director.

#### **B. Financial Powers**

i. The following powers shall be delegated to the Project Director In order to expedite small purchases under the Project, subject to the World Bank guidelines:

- a. To purchase furniture and goods up to Rs 50,000 (Rupees Fifty Thousand only) per year.
- b. To purchase and repair of equipments like Photocopier machines, Fax machines, Computers and computer accessories, Printers, communication equipments, etc., up to a value of Rs 5.00 lakh (Rupees Five lakh only) per year.
- c. The furniture shall be purchased through TANSI. Computers and computer accessories shall be purchased through ELCOT and Photocopier machines shall be purchased on DGS&D contract. Otherwise Open tender system shall be followed.

ii. The Project Director is permitted to incur expenditure up to Rs.10.00 lakh (Rupees Ten lakh only) per year on miscellaneous items, such as hiring of taxis during visits in connection with the Project activities by Officials from the World Bank, Government of India, Officials from other States etc, payments related to documentation and other day to day services, training, printing and purchase of training materials / books & magazines, honoraria to Resource persons and Guest speakers invited to attend the meetings / workshops, payment of TA / DA & allowances for contractual staff, purchase of cell phones for the Officers in the Project as per the need and sanction of recurring charges for the same with a ceiling of Rs.1,000 (Rupees One thousand only) per month per cell phone.

iii. The Project Director is authorised to permit Officers and staff to undergo training, to participate in Seminars, Workshops, Conferences, Meetings and Study tours within India and to meet all the expenditure and allowances of the Officers and staff, subject to budgetary provisions up to Rs 10.00 lakh (Rupees Ten lakh only) per year.

iv. The Project Director is permitted to sanction advertisement charges up to Rs.2.00 lakh (Rupees Two lakh only) in each case up to Rs 5 Lakh (Rupees Five lakh only) in a year, subject to budget provision.

v. The Project Director shall finalise tenders for contracts with regard to services including Consultancies as per the approved budget up to a limit of Rs. 5.00 lakh (Rupees Five lakh only) in a year, following the World Bank procurement procedures.

vi. The Project Director shall sanction additional expenditure towards POL for the 6 vehicles in the PMU up to a maximum of Rs 1.00 lakh (Rupees One lakh only) per year as per the need, based on actual additional requirement for the Project activities.

4. This order issues with the concurrence of the State Empowered Committee constituted in G.O Ms No. 28, Health and Family Welfare Department, dated: 28.2.2005, and the concurrence of Finance Department vide its U.O No. 16794 / HI / 2006, dated 20.3.2006.
